TO  
Wallowa County Chieftain

THURSDAY, AUGUST 12, 1909.

### ADDITIONAL LOCAL.

Mrs. Ida Avery and Miss Nellie Wagner went out to La Grande, Tuesday, for a few days visit.

John Boyd of Portland, Ind., returned to Enterprise last week after a trip back home. He came by way of Montana, Idaho and Washington and saw lots of good country, but says Wallowa county doesn't take a back seat for any of it.

Whirlwind Tablets cure rheumatism in this climate. They have relieved hundreds and cured scores of cases in Union and Wallowa counties, positive proof, names, etc., furnished on application. For sale by Jackson & Weaver, Enterprise. 20bt

Mrs. Henry Fletcher of Locust lawn fruit farm on the Grande Ronde river below Powwotka, was in town over Monday night. She brought out a shipment of nice blackberries. Mrs. Fletcher says there will be no peaches but she will have plenty of melons.

Don't fail to hear the "Band Concert" given by Burk's Big Uncle Tom's Cabin Co. They feature a number of soloists and will certainly render a musical treat on the principal streets of our city during the day of their exhibition here at Enterprise, August 17.

Mr. and Mrs. Bert Oliver of Sumnerville arrived Friday for a visit of a week or so with his sister, Mrs. Edgar Marvin, and family. Mr. and Mrs. Oliver have entirely recovered from the burns received while trying to save their children in the awful fire that burned their home six weeks ago.

Wm. Miller of La Grande, brother and business partner of A. C. Miller of this city, went to Portland Sunday and was there married to Miss Alice McKinley, formerly of the La Grande high school faculty. Following the wedding Mr. and Mrs. Miller left for Alaska to spend several weeks. They will return to La Grande about September 1.

Mrs. Daniel Boyd and children, Robert, Margaret and James, left Tuesday for a visit with her people in Pittsburgh, Pa. Mr. Boyd accompanied her as far as La Grande and at Salt Lake she will meet his sister, Mrs. Katherine Sexton of Penville, Ind., who since leaving here has been visiting another brother at Twin Falls, Ida. Mrs. Boyd and Mrs. Sexton will journey east together.

## Star Actress In Splendid Drama

Ethel Tucker Seen At Her Best—  
Strong Support By Company.

Two big audiences greeted the Ethel Tucker stock company Friday and Saturday nights and saw two great performances, utterly unlike yet equally attractive in its way. In Queena, Miss Tucker is seen at her best and her acting together with the superb support of the company kept the audience keyed to the highest pitch, Friday night. The following evening, what many say was the best vaudeville performance ever given in Enterprise pleased—more than pleased—a whole household of people.

On their return to Enterprise, Friday night the Ethel Tucker Stock company will make a very ambitious effort when they produce a play that has been one of the dramatic sensations of the past two years, "Paid in Full." This is a wonderful study of one phase of metropolitan life wherein the mad whirl called living, honor, love, business integrity,

woman's purity, all are sometimes sacrificed.

In Paid in Full, all are saved by woman's purity. This is a play that all should see; it is one you will never forget. Every member of the company is enthusiastic over the play and that always means good work.

It has been decided by the management of the company in conjunction with the management of the house to compliment its patrons in attendance at its performance on Friday and Saturday evenings next, August 13 and 14. To this end a purchase has been made from M. Larsen of a strictly first class gold watch, which is now on exhibition in the window of Burnaugh & Mayfield. With every reserved seat ticket purchased to either Friday or Saturday's performance, a number will be given and on Saturday evening a drawing will be made, the lucky number winning the gold watch.

On Saturday night will be present-

ed the beautiful story of Virginia, "Roanoke."
