# HIGH SCHOOL STUDENTS NOW SELLING TICKETS

Eight Local People Already Enter Contest with More Expected; Many Business Firms Acquire Space for Booths; Rivalry Is Keen.

In addition to the usual contest for booths at the Winter Fair, December 5 to 8, the streets of the city will take on a gala appearance, and it is expected the window decorating contest will be the occasion of much rivalry. The same premiums will hold good here as are offered for the booth prizes.

Spotless windows are the first requisite in the contest while advertising values, originality of display

HOUSE SAID FAVORABLE MEASURE BY SUBSTANTIAL MAJORITY

# MIDSHIPMEN ARE SCORED BY PRESIDENT HARDING

Drunkenness Following Army-Navy Game Saturday Declared "Disgraceful"; Source of Liquor Supply To Be Investigated by Denby.

WASHINGTON, Nov. 28. - The first test vote taken shows the house to be in favor of the ship subsidy S SEEKING WOMAN bill by a majority of 132 to 93. Representative Davis, of Tennessee, democrat, made the test by moving to strike out the provisions of the bill providing financial aid and assistance for American ships.

The majority for the amendment indicates, leaders say, that sufficient terday afternoon of Vaden Elwynne strength has been gathered to pass Boge, world war veteran, of Hills- the bill by a substantial majority to-

> WASHINGTON, Nov. 28 .- President Harding is determined steps will be taken immediately to make impossible a repetition of the "disgraceful scenes" enacted at Philadelphia by midshipmen following the Army-Navy football game last Saturday, it was announced today.

> Corrective measures do not contemplate the abolition of the annual classic it was stated.

> WASHINGTON, Nov. 28 .- 'Shock ed beyond measure," he said, over men of the United States naval academy conducted themselves in Phila-

# FARM POPULATION FOR 1920 GIVEN BY DEPT. OF COMMERCE

WASHINGTON, Nov. 28 .- The dethat according to the fourteenth decennial census, the 31,614,269 farm dwellers enumerated as of January sex and age as follows: Males, 16;-496,338; females, 15,117,931 Under 10 years of age, 8,138,070; 10 to 20 years, 7,824,106; 21 years and over, 15,652,093. The farm population comprises all persons actually making their homes on farms, regardless of whether engaged in agriculture, together with farm laborers and their families living elsewhere than on farms, but not living in incorporated places.

The sex ratio for the farm population in 1920 was 109.1 males to females, is found mainly in the cities. most convenient on the market.
