TOMORROW'S CELEBRATION

No Pains Nor Expense Spared to Make the Event a Gala Day in the History of Echo.

MANY VISITORS TO PARTICIPATE

Young America Will Be At the Height of His Glory---The Echo Symphony Orchestra Will Furnish Music For Grand Ball---Program

Tomorrow, Saturday will occur the grand Fourth of July celebration in Echo. It will be a gala day in the history of the town. The fire boys and citizens of Echo have spared no pains nor expense in making the celebration a brilliant success, and every arrangement has been made for a grand and glorious time on this occasion.

Many visitors from out of town promise to be here to participate in the day's amusements and the city will be handsomely decorated, flags and bunting in evidence everywhere.

Young America will be at the height of his glory, for our merchants have on hand for the occasion a goodly supply of the latest novelties in fireworks, including the proverbial firecracker, sky rocket and bomb.

The Echo Symphony Orchestra, of which Prof. J. E. Taylor is instructor, will furnish elegant music for the occasion of the grand Fourth of July ball, and it goes without saying that the spacious city hall will be taxed to its capacity to accommodate the large gathering of merry dancers who will attend.

TREATS ECHO PRETTY FAIR

But Portage Road Around Celilo Falls Increases Cost of Transporting Freight.

The O. R. & N. is well aware that the cost of transporting freight is increased by the portage road around the Celilo falls. It treats Echo pretty fair, although the people would like a local train or two more; and on the square, Echo is so much better off than towns in the interior of the state that we are the envy of scores of towns in Grant, Harney, Malheur and other counties. The people of the upper John Day valley, in which are situated the towns of Canyon, John Day and Prairie City have raised \$30,000 to get the little wobbly Sumpter Valley narrow gauge road, called "The Mormon Road," to extend to them from Baker City. They would give \$60,000 to have a real transcontinental road such as Echo has.

Card of Thanks.

To the kind friends and neighbors who so willingly assisted us during the sickness and death of our beloved little babe, we wish to express our heartfelt thanks, also to those sending flowers and assisting in the same. May the Lord bless you all and spare you such sorrow. Is our sincere wish. M. C. NORMAN AND FAMILY.

GODDESS OF LIBERTY.

Miss Ruth Strahm the Lucky Contestant--Result of the Voting Nets Committee \$256.

The friends of Miss Ruth Strahm won the honors for her in the contest for Goddess of Liberty. Miss Strahm's opponent was Miss Audrey Wattenburger, of Butter Creek. The voting was spirited for both these popular young ladies, and the result netted the committee \$256.

Bowel Complaint in Children.

When six months old the little daughter of E. N. Dewey, a well known merchant of Agnewville, Va., had an attack of cholera infantum. Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected a complete cure. This remedy has proven very successful in cases of bowel complaint in children and when given according to the plain printed directions can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to take, which is of great importance when a medicine must be given to young children. For sale by Dorn & Dorn.
