PIANOS

BY THE

Eilers Piano House

of Portland direct

In order to place ourselves immediately before the people of Enterprise and Wallowa we have decided to come with a whole **Carload of Pianos** which we will have on sale for the next two weeks at unheard of low prices. Among them are pianos of the very finest quality and direct from the factories—pianos that have never been used. We have so many of these and of varying styles that it would be impossible to give prices on them all, but we will just say that **Pianos that any other firm would charge \$500.00 for we are selling NOW for \$350.00. Pianos that other dealers sell for \$400.00 can be had for \$250.** In other words you will save during this sale at least from \$100 to \$150. And you do not have to pay all cash. Any dependable man or woman can pay a small deposit down and the balance can be arranged to your entire satisfaction.

The conduct of the sale is in charge of Mr. W. C. Motley, who is very favorably known to the musicians of this county, assisted by Mr. C. J. Grimm, who is also direct from the head office at Portland.

We also have a number of slightly used instruments, that practically **you can have on your own price and terms.** Come in whether you need a piano or not and see what it means to deal direct with **THE GREATEST PIANO HOUSE ON THE PACIFIC COAST.** Right now is the time to buy if you ever in your life intend to buy a Piano.

We are located in the Samms building, $\frac{1}{2}$ block south of the Bank
