

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle-wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants. World's Dispensary Medical Association, Props., Buffalo, N. Y.

Lava.
"How Mrs. Wimbleson does love her husband. I never saw anything like it."
"Yes, she does seem to be rather fond of him."
"Fond is no name for it. She has even decided to have her clothes made so they will button down the front, because her hubby doesn't like to hook them."—Chicago Record-Herald.

Housecleaning.
Now clean the windows, wash the paint
And whack the parlor rugs,
Take up the carpets everywhere
And kill the buffalo bugs,
Do up the curtains, dust the books
And all the rubbish clear
Away. The joyous season's come—
Housecleaning time is here!
Dust off the walls, the pictures too.
What coats of dirt you find!
The ceiling looks a little dull.
Best have it calcimined.
Scrub everything till bright and fresh
The whole house shall appear
And then sink back to slothful ease
Until another year.
—Somerville Journal.

No Excuse.
"Is that horse you bought a kicker?"
"A kicker?" answered Mr. Sirius Barker. "I'm the fellow who paid twice his value and who is buying the feed. What has the horse got to kick about?"—Washington Star.

The Ball Player.
They baked his arm,
So it is said,
But had they only
Baked his head
They had, it is
Quite safe to say,
Come nearer where
His weakness lay.

But, no; they baked
His arm at length
And seasoned it
With salt for strength.
Alas, and they
Had baked what sits
His neck and seasoned
It with wit!

Ugandese.
All those natives of Uganda,
In the faroff Africa lands,
Call the cunnel "Bwano Tumbo," which
is short for portly one.
When they hear the caterwauling,
When they see the lions falling,
They will call him "Shambo Zimbi,"
which is dandy with the gun.

The horse has proved to be a wondrous animal indeed.
There is no limit to his possibilities of speed.

They're certain to discover several that are swifter yet.

"Because he's such a weight of rye."
