TWO MEN PAST 4 SCORE YEARS DIE

WM. K. STUBBLEFIELD, IMNAHA PIONEER, AND THOS. TERRY PASS AWAY.

Two of the oldest citizens of this county passed away the first of the week, their deaths occurring within 24 hours of each other.

William K. Stubblefield, pioneer resident of Wallowa county and the oldest stagerdriver in the United States, passed away Monday morning at the home of his son Ira in Dallas, Oregon, where he had been visiting for some time. The cause of his death was heart disease, with which he had been troubled in late years.

"Uncle Billy," as he was called, was one of the best known men in this county. He had reached the great age of 83 years and nearly five months, having been born October 20, 1825, in Granger county, Tennessee. He had been a resident of this county since 1884, and was hale and of a strong constitution, aside from the heart trouble.

Mr. Stubblefield was married five times and was the father of 15 sons and nine daughters, 13 of whom survive. His life history is like a romance, and a more extended account of it will be given later in this paper.

The remains were shipped from Dallas Tuesday evening and are expected to reach this city Wednesday evening. If they do, the funeral will be held Thursday afternoon at 2 o'clock from the Christian church.

Michel Stubblefield went to La Grande Tuesday to meet the remains.

Thomas Terry Dead.

Thomas Terry, an aged retired minister of the Christian church, died Sunday at the home of his daughter, Mrs. S. F. Pace, at the great age of 82 years, 11 months and 15 days. Mr. Terry had been in his usual health and dropped dead as he arose from the dinner table. Funeral was held Monday afternoon at 2 o'clock from the Christian church, Rev. W. S. Crockett officiating; burial in the Enterprise cemetery.

Thomas Terry was born in Simpson county, Ky. He married Ann E. Gudgeon Oct. 17, 1850. In 1878 they moved to Missouri and in 1890 came to Oregon and made their home with their children. Besides the aged widow, two sons and three daughters survive: John Terry of Kentucky, Mrs. S. R. Wiley of Oklahoma, Mrs. S. E. Butner of Missouri, James Terry of The Dalles, and Mrs. Pace of this city. There are 13 grandchildren and three great grandchildren.

Mr. Terry was for a number of years a minister in the Christian church, ceasing the work only on account of failing health. He was a man of sterling character and enjoyed the esteem and confidence of his fellowmen, and was selected at different times to fill positions of public trust. While in Missouri he was for several years a member of the state legislature. His long life

of christian work and public service will long be remembered.

START ON WATER WORKS IN 30 DAYS

The Enterprise water bonds are approved by the bond attorneys for the American Light and Water company without a change or addition. W. A. Dutch, secretary and treasurer of the company and general superintendent of construction, was in the city Wednesday night, and says work will begin within 30 days. The pipe will come from Olympia, and a "ditching" machine will be brought in if it is found they will work in the ground between the springs and the city. Mr. Dutch says the company has machines that will dig a 7 foot trench at the rate of 7 feet a minute, where the soil and other conditions are favorable.

Mr. Dutch congratulated the city officials on the correctness of the record in the many acts and ordinances leading up to the bond issue. He says it is most unusual for the Chicago lawyers not to find a flaw somewhere and this is the first time none was found in Oregon bonds. Mistakes or omissions occurring most frequently in this state owing to the initiative and referendum laws. Thos. M. Dill, city attorney, prepared all the papers for the elections, ordinances, etc., and City Recorder W. E. Taggart made up the record forwarded to the bond attorneys. To them belongs the credit.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is most likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher, of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children, and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by Burnaugh & Mayfield.

Federal Plum To Colon R. Eberhard

Appointed Receiver of La Grande Land Office—is \$3000 Salary Position.

Colon R. Eberhard of Joseph, present deputy district attorney for this county, was appointed Monday by President Taft, receiver of the U. S. land office at La Grande. The appointment was confirmed the same afternoon by the senate. The salary of the office is \$3000 a year.

Mr. Eberhard succeeds A. A. Roberts, half brother of Congressman Ellis, who resigned a short time ago. Roberts' accounts were in a muddled condition though no wrong doing is charged or believed to have occurred. Mr. Eberhard will take charge as soon as his \$50,000 bond is approved.

There were three or four applicants for the job, including a man from Morrow county, J. P. Rusk of Joseph, and George Carpy, the present chief clerk in the land office. That Mr. Eberhard secured the plum is a tribute to his endorsements and his own hustling qualities.

Mr. Eberhard is a young lawyer of unimpeachable character and will no doubt keep the work of the office right up to the notch. He is very popular in his home town and his friends there and elsewhere rejoice at his good fortune.

Stolen from Slope Farmer

Twenty years ago parties having no right, deeded an irregular tract of land from the 320 acre farm of a prominent Alder Slope farmer. The grantee happened to be still living, and a quit-claim deed was obtained which straightened the title.

This cloud on the title was shown up by an ABSTRACT from the office of

County Teachers' Meeting Saturday

Principal of Joseph Schools elected President—Next Session Held At Wallowa.

The county teachers meeting held in the school building in this city Saturday was interesting and instructive. There was a goodly attendance of teachers from Joseph and Enterprise and vicinity but none from down the valley.

The election of officers at the morning session resulted as follows: President, A. G. Smith; vice president, Kathryn DuFur; secretary and treasurer, Miss Stella M. Hooper.

The address of welcome by W. M. Sutton broadened out into a talk on educational matters in general. The program included talks and papers by Gene W. Hall, Mabel E. Wilson, Miss Stella M. Hooper and A. G. Smith.

The next meeting will be held at Wallowa, and the following one probably at Flora.
