Leads in Live Stock

At the request of the Oregon Development League, G. A. Westgate, secretary of the Portland Country Club and Live Stock association—the Pacific National Show—has compiled the following on the subject of Oregon Live Stock:

"To follow President Roosevelt's hundred words on Oregon fruit with a brief statement about Oregon live stock brings the realization that Mr. Newell has produced a classic. Still, Oregon has won almost as many honors in live stock, enough to convince the great packers of America that the packing plants for the Northwest, Alaska, the Orient, and all lands touching the Pacific, will be built in Oregon. There are many more millions of profit immediately within reach in this state through the live stock industry, than in connection with any other industrial effort.

"Remember this. Oregon owns the prize dairy cow of the world, and the first prize head of Shorthorns, as shown at St. Louis. Oregon horses, sheep and swine are also winners, because conditions of soil, climate, water and grasses are winning factors in the production of the best of the four footed.

"Oregon offers the live stock breeder economy in feed, continuous growth, early maturity, quality and soundness, with the world for a market. Double your money in live stock while your fruit trees are growing."

Reorganized Church L. D. S.

Elders N. C. Edge of Stewartville, Mo., and A. J. Moore of Condon, Ore., will begin a series of meetings in Wolf's hall, Wallowa, next Sunday afternoon at 3 o'clock, and continuing thereafter each evening at 7:30 o'clock in the same place until further notice. Those in charge of the meetings say that "Everyone who is willing to hear the truth is cordially invited to come."

The preachers above named are Elders in the Reorganized Church of Jesus Christ of Latter Day Saints, which is an entirely separate and distinct sect from the Mormons. The Reorganized Church of Latter Day Saints has its headquarters at Lamoni, Iowa. It has never countenanced polygamy and claims that practice was a Brigham Young innovation and never practiced or advocated by Joseph Smith, the prophet. The Lamoni church also condemns the doctrine of blood atonement and God-Adam. In fact the Reorganized church of Latter Day Saints looks upon the Mormons as apostates, and the latter view the members of the Lamoni church in the same light.

Mrs. J. A. French and son Dwight left the first of the week for Pendleton where they will visit with Mrs. French's sister, Mrs. D. Brusha, who formerly resided here. Mr. French took his wife and son as far as Lostine Monday and from there they went out in the stage.

Still Doing Business

AT THE OLD STAND

We have had our one-day Fur Sale and it was a great success. Many people were made happy on that day. But we still have a very large and well assorted line of

FURS

that we are offering at almost unheard of prices. Neck pieces from \$1.25 to \$20.00. Then we have sets, Muffs and Scarfs to match. We also have a complete line of

CHILDREN'S COATS

Crushed Plush, Bear Skin and Astrakan. All of these garments are well made and going very reasonably. We have not space to quote prices, but invite you to come to our store and examine for yourself, and we know we can convince the most skeptical. Our Fall line is in, so come early before the goods are picked over.

Respectfully,

E. M. & M. Co.
