UNION NURSERIES

Union, Oregon

Gophers, Sage Rats and Prairie Dogs annually devastate our fields of growing grain. Their numbers may be greatly diminished by a systematic warfare upon them.

"Woodlark" Squirrel Poison is the most reliable and destructive agent yet devised for their extermination. It is absolutely certain in its action and every kernel is warranted to kill. Climatic changes or moisture of the earth do not destroy its strength. It requires no mixing or preparation, and is always ready for use. No other is so good. Dealers will refund the purchase price if not as claimed. Pamphlet free.

The passing within the span of one day of two "fathers in Israel" like Wm. K. Stubblefield and Thomas Terry gives us pause to stop and consider their long and useful lives. Both had passed by several years the four-score milestones. Mr. Terry was not so well known here, coming in his extreme old age, but he had spent his long life in noble work, and was a man of prominence in an old field, as he was familiarly called. Eastern state. "Uncle Billy" Stubblefield was what is usually considered as a pioneer of this county, yet old man when he came here a quarter of a century ago. But possessed

of a magnificent physique, he did more of the hard, pioneering work than most of the young men, and at 80 years was driving the stage through storm and cold to Chico, never missing a trip and never reported late. And before he came here he had done more work than the ordinary man does in a lifetime. The following tribute was paid Mr. Stubblefield in the La Grande Observer by one who knew him: "His moral and physical development was all that nature, and the highest sense of personal honor could make it. He belonged to that promise was kept and every duty of old school of manhood, when every performed. He was tender as he was strong, and simple as he was without pretense. As a pioneer and true—literally without deceit and

ANOTHER STONE BUSINESS BLOCK

Sam Litch states he will build a stone business block on his lots just west of his building occupied by the W. J. Funk & Co. store, in which Mr. Litch owns a half interest. The plans are not yet completed, but Mr. Litch expects to hurry matters up and begin work within a week or two.

The new building will have a frontage of 60 feet on Main street and a depth of 90 feet. Two store rooms will extend back 60 feet from Main street, and back of them will be a room, 30x60, that will be used as a warehouse by W. J. Funk & Co., the present wooden warehouse being moved to the C. E. Funk lot across the alley. This same firm will occupy the east room of the new building, archways being cut between it and the present store. The west room of the new building is not yet rented. A basement will extend under the east room and warehouse part.

Best Treatment for Colds.
"Most ordinary colds will yield to the simplest treatment," says the Chicago Tribune, "moderate laxatives, hot foot baths, a free perspiration and an avoidance of exposure to cold and wet after treatment." While this treatment is simple, it requires considerable trouble and the one adopting it must remain in doors for a day or two, or a fresh cold is almost sure to be contracted, and in many instances pneumonia follows. Is it not better to pin your faith to an old reliable preparation like Chamberlain's Cough Remedy, that is famous for its cures of colds and can always be depended upon? For sale by Burnaugh & Mayfield.

M. Gally, trustees.

Object to Strong Medicines.
Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. For sale by Burnaugh & Mayfield.

Shepherd Morgan of Innaha was in Enterprise Thursday on his way home from Wallowa where he had been on Forestry business.

Up Before the Bar.
