A Carlyle Retort.
An empty headed duke once said to Thomas Carlyle at a dinner:
"The British people, sir, can afford to laugh at theories."
Carlyle, scowling, replied:
"The French nobility of a hundred years ago thought that they could afford to laugh at theorists too. But a man came and wrote a book called 'The Social Contract.' This man was Jean Jacques Rousseau, and his book was a theory and nothing but a theory. The nobles could laugh at his theory, but their skins went to bind the second edition of the book."

No Appetite

"I took Hood's Sarsaparilla when I was a very sick woman, had no appetite whatever, and could not sleep more than three hours a night. I was persuaded by a friend to try it, took two bottles of it, and it greatly benefited me, gave me a good appetite and sound sleep." Mrs. John Edens, 2220 W 3rd St., Davenport, Iowa.

Hood's Sarsaparilla restores the appetite and makes sleep sound and refreshing by building up the whole system. It purifies the blood, strengthens the nerves, aids and perfects digestion. Take it this spring.

How Would You Appreciate \$1518 in One Year on an Investment of \$325?

If it is possible to frame up an absolutely safe, sane and conservative investment, and at the same time give the investor big returns on his money, we have found it—read the following and judge for yourself.

No chance to lose, and you cannot help making a big profit. Here is our story:

Last week a client of ours read our advertisement for lands for colonization purposes. He thought he had what we wanted and came to see us. He brought with him a description of 6036 acres. It reads as follows:

Situated in a level valley, 40 miles wide and 90 miles long, completely fenced, 640 acres under plow, 8500 in hay and 1896 acres virgin soil, completely equipped for irrigation, all main ditches completed and lateral ditches sufficient to irrigate every acre except the virgin land, and water can be put on every 40 of the virgin land for a cost not exceeding \$25 each 40. The owner has a perpetual and exclusive water right; sufficient supply of water to irrigate the entire 6036 acres, and a surplus sufficient to supply another tract equally as large.

The property is ready for subdivision.

The proposition looked so good to us that we took a 30 days option at \$50 per acre, including water rights.

OUR PROPOSITION.

We propose to form a syndicate to buy this land, and immediately thereafter to put it on the market.

| | |
|--|-----------|
| 6036 acres at \$50 per acre | \$301,800 |
| Subdivided into 20 and 40-acre tracts at \$100 per acre..... | \$603,600 |
| Gross profit of..... | \$301,800 |
| Cost in commissions, etc., to market this land, not less than..... | \$150,000 |
| Making net profit of..... | \$151,800 |

This land can be purchased on the following terms:

| | |
|---------------------|-----------|
| March 16, 1910..... | \$ 32,500 |
| June 10, 1910..... | 29,300 |
| Sept. 10, 1910..... | 20,000 |
| March 16, 1911..... | 30,000 |
| March 16, 1912..... | 30,000 |
| March 16, 1913..... | 30,000 |
| March 16, 1914..... | 30,000 |
| March 16, 1915..... | 30,000 |
| March 16, 1916..... | 30,000 |
| March 16, 1917..... | 30,000 |
| March 16, 1918..... | 10,000 |
| Total..... | \$301,800 |

IT IS NOW PROPOSED

To organize a Purchasing Syndicate with capital stock of \$301,800. This capital stock to be represented by 100 units of the par value of \$3,018; that the Union Bank & Trust Co. shall have the management of the syndicate, cause the title of the property to be placed in the name of the Union Bank & Trust Company as trustee, and at once take the necessary steps to subdivide the land into tracts of 40 acres each; to sell the 40-acre tracts at \$4,000 each, payable \$500 down, \$800 in one year, \$500 in two years, \$800 in three years, and \$800 in four years.

Subscriptions to Purchasing Syndicate.

Will be received for syndicate units on basis of \$3,018, payable as follows:

| | |
|------------------------|---------|
| With subscription..... | \$ 325 |
| June 10, 1910..... | 293 |
| Sept. 10, 1910..... | 200 |
| March 16, 1911..... | 300 |
| March 16, 1912..... | 300 |
| March 16, 1913..... | 300 |
| March 16, 1914..... | 300 |
| March 16, 1915..... | 300 |
| March 16, 1916..... | 300 |
| March 16, 1917..... | 300 |
| March 16, 1918..... | 100 |
| Total..... | \$3,018 |

We have no hesitancy in saying that unit holders will not be called upon to make any additional payments after the first one.

Our inquiries from the East after this class of land are such that we believe we can sell every acre of it during the year 1910; and, inasmuch as the proceeds from the sale of land will be applied on deferred payments due present owners, there is very little probability that the unit holders will ever be called on for anything but the \$325. Send in your subscriptions.

If you want to know what the Union Bank & Trust Company is doing in its Real Estate and Colonization Department, come and see us and we will show you.

Respectfully submitted,

UNION BANK & TRUST CO.
