1910 TO BE RECORD YEAR IN RAILROAD BUILDING

An army of men is at work building railroads up the Deschutes river to the interior of the state. The winter season is not stopping the work and during the coming year trains will be run into Central Oregon, making a wide agricultural region accessible to farmers. New railroads, too, are entering the coast country, while in the southern end of the state, railroad builders are pushing north from Klamath Falls to Natron on the new Southern Pacific line. Electric projects are active in the Willamette Valley. On the whole it looks like the coming year will be a record one on railroad building for Oregon.

THE RIDE TO CANDY TOWN

BY ROBERT DONNELL

COPYRIGHT, 1909, BY AMERICAN PRESS ASSOCIATION

When Charley rode to Candy Town
Astride a Teddy bear,
He looked in wonder up and down
With many a hungry stare,
For all the streets were named for sweets,
And, oh, so many there!

They entered town by Gumdrop road,
Where all the candy shops
Were stuffed as full as any toad
With most delicious drops.
As Charley glanced he almost danced,
While Teddy licked his chops.

They turned a corner, when,
In view,
Before their very eyes,
Came Chocolate Bonbon
avenue,
Which filled them with
surprise,

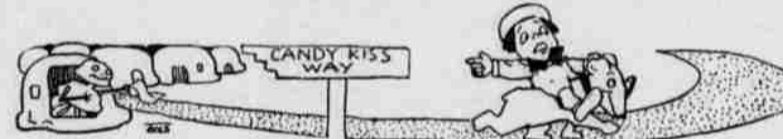

For every shop was a chocolate drop
Of most amazing size.

But on they went with even jog,
Since shops are not to eat,
And soon they passed, with
eyes agog,
Through Peanut Brittle street,
And every brick was a peanut
stick
And doubtless very sweet!

But Teddy trotted right ahead
Through Candy Kisses way,
Though Charley pulled his ears and said:
"Hold on a minute—stay!

Lemme get down an' eat this town.
I'll finish up today!"

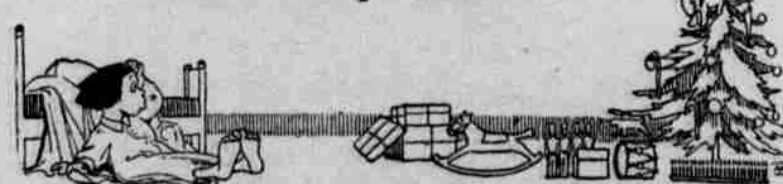

That Teddy bear plugged straight along
Until he chanced to see,
Surrounded by a merry throng,
A great big Christmas tree.
"Now I can climb and have
a time,"
Says Ted. "Hooray for me!"

As Teddy started climbing up
His passenger slid down
And struck the bedroom floor kerplup,
And in his nightie gown!
Now, wasn't that a sorry bat
To get in Candy Town?

But, after all, the town was there.
When Charley oped his eyes,
High up the tree was Teddy
bear,
Of real riding size,
And candy sweets from all the streets—
A Christmas paradise!

ORDINANCE.

An Ordinance to establish boundary lines within which concrete sidewalks shall be built or constructed within the City of Enterprise, Oregon, and to regulate the construction, remodeling, alteration or repair of all sidewalks within such lines, in said city, and to punish violations thereof.

The City of Enterprise does ordain as follows:

Section 1. From and after the passage, approval and publication of this ordinance, no person, persons or corporation, shall be permitted to build or construct any sidewalk, or remodel or alter any sidewalk now built or constructed, within any portion of the following described streets in said city of Enterprise, to-wit: On Main street from East First street to West Second street; On West First street from Main street to Greenwood street; On River street from Main street to the Mill Flume of the E. M. & M. Company; On Greenwood street from West First street to East First street; On East First street from Main street to Greenwood street, without building or constructing the same with concrete.

Section 2. Each and every sidewalk built or constructed, remodeled or altered or repaired, within any portion of the streets described in Section 1 of this Ordinance, shall be at least twelve feet in width, and shall be built or constructed of concrete, and said sidewalk shall be laid so that one side thereof shall adjoin the front property line of the owner or owners owning property alongside of each and every street mentioned in said Section 1 of this Ordinance, and the other side of said sidewalk shall extend outward and towards the center of the street a distance of twelve feet from such owners' property line, at which point a curb shall be built or constructed of concrete 16 inches in depth and which sidewalk and curb shall be built and constructed to conform to the grade to be established by the City Engineer of said City of Enterprise.

Section 3. The expense of building and constructing said concrete sidewalk and curbs, shall be paid by the owner or owners of the property alongside of the streets mentioned in said Section 1, of this Ordinance, but said sidewalks and curbs shall not be built or constructed until after the grade of said streets shall have been established by said City Engineer of said City, and the construction, building, remodeling and alteration of all of said sidewalks and curbs, shall be under the control and supervision of said City Engineer of said City of Enterprise.

Section 4. It shall be the duty of the City Recorder of said City of Enterprise, when so ordered by the City Council of said City of Enterprise, to give notice, in writing, to each and every person, or corporation owning property alongside of the several streets mentioned in said Section 1 of this Ordinance, to build or construct, remodel, alter or repair, that portion of the sidewalk which extends in front of his, their or its property.

Section 5. It shall be unlawful for any person, persons or corporation to build or construct, remodel, alter or repair any sidewalk within any of

the streets mentioned in said Section 1 of this Ordinance, without building or constructing the same with concrete, and without building and constructing the same under the supervision of the City Engineer of said City of Enterprise.

Section 6. Any person or corporation violating any of the provisions of this Ordinance shall upon conviction thereof, be fined in a sum not less than ten dollars nor more than fifty dollars, or be imprisoned in the city jail for a period of not less than five days nor more than twenty days.

Section 7. This Ordinance shall take effect and be in force from and after its approval by the Mayor and publication according to law.

Passed by the City Council, December 20, 1909.

Approved, December 20, 1909.

BYRAM MAYFIELD,

Mayor the City of Enterprise, Oregon.

Attest: W. E. TAGGART, City Recorder.
