CELEBRATION GRAND SUCCESS

Many Visitors From the Country and Nearby Towns Participate in Echo's Celebration.

A GALA DAY FOR EVERYBODY

The Band, Goddess of Liberty Car and Many Pretty Floats Represented in the Parade--The Ball Game, Sports, Grand Ball, Etc.

The Fourth of July celebration in Echo last Saturday was a grand success in every way. The day was an ideal one for the occasion and the city was thronged with visitors from the country and nearby towns. Many of the visitors brought baskets well filled with edibles and enjoyed picnic dinners in the cool shade, while others satisfied the cravings of the inner man at the different hotels.

Much credit is due the Fourth of July Committee and F. T. George, marshal of the day, for the able manner in which the program was so satisfactorily carried out. There was not a hitch anywhere, no disturbance of any kind, and a good old fashioned time was had by everybody.

The parade was formed at 9:30 o'clock, headed by Marshal of the Day F. T. George, and marched through the principal business streets. The business men were well represented in the parade by pretty, attractive floats, while many others joined in the procession on foot, horseback and in carriages.

The Goddess of Liberty car was drawn by four white horses, handsomely decorated and driven by Jerome Gulliford. The car was covered with white canopy and trimmed in red and blue, and with the stars and stripes made a very pretty and pleasing effect. On a platform in the center of the car sat the Goddess of Liberty, Miss Ruth Strahm, dressed in rich white silk and a beautiful crown and wreath on her head, while by her side was the conventional Uncle Sam, well represented in the person of Clarence Springston. Around the car were seated little girls representing the different states of the Union. They were handsomely dressed in white, with

white sashes on which were printed the name of the state each represented.

The wagon containing the band boys was handsomely decorated and was driven by P. A. Bonney. Excellent and patriotic music was discoursed by the band boys.

William Pearson had his Red Express wagon handsomely decorated with bunting and flags, and a sign which read, "Anything and Everything Delivered Promptly to Any Part of the City."

E. Ripper had a very pretty float representative of Diamond W Groceries.

Tobe Thornton had his dray nicely decorated and loaded with small boys.

All the business houses and many residences were handsomely decorated with bunting and flags. The small boy was much in evidence with firecrackers and bombs and everybody, old and young alike, entered into the spirit of the occasion for a jolly good time.

The ball game in the afternoon, Echo vs. Umatilla, proved one of the most interesting features of the program, and was witnessed by far the largest gathering of people ever yet assembled on the ball grounds in Echo. The game was an exciting contest from start to finish, and after a hard fought battle Echo carried off the laurels by a score of 3 to 5.

The Umatilla boys put up a good game of ball, and it is to the credit of both nines that there was no wrangling indulged in by either side.

The line up and score was as follows:

UMATILLA		ECHO	
Burke	c	Hoskins	c
Corey	p	Turner	p
Hall	1b	Gilbert	1b
Lenox	2b	Herr	2b
Connell	3b	Campbell	3b

TO ORGANIZE COMMERCIAL CLUB

The Proposition Discussed at a Meeting of Echo Business Men Tuesday Night

MANY BENEFITS TO BE DERIVED

Another Meeting to be Held in the Very Near Future at Which Time Permanent Organization Will Very Likely be Perfected.

At a meeting of some of the business men of Echo Tuesday evening, the proposition of organizing a commercial club in this city was discussed.

The direct benefits to be derived from such an organization are manifold, and if the proper spirit is shown and interest taken by our citizens, much good will result in the future upbuilding of Echo and in the development of the rich fruit and agricultural resources of this prolific section.

Heretofore the burden and expense of sending out descriptive matter has been borne by a few, and naturally the work of advertising our resources and the opportunities offered here for remunerative investments has not received the attention that it should. To properly advertise and give the matter the attention it deserves can only be accomplished through concerted action on the part of our citizens, and to insure this concerted action it will require an organization, with stated meetings for discussion and taking action on important matters that may come up, looking to the advancement of the best interests of our thriving city.

The half has not been told and, comparatively speaking, very little is known on the outside of the wonderful productiveness of our soil, rare climatic conditions, excellent school facilities, business opportunities, etc. Along this line there will be much good for the organization to accomplish, and its officers will find plenty of material at hand to draw from in preparing descriptive literature to be sent out.

Another meeting of business men and citizens will be held in the very near future, at which time permanent organization of a commercial club will very likely be perfected.

Let every business man and citizen put his shoulder to the wheel and give the organization of the Echo Commercial Club a boost.

Bowel Complaint in Children.

When six months old the little daughter of E. N. Dewey, a well known merchant of Agnewville, Va., had an attack of cholera infantum, Chamberlain's Colic, Cholera and Diarrhoea Remedy was given and effected a complete cure. This remedy has proven very successful in cases of bowel complaint in children and when given according to the plain printed directions can be relied upon with perfect confidence. When reduced with water and sweetened it is pleasant to take, which is of great importance when a medicine must be given to young children. For sale by Dorn & Dorn.

ALFALFA MEAL MILL.

The Alfalfa Meal Mill is running full blast, ten hours every day, during which time they grind about twenty five tons.

The alfalfa is ground up as fine as bran, then sacked and is ready for shipment to market.

Alfalfa meal makes one of the very best chicken and hog feed-stuffs known. Pouring water over the meal will bring it back to its natural green state.

The Alfalfa Meal Mill is proving quite a prominent enterprise in Echo and gives employment to a good many people.
