SUPREME COURT AFFIRMS SHAFER-BEECHER CASE

The F. F. Shafer vs. Oral Beecher case was affirmed by the supreme court, the decision being handed down Tuesday. The case was a dispute over the value of some pasture land rented of Shafer by Beecher. It was tried at the January term, the verdict being in favor of Shafer and is now affirmed by the highest court. Buriel & Boyd were Shafer's attorneys.

Men Past Fifty in Danger.

Men past middle life have found comfort and relief in Foley's Kidney Remedy, especially for enlarged prostate gland, which is very common among elderly men. L. E. Morris, Dexter, Ky., writes: "Up to a year ago my father suffered from kidney and bladder trouble and several physicians pronounced it enlargement of the prostate gland and advised an operation. On account of his age we were afraid he could not stand it and I recommended Foley's Kidney Remedy, and the first bottle relieved him, and after taking the second bottle he was no longer troubled with this complaint." UNION GETS TWO MORE SCALPS, NIT

ENTERPRISE HUMBLERS LEADERS OF LEAGUE TWICE IN ONE AFTERNOON.

Well, well, well! Two games in one afternoon from the strong Union team, leaders of the Eastern Oregon league. Maybe those Enterprise boys can't play ball some? We guess YES.

And they were decisive victories. Nothing uncertain about those scores, 9 to 1 and 7 to 3. And the playing was in proportion to the tallies, or a little more so, for if anything luck broke Union's way. Enterprise won cleanly as well as decisively, out-batting, out-fielding and out-pitching their opponents.

Never for a moment was the first game in doubt. Bilyeu held the Union sluggers in the hollow of his hand, and he pitched a masterly game from every angle. He had perfect control, allowed but three miserly hits, struck out five and out-guessed the batters in a way that made them laugh at their own efforts. He eased up after the sixth inning, with the game safe, but still the Union batters could not solve his delivery. Only 30 batters, three more than the least possible number, faced him in the game.

For seven out of the nine innings it was one, two, three out for Union. Not a man reached first until the fourth when G. Clark smashed a hit to left and reached second on Savage's poor throw, the only error made by Enterprise in the game. Clark died on second, for Billy Bauer made a fine catch of Skiff's high fly. In the next inning with two down, Davis made a hit and scored on Nodine's two bagger. That was the end of the scoring or even seeing first base for Union, brilliant fielding by Pace, Hug, French, R. Pidcock and Savage aiding Bilyeu's grand pitching until the end.

All of Enterprise's runs were made in one inning also, but they threatened in almost every time at bat, good fielding and hard luck alone holding them down. Hug reached first on a hit the first time up but was left. R. Pidcock knocked a daisy cutter in the third but succeeding batsmen failed to advance him. In the fifth Conaway and Savage made base-hits in succession, but the former was forced off second

by foolish baserunning and was caught at third. In the sixth came the balloon ascension. McMillan gave four bases on balls and was found for four smashing hits, one a three-bagger. His teammates assisted in the aerial

EXPENSE BILLS OF CIRCUIT COURT PAID

W. T. KNAPP ROAD ALLOWED IF PETITIONERS PAY DAMAGES TO LANDOWNERS.

Official Proceedings of County Court

Adjourned Session, May 24, 1909. In the matter of the T. M. Gilmore road:

Ordered that said road be allowed and opened for public travel according to survey thereof.

In the matter of the Petition of W. T. Knapp and others praying for the location of a county road.

Now on this 24th day of May, 1909. This matter comes regularly on to be heard upon the second reading of the viewers report, and also upon the remonstrance against the said petition, filed herein by C. R. Elliott and others, as well as upon the affidavits and request that names be stricken from the petition and remonstrance duly filed herein, and the court having duly considered the matter of striking names from the petition as well as from the remonstrance and the affidavits filed in support thereof by the respective petitioners and remonstrators, and the court being fully advised in the matter find that upon the petition praying for the location of said road there remains eighteen freeholders residing in the said road district who are qualified petitioners for said road, and that upon the said remonstrance there remains fifteen qualified remonstrators, who are freeholders residing in said road district, and that therefore the said remonstrance is insufficient to deprive the court of jurisdiction in the matter of allowing said petition.

It further appearing from the reading of said viewers' report that said report is favorable to the establishment of said road and its establishment recommended by said board of viewers, and is as follows, to-wit: To the Honorable County Court: We the undersigned board of county road viewers, appointed by the honorable court, to view, survey and lay out a county road as prayed for in the petition of W. T. Knapp and others, beg leave to report:

That pursuant to said order we met at the beginning of the proposed road on the 9th day of April, 1909, the same being the time and place fixed by said order for the meeting of the undersigned board of county road viewers and took to our assistance N. W. Owabey and S. P. Miller as chain bearers and A. G. Rambo as marker, and proceeded to view, survey and lay out said road as prayed for in said petition, as near as in our opinion a good road can be made at a reasonable expense, taking into consideration the utility, convenience and inconvenience and expense which will result to individuals as well as the public, if such road shall be established and opened.

The said road was surveyed under our directions, and the same was conspicuously marked throughout, the corners and distances thereon noted, and all trees on the line of said road were marked on each of the sides thereof corresponding with the direction of said road, with three notches cut through the bark and one inch into the wood, and all trees adjacent to the said line of said road were plainly blazed on the side facing said road. The beginning and termination of said road and the termination of each mile and intermediate points have been marked in the manner provided by law, as will more fully appear by the certified return of the survey of said road, which is herewith attached and made a part of this report.

That in our opinion the said proposed road should be established for the following reasons: It is greatly needed by the settlers in the vicinity of the proposed road and by the traveling public. We consider the SW 1/4 of NW 1/4 Sec. 19 Twp. 1 N. R. 44 E. W. M. belonging to C. R. Elliott will be rendered less valuable to the amount of \$225.

We consider the S. E. 1/4 N. E. 1/4 Sec. 24 Twp. 1 N. R. 43 E. W. M. belonging to E. W. Southwick will be rendered less valuable to the amount of \$50.00. Dated this 16th day of April, 1909. H. E. Merryman, county surveyor.

Joner Trump H. C. Cramer board of county road viewers.

And the Court being satisfied from the report of the viewers and other evidence before the Court that said road will be of public utility and that it is greatly needed by the travelling public the said report is hereby approved and allowed; and it further appearing to the court that the board of viewers have assessed damages by reason of the location of said road, as follows, to-wit: In favor of C. R. Elliott as dam-

WEDDING BELLS.

Hanson-Bowby.

On Swamp Creek, at the home of the bride's parents Mr. and Mrs. E. R. Bowby, May 26, 1909, at "High noon" in the presence of relatives only (Relatives from a distance were Mrs. Bowby's parents from the central part of Missouri, Mr. and Mrs. J. H. Quinn) Mary C. Bowby and James W. Hanson were united in the holy bonds of matrimony, Rev. W. P. Samms officiating.

The bride was a creature of loveliness in her dress of silk and lace. Her cheerful disposition has endeared her to the hearts of many. The groom a well known and prosperous farmer and stockgrower may justly be envied by his less fortunate bachelor friends.

The dinner in every sense a "Wedding dinner" was served from family heirlooms of silver and china. If the delicately cooked food is a sample of what the bride can do, the "Hanson Bros. Bachelor Quarters" will be a phrase of the past.

May health, wealth and happiness be theirs is the wish of their many friends.

Foley's Honey and Tar is especially recommended for chronic throat and lung troubles and many sufferers from bronchitis, asthma and consumption have found comfort and relief, by using Foley's Honey and Tar. Burnaugh & Mayfield.

ENTERPRISE WINS SECOND GAME TOO

LOCAL SLUGGERS COP ANOTHER AND KEEP THEIR HAIR ON STRAIGHT.

The second game was limited to seven innings by agreement. Cline, in the box for Union, escaped luckily, and was hit harder than the score shows but was saved by brilliant support by his infield. Conaway's delivery was deceptive and in bat one inning did Union get any hits. There were many errors made nearly all excusable as a cold, cutting wind blew a gale across the grounds and part of the time a drizzling rain fell. Bilyeu started the fireworks in the second with a home run hit over right field fence, thereby earning a gold ring offered by Jackson & Weaver for the first hit over that fence. W. Pidcock and Savage also made runs in that inning on a combination of hits and errors. Another was added in the third by Bauer's base on balls, steal of second, Cline's wild pitch and Bilyeu's single. R. Pidcock scored in the fourth on his single, and wild throws by Cline and Nodine. W. Pidcock and Savage put two more to Enterprise's credit in the fifth, the former getting on by virtue of B. Clark's wild throw and Savage by his own hit, both coming home on Hug's long two-bagger.

Union tallied thrice in the fourth on a hit by Skiff, a fumble and a wild throw and a hit by Davis. That was all for Union. The score:
