## WALLOWA PORKERS TOP THE MARKET

**HEAVY ARRIVALS BULL PRICE—HOTCHKISS SELLS 400 HEAD AT \$8 PER CWT.**

Wallowa county hogs bring the top of the market at Portland, Monday's shippers at the Union stock yards in that city included George Chandler of Lostine one car of hogs, John McDonald of Wallowa, two cars of cattle, and R. L. Day of Enterprise four cars of cattle and one of hogs, and the Portland papers market reports say the Wallowa county porkers topped the market, \$8.05 cents, or 5 cents a hundred better than the prevailing top quotation for two weeks.

Monday's Telegram had the following account of another Enterprise shipper:

"Among the stockmen of this state who believe there is money in the production of hogs for the Portland market is I. S. Hotchkiss, of Enterprise, who was in the city Saturday with a bunch of 400 head of hogs that averaged 215 pounds in weight and sold readily at the top quotation, \$8 a hundred. Mr. Hotchkiss was pleased with the result of his marketing operation here and there is little doubt that he will continue to patronize this market. He believes that Wallowa county is destined to be a great hog-producing section, and he contends that the growers of that part of the state, and other sections as well, ought to raise more green feed for conversion into ensilage for hog feed. He says the coming year will witness decided development in the livestock industry in his part of the state."

## ENTERPRISE WINS FOOT BALL GAMES

**CITY TEAM DEFEATS JOSEPH 3 TO 0—COUNTY HIGH WINS FROM WALLOWA.**

Enterprise defeated Joseph Saturday in one of the hardest fought and most hotly contested games of football ever seen on the home grounds.

Enterprise won the toss and received the kick-off, defending the south goal. Lockwood ran the ball back ten yards, and on the first down Conaway and Face promptly worked the forward pass for fifty yards. Forsythe was sent around the end for fifteen yards, but an Enterprise player was off side and the home team suffered a penalty of fifteen yards. Lockwood made 7 yards around end and Blyeu was sent through tackle for ten yards before he was downed by the entire Joseph back field. The next play failed to gain yardage and Pace dropped back for a punt which was cleverly blocked by Martin. This gave Joseph the ball. Two line plays were unsuccessful and Berland punted twenty yards to Bauer. Another forward pass from Conaway to Fleener netted Enterprise twenty-five yards and after two unsuccessful line bucks Pace tried a drop-kick but failed. Joseph took the ball on their 25 yard line and on some fierce line plunging by Martin and Berland, together with a forward pass, worked the ball to the center of the field, where the first half ended with no score. In the second half Pace kicked off for Enterprise.

Boner returning the kick 15 yards; Joseph worked the ball to their own 50 yard line where they were forced to punt, and on the play were penalized 25 yards for holding. Here McCully punted to the center of the field. Fleener ran the ball in ten yards; the forward pass netted 20 more; Will Bauer was sent through right guard for four yards; Lockwood made two more through left tackle and here Pace was again sent back for a drop kick. Every man in the line held like a stone wall. Crumpacker made a beautiful pass and Pace's trusty right foot booted the pigskin squarely between the goal posts for the only score of the game. After this Enterprise took no chances and usually punted on the first down, keeping the ball in Joseph territory all the rest of the game. Near the end of the game Joseph worked a very neat fake play when Martin was sent into the line with a head-gear under his arm, which looked so much like the ball that all the men in the Enterprise line were upon him before they discovered that McCully was circling their right end with the ball. Eas Weaver was the first man to get wise to the play and he showed the big crowd that he could sprint some himself, by running down the Joseph quarterback. The game ended with the ball near the center of the field.

The Enterprise team was weakened by the loss of Burnaugh and Homan, both being kept out of the game by injuries. This made it necessary to take Pace out of backfield and put him at guard. Putman took Burnaugh's place at center and made a good showing. Punting honors were about even between Fleener of Enterprise and McCully of Joseph. The Enterprise line played good ball while Bauer at full and Lockwood and Forsythe at halves proved a tower of strength, both in advancing the ball and on defense. Conaway's throwing of forward passes excelled anything seen in that department of the game.

For Joseph, Martin, Berland and McCully played the best ball, although the first named seemed to think the game was too tame and had a chip on his shoulder all during the game.

Dr. Irwin of Joseph, and Sheets of Enterprise, were the officials and gave entire satisfaction to both sides.

The two teams were evenly matched in weight, Joseph making up in the backfield what they lacked in the line.

The line-up was as follows:  
ENTERPRISE JOSEPH  
Putman c Barton  
Crumpacker e Hewett  
Pace lgr Hays  
Crumpacker rgi Sheets  
Weaver rhl Hodgkin  
Blyeu ltr  
Conaway (c) rtl

Shirk ler Boner  
Makin rel Cummings  
Fleener qb McCully  
Lockwood lhr Wilson  
Forsythe rhl Martin  
Bauer fb Berland (c)

Last Saturday the football team of the Wallowa County High School played their fourth game of the season at Wallowa, which resulted in a victory for the county team over the team of the Wallowa city schools by a score of 11 to 0.

The teams were evenly matched in weight and age; but the superior coaching of the county team was in evidence and demonstrated that Prof. Shirk's ability as a coach ranks high.

The first touchdown was secured upon a forward pass, which Dick McDams placed behind the goal posts after a sprint of twenty-five yards; the next was the result of a well executed "fake" play in which Asa Craig secured the attention of the opposing line, while Jake Bauer carried the coveted pigskin across the line, and then kicked goal.

The Wallowa bunch are a husky lot of players, and a set of real gentlemen, as was evinced by their lead, manly conduct, both upon the field and in their capacity of host. The W. C. H. S. boys may feel proud of their record which stands: Two games won; one tie and but one defeat.

**Treat Sunday School Choir.**  
Mrs. O. M. Corkins planned a surprise for the members of the Christian Sunday school choir last Thursday evening. Shackelford and Neal Baker with a comfortable, roomy hack and taken for a drive on Alder Slope and about town. Mrs. Corkins had arranged the trip as a reward for the choir's faithful work in the Sunday school, but the Baker Bros., the new proprietors of the Shackelford barn, insisted on making it a free ride, which was much appreciated by all concerned.
