

Just to Remind You

WHEN MONEY is scarce general stagnation sets in with its resultant disasters to every line of business, to every profession, and every wage-earner. It is therefore to your interest to help to make money plentiful in Oregon by simply keeping it here. The sworn statements of life insurance companies on file with State Insurance Commissioner S. A. Kozer, Salem, Oregon, show that

10,023,334.00

was sent out of OREGON for life insurance premiums in the past five years.

3,152,915.00

is the total returned here to pay death losses and dividends in the same five years.

\$6,870,419.00

is the net amount drained out of Oregon in 5 years for life insurance premiums sent to enrich Wisconsin, New York and other states by making THEIR home companies the custodians of these trust funds from Oregon. Does anyone doubt that the commercial supremacy of New York is due to the centralization of the insurance assets in that market, more than to any other one factor? More money is handled by the insurance companies than all the transportation companies in the country, and it is the centralization of these immense accumulations in one locality that makes that locality the seat of the financial empire.

It is the personal interest of every citizen of Oregon to use his influence that Life insurance be bought of Oregon life and the money kept in Oregon for Oregon's development.

Home Office: Corbett Bldg. Corner 5th and Morrison Sts., Portland, Ore.

COVE WILL PLAY TWO GAMES IN ENTERPRISE

Cove will play two games with Enterprise next week, on Thursday and Friday, June 17 and 18, and will play Wallowa on June 16. Cove is considered stronger than the Union team and is tied with the latter for he lead in the league race.
Enterprise will play at Wallowa next Sunday, and it is hoped to make arrangements to have the train make the trip. It will be run if 100 tickets can be sold at 75 cents each.
Wallowa Loses To Joseph.
Joseph won from the Wallowa team in the game at Joseph Sunday afternoon by the score of 8 to 6. The game was characterized by free hitting and loose fielding. Halgarth or Joseph pitched good ball and did some heavy slugging besides. That fine pitcher, Jimmie Hayes, evidently had an off day. Three coaches of Wallowa rooters went up on the excursion train and a large crowd of Enterprise fans boarded the train here.
Batteries: Wallowa, Hayes and Maxwell; Joseph, Halgarth and Fogleman. Umpire, Blyeu.
