

Saved a Soldier's Life.
Facing death from shot and shell in the civil war was more agreeable to J. A. Stone, of Kemp, Tex., than facing it from what doctors said was consumption. "I contracted a stubborn cold," he writes, "that developed a cough, that stuck to me in spite of all remedies for years. My weight ran down to 150 pounds. Then I began to use Dr. King's New Discovery, which completely cured me. I now weigh 175 pounds." For coughs, colds, la grippe, asthma, hemorrhage, hoarseness, whooping cough, croup and lung trouble, it's supreme. 50c, \$1.00. Trial bottle free. Guaranteed by all druggists.

"What is 'harakiri'?"
"Oh, some kind of Japanese hard fish."—Puck.

A Reliable Medicin—Not a Narcotic.
Mrs. F. Marti, St. Joe, Mich., says Foley's Honey and Tar saved her little boy's life. She writes: "Our little boy contracted a severe bronchial trouble and as the doctor's medicine did not cure him, I gave him Foley's Honey and Tar in which I have great faith. It cured the

cough, as well as the choking and passing spells, and he got well in a short time. Foley's Honey and Tar has many times saved as much trouble and we are never without it in the house." Burnaugh & Mayfield.

Revenue Cutters.
The first revenue cutters were built at the order of Alexander Hamilton when he was secretary of the treasury, and except in war time, when they are subject to the authority of the navy, they are still under treasury department orders.

They effect a cure every time." They never fail to tone the stomach, regulate the kidneys and bowels, stimulate the liver, invigorate the nerves and purify the blood. They work wonders for weak, run-down men and women, restoring strength, vigor and health that's a jolly joy. Try them. Only 50c. Satisfaction is positively guaranteed by all druggists.

The Sartorial Limit.
What is the sartorial limit—A straw hat with an overcoat? A fur coat with low shoes? A short skirt with a décolleté waist? A Panama with a raincoat and rubbers? Or what other "chop suey regalia," as a critical New Yorker terms them?—Chicago Tribune.

Drives away Flies, Mosquitoes and Gnats. It protects horses and cattle from attacks of insects, enabling them to feed and sleep in peace. It prevents loss of weight and strength from worry caused by attacks of insects, and from the irritation of their bites and stings. There is a satisfaction in the relief it affords domestic animals from the scourge of maddening parasites and flies, besides the profit in returns. Horses do more work on less feed and cows yield more and better milk when relieved from the frenzy incited by constantly fighting a swarm of voracious, insatiable insects.

The county court of Coos County met this week to conclude the business of the year which represents the largest outlay of money for public improvements in any one year in the history of the county. Much has been done for the advancement of the rural districts.

Chamberlain's Colic, Cholera and Diarrhoea Remedy is today the best known medicine in use for the relief and cure of bowel complaints. Nonroyal Headgear.
One of the attaches of the American embassy at London tells a story where Michael Joseph Barry, the poet, who was appointed a police magistrate in Dublin, was the principal figure. There was brought before him an Irish American charged with suspicious conduct. The officer making the arrest stated, among other things, that the culprit was wearing a "Republican hat."

"Does your honor know what that means?" was the inquiry put to the court by the accused's lawyer.
"It may be," suggested Barry, "that it means a hat without a crown."—Harper's Magazine.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as soon as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack. Sold by Burnaugh & Mayfield and all good druggists.

Ballinger Report Slow.
MINNEAPOLIS.—The Ballinger-Pinchot investigating committee gathered in this city Monday. It is impossible to tell how long it will take the committee to complete the report.

Masked men sprang out of the bushes along a lonely lane near Hudson, N. Y., and held up Dent Fowler, paymaster of the Atlas Brick Company and his negro driver, shot the driver dead, mortally wounded Fowler, who died soon afterward, and made off with a chest of pay envelopes containing \$5000.

"Can be depended upon" is an expression we all like to hear, and when it is used in connection with Chamberlain's Colic, Cholera and Diarrhoea Remedy, it means that it never fails to cure diarrhoea, dysentery or bowel complaints. It is pleasant to take and equally valuable for children and adults. Sold by Burnaugh & Mayfield and all good druggists.
