

BIDS FOR WOOD WANTED.
The County Court of Wallowa county will receive sealed bids to supply the county with 50 cords of four-foot wood to be delivered at the new court house in Enterprise, and 75 ricks of sixteen-inch wood to be delivered and ricked in the basement of the county high school building in Enterprise; all the wood to be cut from green timber and seasoned, and delivered by November 1, 1910. Bids will be received in the office of the county clerk at 2 p. m. of that day.

By order of the County Court,
28c3 W. C. BOATMAN,
County Clerk.

EARLY PLOWING BEGUN THIS WEEK

The first sod plowing to be done this spring in the vicinity of Enterprise was done Friday on the Roe & Calvin place, just west of Enterprise. Bert Reynolds put one team to work and will today or Monday start two or three more. Work could have begun several days ago. The land on which plowing was begun is on the hill above the river bottom and will be sowed to barley and alfalfa, in all nearly one hundred acres. It slopes gently to the south and catches the first rays of the sun in the morning and the last in the evening. It is planned to sooner or later cut this land up into smaller tracts for suburban homesites. A pumping plant will be installed this spring to supply water to all of this hill land, thus making it a very productive and desirable acreage for small farming. If the beginning of plowing at this early date means anything it means that the crops will be correspondingly early.

Fully nine out of every ten cases of rheumatism is simply rheumatism of the muscles due to cold or damp, or chronic rheumatism, neither of which require any internal treatment. All that is needed to afford relief is the free application of Chamberlain's Liniment. Give it a trial. You are certain to be pleased with the quick relief which it affords. Sold by all druggists.

EXCELLENT REPORT OF PUBLIC SCHOOL

PUPILS ON HONOR ROLL—PRINCIPAL MACK TELLS OF WORK OF SCHOOL.

Our total enrollment for the year is 282, and the number in attendance last month was 245.

As the closing months are largely devoted to review work, and as it is during this period that the years work is rounded out a day's absence at this time may be very costly to those who are behind with their work.

In the upper grades we note an improvement on the part of many in their class work.

The great mission of the public school is to prepare children for self-government. If this priceless acquisition is not acquired in school, it may never be possessed. With this end in view certain privileges, under proper restrictions, must be allowed. Individuality is lacking in many people much to their regret. In too many instances domineering parents and teachers are to blame. A child is no machine.

Parents are urged to visit the schools frequently. By this method you will know something about those things in which we feel you have a vital interest.

For excellent spelling the following are deserving of honorable mention: Nellie Poulson, Rosa Porter, Leola Ratcliff, Ora Hamblen, Mabel Wilson, Portia Steel, Anna Emmons, Chester Zumwalt, Verna Haney, Lela Pace, Roland Marvin, Clifford Smith.

Twenty of our pupils are on the subscription list of that excellent school paper, Current Events. While all children should be taught to read about important happenings of the day, it is hardly ever wisdom for them to cultivate a taste for this kind of reading by having indiscriminate access to the ordinary newspaper. Thus a paper that will serve as a proper guide for future daily reading should be in the hands of all older children.

The following named pupils rank one in their respective classes: Donald Gally, Opal Mitchell, Opal Rig-

don, Ora Hamblen, Nellie Poulson, Fern Weaver, Vary Mahaffey, Chester Zumwalt and Ivan Ratcliff.
C. G. MACK, Principal.

Chamberlain's Stomach and Liver Tablets invariably bring relief to women suffering from chronic constipation, headache, biliousness, dizziness, saltiness of the skin and dyspepsia. Sold by all druggists.

Commercial Club Membership Grows

Enthusiastic Meeting—Slogan, Enterprise Does Things—Program For Booster Social.

The Commercial club meeting at the court house Thursday night was attended by an enthusiastic crowd, who almost unanimously added their names to the club membership roll. "Enterprise Does Things" was the slogan adopted, and the Commercial club has gone to work to make it good.

Secretary Payne has had 1200 inquiries concerning Enterprise since February 15, and is answering them all. He hopes soon to be installed in his new office in the Litch building facing the court house, where he will have better facilities for carrying on his work. The club has gotten out slips containing "Thirty Facts About Enterprise," for general distribution and it is requested that every letter leaving Enterprise contain one of these little slips. They may be secured from Secretary Payne or at Burnaugh & Mayfield's drug store.

United States Land Notices

NOTICE FOR PUBLICATION.
Department of the Interior.

United States Land Office, La Grande, Oregon, February 2, 1910. Notice is hereby given, That the State of Oregon has this day filed in this office its application to select under the provisions of the Act of Congress of August 14, 1848, and the Acts supplementary and amendatory thereto, for the N. E. ¼ N. E. ¼ Sec. 15, N. E. ¼ N. W. ¼, N. W. ¼ N. W. ¼ and S. E. ¼ N. W. ¼, Sec. 14, Tp. 1 S. R. 45 E. W. M., Serial No. 07586.

Any and all persons claiming adversely the lands described or desiring to object because of the mineral character of the land, or for any other reason to the disposal of applicant, should file their affidavits of protest in this office at any time prior to the approval or certification of said selection by the Honorable Commissioner of the General Land Office.

FUTURE FORTUNES LIE IN ACREAGE

MONEY IN TIMBER, LOGGED OFF AND FRUIT LAND RATHER THAN CITY LOTS.

Seattle, March 11.—There is more money being invested today in timber, fruit lands and logged-off lands in Washington, Oregon, Idaho, and British Columbia than ever before in the history of the Northwest. One reason advanced for this by local capitalists is that such investments offer greater inducements in the way of fortune making than does investments in city property. There was a time when men with money for good speculations turned to such cities as Seattle, Tacoma, Spokane, Portland and other large cities of the Northwest, but now prices have reached that state where there is no longer any chance to speculate.

The man with the big fortune can continue to buy city realty, improve it and make money, but he with a small fortune, which it is hoped to double or triple, must look elsewhere than the cities if he wants to be successful. Shrewd business men with an eye to the future do not hesitate to say that the fortunes of the future will come from the timber, logged-off lands and fruit lands of the Northwest. During the past few weeks a number of rich Seattle men have invested heavily in Oregon and Idaho lands and they say they are more than pleased with their investments. It is the intention to cut up this land into small farms and sell them to settlers. A big rush is expected this spring, for the railroads have been extensively exploiting the country and are offering special inducements to settlers. Thousands of new people are expected to locate in the three states within the next year. Every state will get its share. The Hill roads declare that the next few months will witness a wonderful rush from the east and middle west to the Pacific Northwest. This information is based upon the heavy inquiry for rates made to eastern agents of the Northern Pacific and Great Northern.

Commercial bodies throughout the Northwest realizing the importance of representation on the coming excursion to California over the Oregon and Washington and the Southern Pacific have taken steps to send men on this trip well supplied with literature to advertise their particular section throughout California, and a part of Oregon.

From the number of inquiries received by the railroad officials it is evident a great many commercial clubs and chambers of commerce in Washington, Idaho and British Columbia will send representatives. Commercial bodies in Seattle and Tacoma have endorsed the trip and it is believed the business men's midwinter excursion to California will result in much valuable advertising for the Northwest generally.

Portland, March 10.—The most thoroughly equipped farming demonstration train ever run in this state will be operated through Eastern Oregon by the O. R. & N. from March 21 to April 1. The railroad is acting in conjunction with the Oregon Agricultural College, at Corvallis, and a competent corps of lecturers on all agricultural subjects will accompany the train, deliver addresses and demonstrate the agricultural apparatus carried. The train will visit Hood River, Wasco, Sherman, Gilliam, Morrow, Umatilla, Union, Wallowa and Baker counties. The purpose of their trip is to encourage diversified farming and to further the improvement of agricultural methods and country life conditions in the territory visited.

Great good is expected to result from the trip. Subjects to be discussed, according to the needs of the different localities visited, are the following: Poultry, dairying, horticulture, more and better livestock, chemistry of the soil, rotation of crops, conservation of moisture and general agricultural methods. All told, 30 towns will be visited and lectures and demonstrations will be given in each. The best farming apparatus and methods will be taught by demonstration as well as in theoretical lectures.

Forest supervisors of Oregon, Washington and Alaska will meet in Portland, March 21-26. The program includes many subjects of great importance in the administration of forest affairs and the gathering will

Demonstration Train For Eastern Oregon

O. A. C. and O. R. & N. Run Train For Benefit of Agriculturists Forest Supervisors Meet.

Portland, March 10.—The most thoroughly equipped farming demonstration train ever run in this state will be operated through Eastern Oregon by the O. R. & N. from March 21 to April 1. The railroad is acting in conjunction with the Oregon Agricultural College, at Corvallis, and a competent corps of lecturers on all agricultural subjects will accompany the train, deliver addresses and demonstrate the agricultural apparatus carried. The train will visit Hood River, Wasco, Sherman, Gilliam, Morrow, Umatilla, Union, Wallowa and Baker counties. The purpose of their trip is to encourage diversified farming and to further the improvement of agricultural methods and country life conditions in the territory visited.

Great good is expected to result from the trip. Subjects to be discussed, according to the needs of the different localities visited, are the following: Poultry, dairying, horticulture, more and better livestock, chemistry of the soil, rotation of crops, conservation of moisture and general agricultural methods. All told, 30 towns will be visited and lectures and demonstrations will be given in each. The best farming apparatus and methods will be taught by demonstration as well as in theoretical lectures.

Forest supervisors of Oregon, Washington and Alaska will meet in Portland, March 21-26. The program includes many subjects of great importance in the administration of forest affairs and the gathering will

have much to do in shaping policies to be followed in future. L. F. Kuelpp, Assistant Forester, will attend the conference as the representative of the Washington office, it being impossible for Forester H. S. Graves, who succeeded Gifford Pinchot as the head of the bureau, to come. The supervisors will discuss methods to be followed in meeting common problems and successful experiments in meeting difficulties will be told for the benefit of all. In the interchange of experience and new ideas the supervisors hope to profit largely at the coming session.

Traffic arrangements are being completed between the Hill railroads, the Great Northern, the Northern Pacific and the Spokane, Portland & Seattle, and the Oregon Electric Railway whereby a traffic interchange will be established that will give the Willamette Valley a compelling line with the Southern Pacific on transcontinental freight. This arrangement is bound to prove an advantage to the people of the whole valley for competition in transportation, as in everything else, is helpful.

Hogs broke all former records in the Portland market late last week when the remarkable price of \$11 a hundred pounds, live weight, was paid by local packers for the best Eastern Oregon porkers. This price was not only the highest ever paid here in the memory of packers but leads the whole United States for the last half century at least.

For about a week Portland has had the distinction of leading the whole United States in being the highest priced hog market. When hogs went to \$10.10 and \$10.25 last week, it was thought the limit had been reached but the jump to \$11 shows the scant supply of high class porkers in this market and the strong demand.

NOTICE OF SHERIFF'S SALE.

In the Circuit Court of the State of Oregon, for Wallowa County.
A. Levy, Plaintiff,
vs.
Calvin Smith and Jessie Smith, Defendants.

Notice is hereby given, That by virtue of an execution, judgment order and decree duly issued out of and under the seal of the above entitled Court in the above entitled cause to me duly directed and dated the 28th day of February, 1910, upon a judgment rendered and entered in said Court on the 8th day of November, 1909, in favor of A. Levy, plaintiff, and against Calvin Smith and Jessie Smith, defendants, for the sum of Twelve Hundred Eighty and 65-100 Dollars with interest thereon from November 8th, 1909, at 10 per cent per annum, and the further sum of One Hundred Fifty Dollars with interest thereon from the 8th day of November, 1909, and the further sum of \$19.00 costs and disbursements and the costs of and upon this writ, commanding me to make sale of the following described real property, to-wit:

The northeast quarter of the northwest quarter, the west half of the northeast quarter, and the northwest quarter of the southeast quarter of section twenty-seven in township two north of range forty-five East W. M. and in Wallowa County, Oregon.

Now, therefore by virtue of said execution, judgment order and decree and in compliance with the commands of said writ, I will, on Saturday, the 2nd day of April, 1910, at the hour of ten o'clock A. M. at the front door of the County Court House, in the City of Enterprise, Wallowa County, Oregon, sell at public auction, subject to redemption, to the highest bidder for cash in hand, all the right, title, interest and claim which the within named defendants or either of them had on the date of the mortgage herein, or since had, in and to the above described real property or any part thereof, to satisfy said execution, judgment order and decree.

28c5 EDGAR MARVIN,
Sheriff of Wallowa County, Oregon.
BURLEIGH & BOYD, Attorneys for Plaintiff.

Don't Break Down.
Severe strains on the vital organs, like strains on machinery, cause break-downs. You can't over-tax stomach, liver, kidneys, bowels or nerves without serious danger to yourself. If you are weak or run-down, or under strain of any kind, take Electric Bitters, the matchless tonic medicine. Mrs. J. E. Van de Sande, of Kirkland, Ill., writes: "That I did not break down, while enduring a most severe strain, for three months, is due wholly to Electric Bitters." Use them and enjoy health and strength. Satisfaction positively guaranteed. 50c. at all druggists.

DO YOU KNOW

you are wearing stockings that have been burned? It's a fact. All black hosiery is dyed by what is known as the "oxidized" process, which means nothing less than a "burning" process. That's exactly why even the best stockings you can buy often "go wrong."

Armor Plate Hosiery

is not dyed by this burning process. The manufacturers have been working for years trying to produce a dye that would not burn the hosiery, and they have just perfected such a dye which they have called "Harms Naut Dye." It harms neither the hosiery nor the skin. The original strength of every yarn in Armor Plate Hosiery is retained. Hence the wearers have the assurance of the most serviceable and long-lived hosiery ever manufactured.

For the Entire Family

Armor Plate Hosiery is just as good for the woman who expects service from a light-weight gauze stocking as it is for the boy who must have a stocking that will stand the strain and wear.

If you want to cut your hosiery bill in half, insist upon Armor Plate Hosiery every time and for all the family. We carry in stock all the desirable sizes, styles and weights. Let us show you hosiery satisfaction and economy.
