Political Reformers Work Uselessly.

THE popular cause against party bosses should not be a mistake. [illegible] Every party of the day has its bosses. Every people will oppose the political machine when it does not help private affairs but now the BOSS-RULE type of a POLITICAL BOSSES WORKING OF a BOSS-RULE which

The remedy for political evolution is in the education and elevation to offices of minority government and proportional representation are [illegible] Parties are prone to slaughter but a new order will work as long attention is given.

But the only [illegible] that can all remain under our present [illegible] But we—A NEW DAY, A NEW Earl AND THE BOSS INDEPENDENT to success which to our state have personal interest. We have among of the conditions of municipal government which and now must have to meet these the best issues of the conditions? Each is going to be outlined in subsequent suggestions from academic regions. The subject of Boss principles is a burning one at present. Public opinion on the question is a foreign state of mind.

Doctors of Today Too Cold.

THE PRESIDENT SAY HUNDREDS UNFEELING METHODS OF A GREAT MANY DOCTORS HAVE LOST FOR THEM THE RESPECT WHICH IN THE PAST MOST PEOPLE HELD THEM IN.

In what has the physician now with the influence that he did of old and regain the place of authority in the community. I would suggest a happy medium between the worship of bygone centuries who practiced the art of medicine and the modern man who practices the science as well as the art. During [illegible] BUT A BOSS PATIENT HAS NOT AND INSIST THE EXPERIENCE. Of course he would have not so that is interesting for all to the next medium. Showing the future situation, he would have had a friendly word with him, a promise to see him again and at the time show the character of the wife's subjection. He would HAVE A BETTER IDEA OF THE CONDITION OF THE CHILDREN AS HE PASSED THEM with a friendly smile.

The Sense of Church.

The separation of the sexes seems to have been formerly by no means an uncommon practice in the Church of England. In fact, Edward VI.'s prayer book specially mentions that in the communion service "the men shall carry on one side and the women on the other." The papers of a church in Warmeland provide authentic directions for the division of the sexes at its services. All evidence that ought to be placed first before any of the young men, and all young wives ought to "harken and come out of their mother-in-law's house"—this was presumably before the days of the poet—"as long as their mother-in-law lives."—London Chronicle.

A Smoky Cure.

In some parts of England one of the best cures for a swollen neck is to drive a skewer nine times across the throat of the suffering ox, after which the animal is killed and its skin served in a silken bag and tightly bound around the neck.
