

"It cured me" or "It saved the life of my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This is true the world over where this valuable remedy has been introduced. No other medicine in use for diarrhoea or cholera complaints has received such general approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by all druggists.

**The Costly Part.**  
Polly Pinklights—Somebody has stolen the leading lady's jewel case, with all her jewelry in it.  
Fanny Footlights—Is she up in the air about it?  
Polly Pinklights—Sure. She says the case cost \$2.98.—Philadelphia Record.

If you are not satisfied after using according to directions two-thirds of a bottle of Chamberlain's Stomach and Liver Tablets, you can have your money back. The tablets cleanse and invigorate the stomach, improve the digestion, regulate the bowels. Give them a trial and go well. Sold by all dealers.

**Make People Happy.**

I find the gayest castles in the air that were ever piled far better for comfort and for use than the dungeons in the air that are daily dug and covered out by grumbling, discontented people. A man should make life and nature happier to us or he had better never been born.—Ralph Waldo Emerson.

Lame shoulder is almost invariably caused by rheumatism of the muscles and yields quickly to the free application of Chamberlain's Liniment. This liniment is not only prompt and effectual but is no way disagreeable to use. Sold by all druggists.

**Energy.**

The longer I live the more deeply am I convinced that that which makes the difference between one man and another, between the weak and powerful, the great and insignificant, is energy. Invincible determination, a purpose once formed, and then death or victory. This quality will do anything that is to be done in the world, and no two legged creature can become a man without it.—Burton.

Chamberlain's Stomach and Liver Tablets will brace up the nerves, banish sick headache, prevent drowsiness and invigorate the whole system. Sold by all druggists.

We do first-class job work.

**Pleasure as an End.**  
The man who chooses pleasure as the object of his life has no real haven, but is like a boat that beats up and down and drifts and drifts to and fro, merely to feel the motion of the waves and the impulse of the wind. When the voyage of life is done he has reached no port; he has accomplished nothing.—Henry van Dyke.

**Scared into Sound Health.**  
Mr. B. F. Kelley, Springfield, Ill., writes: "A year ago I began to be troubled with my kidneys and bladder, which grew worse until I became alarmed at my condition. I suffered also with dull heavy headaches and the action of my bladder was annoying and painful. I read of Foley's Kidney Pills and after taking them a few weeks the headaches left me, the action of my bladder was again normal, and I was free of all distress." At Burnaugh at Mayfields.

**Physically Not Mentally.**  
Dick—You were born to be a writer, Charlie.  
Charlie (blushing)—Ah, you've seen some of the things I've turned off.  
Dick—No; I was thinking what a splendid ear you have for carrying a pen.—Stray Stories.

**What a Summer Cold May Do.**  
A summer cold if neglected is just as apt to develop into bronchitis or pneumonia as at any other season. Don't neglect it. Take Foley's Honey and Tar promptly. It loosens the cough, soothes and heals the inflamed air passages, and expels the cold from the system." Burnaugh & Mayfields.

**See?**  
The comedian boarder cracked an egg with his fork and said solemnly: "Ladies and gentlemen, did you ever hear the story of Ypsilanti, Mich.?"  
"Can't say that we did," they echoed in unison. "Is it a good story?"  
"Er—it's hard to say."  
And ten minutes later when they tumbled they voted that the comedian boarder should join a minstrel show and make his fortune.—Chicago News.

**The Conservation of Nature's Resources.**  
Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I., realized his condition and took warning before it was too late. He says: "I suffered severely from kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late." Burnaugh & Mayfields.

**NEWS PARAGRAPHS FROM OTHER CITIES IN OREGON**

Fifty cars of strawberries have been shipped from Hood River, a record for early shipments.

Eugene will hold its first aviation exhibition June 11 and 12 at the Lane County fair grounds. Whipple S. Hall will be there at that time with a Curtiss biplane.

Percival H. Dennison, a prominent sheepman of Spray, Wheeler County, committed suicide by shooting himself through the heart with a revolver.

In the final high school debate for the championship of the State, held under the auspices of the University of Oregon, Pendleton won by unanimous decision over Eugene.

The Booth-Kelly Company has started the largest log drive down the McKenzie River that ever floated down the stream. There are 10,000,000 feet in the drive. It will take almost a month to bring it to Coburg.

The Oregon Valley Land Company has awarded the contract for the construction of the Drews Valley dam in Lake County to E. S. Burney, involving \$125,000. The work is to be finished by May, 1911.

The dairy industry of Coos County last year yielded the farmers \$385,000, and 405 tons of butter was shipped out of the county. The Norway creamery led in point of production of butter, turning out over 100 tons. In the same district 356 tons of cheese was produced.

Hermiston will have a banner alfalfa crop this year. From the estimates of those who are now cutting hay it is safe to state that fully 5,000 tons of hay will be cut this year. The first crop will go to 2,000 tons. The acreage is being increased each year and without a doubt the tonnage will be doubled another season.

Vice-president L. B. Wickersham, of the United Railways Company, has submitted a proposition to the County Court of Tillamook County to expend \$30,000 to improve the Wilson River road, making it suitable for automobiles, provided Tillamook and Washington counties would contribute each \$15,000.

Declaring the proposed assembly scheme to be a crime against popular government and an insult to the intelligence of the voting public, George C. Brownell, for sixteen years a member of the State Senate from Clackamas County and at one time president of that body, addressed a meeting in the Milwaukie town hall.

The conference on the bill renaming the Oregon revenue collection districts came to an agreement by which the salary of the collector at Astoria will be \$3,000 with not over \$300 for shortage, and the Willamette District will be renamed the Portland District, with a salary of \$6,000 in lieu of all fees and other allowances.

The largest graduating class that has ever left the University of Oregon will receive its diplomas here at the annual commencement day exercises, June 23. The class comprises eighty-eight members, not including the departments of medicine and law, in Portland, whose graduating exercises already have been held.

Horticulturists are interested in a new species of strawberry which has been developed by C. A. Benson of Silverton. Mr. Benson, who is a large berry grower, has succeeded in producing a fruit that has all the flavor of the wild strawberry and the size of the domestic berry. He obtained the new fruit production by crossing pollen of the wild berry blossoms and those of the cultivated berry. The new addition to the berry crop will be known as "Benson's Oregonian."

To discuss a constitutional amendment which shall give authority to the counties of the State to issue bonds for the improvement of State highways, a meeting in Portland of the county judges of Oregon will be called within the next week. This is part of the programme of the Good Roads Association. Immediately after the meeting the proposed provision will be circulated for signers to an initiative petition, and it will be submitted to the voters in the fall elections.

College Chap CLOTHES  
BRANDEGEE, KINCAID & CO.  
TAILORS, CHICAGO, ILL.

WHEREVER you happen to see a group of young fellows you are most certain to find them wearing clothes of rare style and individuality. We don't claim that these clothes are always of an exceptional quality, but we do claim that young men affect certain features which older people don't. In "College Chap Clothes" we have been fortunate enough to find a quality which is not by any means expensive, and features which are strikingly young though not too young, for men who wish to retain their youthful appearance.

The Normandie, The Norfolk, the College Chap and the College Chap, Jr. are four styles of young men's garments. They are classed under the name of "College Chap Clothes," made by Brandegee, Kincaid & Co., tailor shops at Utica.

If you are particularly sensitive to style you had better make it your business to call at our shop and inspect these garments. You may rest assured of good treatment at the hands of skilled salesmen.
