IRRIGATION CONGRESS

To Be Held At Spokane August 9 to 14--Irrigation Districts Will Be Well Represented

PARADES THE FEATURE THIS YEAR

John S. Hughes Tells About It-- Echo Band and Marching Club Will Likely Attend--Many Easterners Will Stop Off.

John S. Hughes, field representative of the Board of Control of the Seventeenth National Irrigation Congress, which is to be held at Spokane August 9 to 14, was in Echo for a few days last week.

Mr. Hughes' purpose in visiting Echo was to interest our people in sending our band, accompanied by a marching club, to represent this city in the various parades which will be held during the meeting of the Congress.

Much will be made of these parades this year, as they are designed to take the place of the exhibitions held in connection with former Congresses. No exhibits will be solicited this year, owing to the early date at which the Congress is held and also because of the fact that most Northwestern irrigation districts will have very complete exhibits at the A. Y. P. Fair.

Mr. Hughes said, "If Echo sends a fine band and an unique marching club with many banners, you will attract the attention of visitors at the Congress. Some of the parades will include floats and this feature will help greatly as an advertising factor. The band will be placed ahead of the float and the marching club will follow."

The parade given on Tuesday, August 10, will tell allegorically of the development of the West. Thursday's parade will be the March of the Irrigation and Industrial Army.

The governors of all the states have been invited and many will be present with their staffs. Of course, the principal interest will center around President Taft, who has promised to come if possible.

The factor which gives this Congress such advertising value is the large number of Eastern

people who will stop off at Spokane at that time on their way to Seattle. Worcester, Mass., will have a special train, also the Merchants' Association of Chicago. Another special will come from Chicago and still another from St. Paul.

All the progressive towns in the irrigated districts of Oregon and the Northwest will be well represented at the Congress, headed by their different bands. "As you will see," said Mr. Hughes, "It is not a question as to whether Echo will be represented. Of course it will. It cannot afford to be left out. It is a duty it owes itself. The only question is, how will Echo be represented? By all means send your band and a good big marching club and uniform them appropriately. If possible, send a float which will show the resources of this district. The Board of Control, which is composed of the business men of Spokane, urge Echo people to share with them the benefits of this great occasion."

A SMALL BLAZE.

The Echo Fire Department was called out last Saturday afternoon by an alarm from the Clay Branstetter house, occupied by A. Longwell, of the Tum-A-Lum Lumber Company. The blaze was small and was extinguished without turning the water into the hose, although it took quick and heroic work to do so. The damage was nominal and fully covered by insurance.

A large crowd of citizens soon congregated at the scene and willing hands lent every possible aid in fighting the fire and in removing the household effects to a place of safety.

Mr. Longwell was smoking bees out of the building, and for this purpose placed a quantity of sulphur under the flue, which he ignited with a match. Leaving the room for a moment he returned to find it in flames.

Mr. Longwell smoked the bees out all right and now has two fine hives.

After the alarm was sent in it took Hose Company No. 2 less than 3 minutes to reach the scene of the fire, couple on and ready to throw water. In nine minutes the fire was out and No. 1 returned to the hose house. No. 2 was held awhile at the scene for fear that the fire might break out again.

CHILDREN'S DAY EXERCISES

Large Gathering at the M. E. Church Last Sunday Night to Listen to the Little Tots.

HIGHLY INTERESTING PROGRAM

Children Well Drilled--There Was No Best; All the Little Ones Did Well and Were Heartily Encored--The Program as Rendered.

Union services, in which the Sunday School children of the Methodist, Baptist and Presbyterian churches jointly participated, was held Sunday night last at the M. E. church.

An interesting program had been prepared for the occasion and the church building was taxed to its full seating capacity to accommodate those assembled to listen to the little tots.

The children were well drilled and did themselves and instructors proud in the recitations, singing and in going through the maneuvers of the different drills.

There was no best to it; the little ones all did well, and from beginning to end the program was heartily enjoyed by everybody present.

Following is the program as rendered:

FINE RIPE CHERRIES AT WEST VIEW FARM

Under the above caption the Hermiston Herald of last week has the following to say:

"The first few days of the week were busy ones at West View fruit ranch, the direct cause being the cherry trees that were heavily laden with the finely flavored, ripe fruit. J. S. West is proprietor of the well kept ranch and expresses satisfaction over the yield which more than met his expectations."

J. Pelmulder, representing the Milton nursery, called our attention to the item and stated that he had only sold the trees to Mr. West last fall, at which time they were 2 years old, and that it would be an impossibility for the trees to bear any cherries this year, having, also, only been planted last fall.

The truth, when told, is good enough about this prolific section, and such gross misstatements as the above always work to the detriment of a growing community.

The Register does not believe in misrepresenting facts, and while we are sorry for the lack of foresight and good judgment on the part of the Hermiston editor, at the same time the Register, from its standpoint of duty and honest journalism, is compelled to show up the falsity of the above cherry item.

Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by Dorn & Dorn.

LAURA MAY KENISON-REEVES

Her Spirit Passes Peacefully Away Friday Last at the Family Home Near Echo.

In the prime of life the spirit of Laura May Kenison-Reeves has passed into the realm of its Maker. Surrounded by loving relatives and kind friends she departed peacefully away Friday June 11, 1909, at the family residence on the Meadows near Echo, after a lingering illness.

The funeral services were held in the M. E. church in Echo, Sunday, at 10 a. m., conducted by Rev. A. A. Metcalf, who paid a glowing tribute of respect to the memory and kindly life deeds of the departed one.

From the church a large concourse of sympathizing friends followed the remains to their last resting place in the I. O. O. F. cemetery, where the services were conducted and interment made under the auspices of Henrietta Rebekah Lodge No. 36, of Echo, of which order the deceased was an honored member.

Laura May Kenison-Reeves was born near Walla Walla, Wash., July 6, 1874. On December 26, 1893, she married Wm. T. Reeves, of which union was born one child, Leah. When about 16 years of age she united with the M. E. church, south, under the pastorate of Rev. Howard. Her life was one devoted to Christ and her Bible, as well as to her husband and child. She leaves to mourn her loss two sisters and three brothers besides her husband and little daughter.

The bereaved ones have the heartfelt sympathy of the entire community in this their sad hour of affliction.

ECHO VS. UMATILLA

A Lively Game of Ball Played on the Echo Grounds Sunday--9 to 10 in Favor Umatilla

A good game of ball was played on the Echo grounds Sunday last between the Umatilla and Echo nines. Quite a large crowd was present to witness the game, which took two and one-half hours to play.

The game looked like a walk-away for Echo, until Lowrey, of the Umatillas, went to the bat, with two outs, in the third inning and knocked a two bagger and scored, followed by O'Connell and Rosey who both scored.

From this time on it was nip and tuck and an exciting contest to the finish. The score stood at the end 9 to 10 in favor of Umatilla.

Everybody had a good time and the visitors were well pleased with the entertainment they received at the hands of the Echo boys.

Following is the lineup and score by innings:
