**REPORT OF GRANDJURY.**

In the Circuit Court of the State of Oregon for Wallowa County. In the matter of the final report of the Grand Jury:

To the Hon. J. W. Knowles, Judge of the Circuit Court of the State of Oregon for Wallowa County:

We, your Grand Jury, having completed our labors, beg leave to submit this our final report.

We have been in session in all five days, and during this time have returned into court nine true bills and three not true bills of indictment.

We have examined the offices of the Sheriff, County Clerk and Treasurer of the county, and find those officers well housed, and when their offices are furnished with the furniture now ordered for them by the County Court, they will in our opinion be models of safety, convenience and comfort, both for the officers and the general public having business to transact therein. We have carefully examined the books kept by the Sheriff and Clerk, so far as our limited time and facilities will permit, and find said books neatly, carefully and correctly kept, and said officers prompt, careful and efficient in the discharge of their duties, and in the keeping of the records of the county. We have examined into the county jail and prison of the county and when the same is finished with the steel cells and furniture now ordered by the County Court therefor, the same will be a safe, sanitary prison, where prisoners can be safely kept and properly cared for. The new court house which has just been completed is a modern, substantial, stone building, as near fire proof as it can be made, contains ample, convenient and a comfortable room for the holding of Court and good, convenient rooms for all the county officers and jury rooms, and when furnished as contemplated by the county court will be all that the people of the county could wish for court-house purposes. This court house is a credit to the public spirit of the county, and to the County Court who had charge of its erection.

We recommend that the court-house grounds be cleaned of its rubbish as soon as convenient, that the grounds be filled in and leveled and seeded down to lawn grasses, that shade trees be planted around the grounds and at suitable and convenient places in the grounds, and that the grounds be improved generally to harmonize with the court house building itself, and in the doing of this work we recommend that persons serving terms in the county jail be employed therein.

We especially desire to commend our efficient sheriff for his industry and work in the collection of the taxes of the county, and especially in collecting back taxes due the county, and in the manner in which he and his deputies have worked upon these delinquent tax rolls collected all that is possible to collect and in his manner saved to the county thousands of dollars.

We further find that while the county school superintendent has a good, comfortable room in the court house that he has not proper furniture, especially in the way of files or his papers and records and we therefore recommend that the county court immediately procure for his office all necessary files for the safe and orderly keeping and filing away of the papers and records of his office.

We desire to thank Your Honor or the prompt, careful and conscientious manner in which you have discharged the business of this term of court, and for your uniform courtesy to the Grand Jury, the attorneys appearing before you and their clients. These matters are in the interest of the fair impartial administration of justice and have our hearty approval.

We desire to thank the district attorney by appointment for this term of court, T. H. Crawford, and the deputy, Mr. Dill, for the manner in which they have aided us in the discharge of our duties, and the sheriff, his deputies and other county officers for the willing aid they have given whenever called upon.

And now having finished our work for this term of court we request that we may be discharged and allowed to return to our homes.

Respectfully submitted this 13th day of May A. D. 1910.

Thos. Morgan, Foreman,  
Chas. H. Williams,  
J. M. Rankin,  
N. D. Varner,  
J. H. Souther,  
J. H. McElroy,  
Grand Jury.

## College Chap CLOTHES

Brandegee, Kincaid & Co.

WHEREVER you happen to see a group of young fellows you are most certain to find them wearing clothes of rare style and individuality. We don't claim that these clothes are always of an exceptional quality, but we do claim that young men affect certain features which older people don't. In "College Chap Clothes" we have been fortunate enough to find a quality which is not by any means expensive, and features which are strikingly young though not too young, for men who wish to retain their youthful appearance.

The Normandie, The Norfolk, the College Chap and the College Chap, Jr. are four styles of young men's garments. They are classed under the name of "College Chap Clothes." They are a branch of "Modern Clothes," made by Brandegee, Kincaid & Co., tailor shops at Utica.

If you are particularly sensitive to style you had better make it your business to call at our shop and inspect these garments. You may rest assured of good treatment at the hands of skilled salesmen.

**Life is Too Short.**  
Life is too short. We ought to have one life to love, one life for learning and another to do good deeds. As it is, one is almost forced to give up learning if one wants to love, and if you want knowledge you must give up love. This is cruel.—Ernest Renan.
