Boise Capital News of May 21:—A. E. Cray was given a pleasant surprise at the home of Mr. and Mrs. Richardson last evening by the men of the Rocky Mountain Bell Telephone company. Mr. Cray has recently resigned his position as division wire chief of the company and leaves to make his future home on the coast. The evening was spent in games and music, after which refreshments were served. As a token of the esteem in which he is held by the force, Mr. Cray was presented with a handsome gold watch and chain.

NEW NAME GIVEN TO RIVER JUNCTION

ANTHONY SELECTS EUPHONIOUS TITLE FOR HIS POSTOFFICE AND STORE.

Rondowa is the official name of John Anthony's town at the mouth of the Wallowa river, known heretofore as River Junction. The name has something of a Spanish-Indian sound, but it is in reality a coinage from the names of the two rivers—Grande Ronde and Wallowa. The name was suggested by Engineer H. A. Brandon, who had charge of the construction of the Wallowa branch.

Rondowa will become a postoffice with Mr. Anthony as postmaster. He has forwarded his bond to the postoffice department and is daily expecting the arrival of his commission. The townsite is in this county, east of the Grande Ronde river and north of the Wallowa and of the railroad track. Several small buildings have been erected, in one of which Anthony has a stock of groceries and another is a hotel.

Whether the new name is better than the old is a matter of opinion; and so far it is mostly Anthony's business as he constitutes a clear majority of the population. However, the old name, River Junction, expressed the location and sounded busy-like—you could almost hear the noise of boiler shops, foundries, etc.; whereas the new name expresses

nothing but an euphonious roll. Mr. Anthony is quoted as saying the petition for the postoffice had 284 signatures, and that it is expected that this postoffice will become the distributing point for the mail for Promise and Grossman in Wallowa county.

There are several farming localities adjacent to this place and Rondowa will become the railroad supply point for the same. A few days ago a meeting was held by those interested and the sum of \$2000 was subscribed in money, material and labor for the construction of a wagon road toward Promise and Grossman.

Complete Concrete Work This Week

Warehouse Ready For Wool in Ample Time—Shaniko High Prices.

The concrete work on the wool-growers warehouse will be completed this week says P. E. Knapp, who is in charge of the work in the absence of his father, who is at Hot Lake nursing a severe attack of rheumatism. Al Reynolds says the floor will be down in a few days and a temporary roof on in ample time to take care of the wool.

The work has progressed rapidly during the clear weather and now the walls are almost up.

Top Price for Wool. Shaniko, May 21—At the sealed bid wool sales here today there were but 15 complete lots to be offered, aggregating about 500,000 pounds. (Continued on last page.)

GROUSE FARMERS SELLING LIVESTOCK

HOGS AND HORSES MARKETED AT LEWISTON—ALL CROPS LOOK FINE.

Grouse, May 20.—Crop planting is about completed and labor still in demand; some at the saw mill and others driving stock to market, freighting, etc.

W. A. and E. A. Hack's passed this place a few days ago with 50 head of fat hogs for the Lewiston market. E. Richman, J. H. Moore, G. Smith and others were on the road to Lewiston with hogs.

R. E. Friddles, F. A. Pellissier and G. Smith passed with a nice bunch of horses for the Spokane market. John M. Silver has just received two freight loads of goods.

Business is on the increase generally; crops are in fine condition notwithstanding the cold weather. Everything looks encouraging since the rain. The fall sown wheat completely covers the ground. The fruit crop is in fine condition except the peaches which were mostly killed during the last cold snap.

The farmers are well pleased with the investment in the North End Telephone company. It is a great convenience as well as a pleasure and the prospect is looking bright for the Asotin county farmers to extend the line from this place on to Cloverland to connect with the Asotin line to Clarkston and Lewiston.

There have been some land buyers looking over this section, but no purchases made. They were well pleased with the climate and the production of the country, but the poor roads backed them out. The public highways must be improved before this country can be attractive to the homeseeker. A few hundred dollars properly applied on the roads would enhance the value of real estate thousands of dollars.

Joe A. Ray and Bessie Friddles' long-looked-for wedding took place yesterday afternoon at 'Squire Lafayette Wisan's. It is hoped that they may have a long and happy life.

COUNTY COURT ALLOWS CIRCUIT COURT BILLS.

County court met Monday and allowed the bills for circuit court expenses, and other claims.

In the Knapp road case the court found the petition sufficient. The viewers' report being favorable, and it recommending the payment of \$250 damages to C. R. Elliott and \$50 to E. W. Southwick, and the road not being of sufficient public importance to justify the county in paying those damages, it was ordered the petitioners pay the amount, and all records and files of the proceedings were referred to the district attorney for his legal opinion.

The T. M. Gilmore road was ordered opened for public travel.

JOSEPH VOTES BONDS.

Joseph, May 24.—The bond election Saturday was nearly unanimous for the bonds, only two voting against out of over 70 votes cast. The proposition was on the issuance of \$30,000 in bonds to erect a new school building.

A few weeks ago nearly as great unanimity was shown when the water works bonds carried by a vote of 93 to 4.

Water Pipes Arrives.

READY FOR GAMES WITH UNION CLUB

LOCAL BALL TEAM IN FINE TRIM—BIG CROWDS WILL ATTEND.

The Union baseball club will play two games with the locals, Thursday and Friday afternoons, the game beginning each day at 2:30 o'clock. Friday night the ball boys will give a grand ball at the opera house in honor of the visiting team.

The ball ground is now completely fenced and seats have been prepared for a large crowd. Many of the business houses will close during the games and everybody will go to see the contests that promise to be exciting.

The Union team is a member of the league composed of Huntington, Baker City, Cove, Union, La Grande and Elgin, and furthermore is leading the league. Union is coming confident of adding "two more scalps" to its trophies of victory.

However, Union will have to go some to do anything with "Dutch" Blyeu's delivery for the big fellow is in fine form and is ably supported by his battery partner, Will Pidcock.

The features of the afternoon practice is the phenomenal fielding of Irvin Freach at third base. He is also hitting nicely.

With an infield composed of such fast and accurate fielders as Marvin, Ralph Pidcock, Hag and Freach, all ground balls will be well taken care of.

While Will Bauer is handicapped by lack of practice he will be a great help to the team. Will always gets the glad hand at the bat.

Charles Hug will play the short field for Enterprise. "Nuf said."

Conaway will twirl one game for the locals. Barry has great speed and curves and will give a good exhibition.

The line-up and batting order will be as follows: Savage left field, R. Pidcock second base, Marvia first base, W. Bauer right field, Hug short stop, Blyeu pitcher, Pace center field, W. Pidcock catcher, Freach third base.
