WILL MAKE OREGON KNOWN TO MILLIONS

PUBLICITY CAMPAIGN BY PORTLAND COMMERCIAL CLUB OPENS IN JANUARY.

Portland, Dec. 20—An advertising campaign that will reach no less than 27,428,750 readers of newspapers throughout the country has been planned by the Portland Commercial club and will be opened up in January and run for three months. The advertising will call attention to vacant lands of this state and the chances here for the newcomer. There is no question that this advertising will result in bringing many people to Oregon, and the whole state, not any one section, will be benefited. The keynote of the advertising will be "Oregon is the place for you; 1910 the time; railroad development the reason."

The State Railroad commission in its third annual report just issued shows 35 miles of the Deschutes railroad has been graded and that it is expected to have 90 miles of the new line in operation by next July. James J. Hill, who was in Portland during the past week, gives assurance that the Oregon Trunk will be in operation by next fall so that

the coming year will see two railway lines into the interior of the state.

This big advertising campaign will result in tens of thousands of inquirers, whose names will be sent to all the commercial clubs in the state. What has the local club to send that tells of the best region in Oregon and its opportunities for settlers and investors?

PASSING BAD CHECKS.

A. F. Lee, the Georgia lawyer who resided in Joseph several months, is in trouble over checks he has cashed but which proved to be worthless. He was arrested at Shaniko last Thursday and brought to The Dalles, charged with obtaining money under false pretenses. The arrest was at the instance of Sheriff Childers of Union county, who accused Lee with passing a \$40 check in La Grande that proved worthless. A dispatch from The Dalles says Lee admitted the charge but settled the matter by making good the check and paying costs.

The Dalles dispatch says word had been received from Grass Valley that Lee was wanted there for passing worthless checks in payment of board bills.
