Chamberlain's Cough Remedy never disappoints those who use it for obstinate coughs, colds and irritations of the throat and lungs. It stands unrivalled as a remedy for all throat and lung diseases. Sold by all dealers.

One Explanation.

Blobs—At the next station we stop ten minutes for refreshments.

Slobbs—I wonder why the trains stop only ten minutes at railroad eating houses.

Blobs—Probably for humane reasons.—Philadelphia Record.

Chamberlain's Cough Remedy is a very valuable medicine for throat and lung troubles, quickly relieves and cures painful breathing and a dangerously sounding cough which indicates congested lungs. Sold by all dealers.

Dante's Fierce Retort.

The secret of Dante's struggle through life was in the reckless sarcasm of his answer to the Prince of Verona, who asked him how he could account for the fact that in the household of princes the court fool was in greater favor than the philosopher. "Similarity of mind," said the fierce genius, "is all the world over the source of friendship."

Have you a weak throat? If so, you cannot be too careful. You cannot begin treatment too early. Each cold makes you more liable to another and the last is always the hardest to cure. If you will take Chamberlain's Cough Remedy at the outset you will be saved much trouble. Sold by all dealers.

A Conundrum.

Why is a silly song like a false argument? Because it is an absurdity.—London Fun.

Chamberlain's Cough Remedy is no a common every day cough mixture. It is a meritorious remedy for all the troublesome and dangerous complications resulting from cold in the head, throat, chest or lungs. Sold by all dealers.

Modus Vivendi.

The term modus vivendi is a mutual arrangement whereby persons not at the time being on friendly terms can be induced to live together in harmony. The term may be applied to individuals, to societies or to peoples. It signifies a mode of living.

The busiest and mightiest little thing that ever was made is Chamberlain's Stomach and Liver Tablets. They do the work whenever you require their aid. These tablets change weakness into strength, listlessness into energy, gloominess into joyousness. Their action is so gentle one don't realize they have taken a purgative. Sold by all dealers.

Simple Remedy For LaGrippe

LaGrippe coughs are dangerous, as they frequently develop into pneumonia. Foley's Honey and Tar not only stops the cough, but heats and strengthens the lungs so that no serious results need be feared. The genuine Foley's Honey and Tar contains no harmful drugs and is in a yellow package Burnaugh & Mayfield.

A Startling Greeting.

In Morocco foreigners are saluted by the Moors on the highway in a manner which may well startle those unaccustomed to it. The Moor rises unaccompanied to the stranger as if to run him down. He then suddenly stops and discharges his pistol over his head.

A Frightful Wreck

of train, automobile or buggy, may cause cuts, bruises, abrasions, sprains or wounds that demand Bucklen's Arnica Salve—earth's greatest healer. Quick relief and prompt cure results. For burns, boils, sores of all kinds, eczema, chapped hands and lips, sore eyes or corns, it's the supreme, surest eye cure. 25c at all druggists.

Sea Anemones.

Sea anemones can live three or four years without any nourishment except what they extract from the water.

Rev. I. W. Williams Testifies.

Rev. I. W. Williams, Huntington, W. Va., writes us as follows: "This is to certify that I used Foley's Kidney Remedy for nervous exhaustion and kidney trouble, and am free to say that Foley's Kidney Remedy will do all that you claim for it." Burnaugh & Mayfield.

Sure Sign.

Little Ethel—Your sister is engaged, isn't she?
Playmate—Who says so?
Little Ethel—Nobody.
Playmate—Then how do you know?
Little Ethel—When the postman rings she goes to the door herself.

It is a dangerous thing to take a cold medicine containing opiates that merely stifle your cough instead of curing it. Foley's Honey and Tar loosens and cures the cough and expels the poisonous germs, thus preventing pneumonia and consumption. Refuse substitutes and take only the genuine Foley's Honey and Tar in the yellow package. Burnaugh & Mayfield.

Siberia.

Siberia comprises 5,400,000 square miles, divided into the following regions: Western Siberia, comprising the governments of Tobolsk and Tomsk and the territories of Semipalatinsk, Akmolinsk and Semirechshensk; eastern Siberia, the governments of Irkutsk and Yeniseisk and the territories of Transbaikalia, Amur, Yakutsk, the littoral and one-half of the island of Sakhalin.

Those Pies of Boyhood.

How delicious were the pies of boyhood. No pies now ever taste so good. What's changed? The pies? No, it's you. You've lost the strong, healthy stomach, the vigorous liver, the active kidneys, the regular bowels of boyhood. Your digestion is poor and you blame the food. What's

Panama is a Caribbean word, meaning "mudfish," an allusion to the abundance of this variety at the isthmus.

For indigestion and all stomach troubles take Foley's Orino Laxative. It is the natural remedy for indigestion, dyspepsia, heartburn, bad breath, sick headache, torpid liver, biliousness and habitual constipation. Foley's Orino Laxative sweetens the stomach and breath, and tones up the entire alimentary system. Burnaugh & Mayfield.

Germans In Chile.
In Chile there are regions where there are so many Germans that the native servants learn their language.

Foley's Kidney Remedy will cure any case of kidney and bladder trouble that is not beyond the reach of medicine. It invigorates the entire system and strengthens the kidneys so they eliminate the impurities from the blood. Backache, rheumatism, kidney and bladder troubles are all cured by this great medicine. Commence taking at once and avoid Bright's Disease and Diabetes.

The Spider.
It is very rarely that two spiders really fight. If by chance two are placed in one web the weaker or more cowardly instantly retreats or is captured and waded up by the stronger. Spiders are unflinching cannibals. They will breakfast off their brothers and dine off their sisters without any compunction, and, as regards what they eat, they seem to have no particular preference either for flies, gnats, moths, earwigs, daddy longlegs, bees, wasps or other small fry, all being eaten with the same eagerness.
