## CITY IS PULLING FOR BEN WEATHERS

Popular Choice for Postmaster Sends In  
Almost Unanimous Petition For  
Place.

Ben Weathers, editor of the Wallowa  
Chief, is the popular choice for  
postmaster of Enterprise by a very  
large majority, judging from the way  
his petition is being signed. His op-  
ponent is W. F. Eisenbeis of Joseph.  
The contest opened publicly Friday  
when Mr. Eisenbeis made the rounds  
of Enterprise merchants to see how  
they would view his candidacy to fill  
the vacancy caused by the resignation  
of Mr. Bell. The candidacy of a man  
from another town for an office that is  
always looked upon as a local affair did  
not please the people at all, and many  
urged Mr. Weathers to come out. This  
he did and before 24 hours he had a  
large majority of the patrons on his  
petition, the endorsement of the Com-  
mercial club, and the backing of every  
leading citizen except two or three who  
promised Eisenbeis before Weathers  
came out.

It is said Mr. Eisenbeis has the back-  
ing of F. D. McCully of Joseph, who  
has influence with Senator Fulton. On  
the other hand, Mr. Weathers will prob-  
ably be favored by Congressman Ellis  
and Senator Bourne, so his friends have  
strong hopes he will land the plum.

Mr. Weathers undoubtedly deserves the  
office. He has done yeoman service for  
the party with his newspaper and has  
probably never received even a thank-  
you. He is well qualified and his  
pleasant, accommodating way fits him  
ideally for the place.

## Postoffice Business Increases.

The salary of the Enterprise post-  
master will be increased from \$1100 to  
\$1200 a year beginning July 1. The raise  
is due to the large increase in receipts,  
upon which the salary is based.

## Sheep Shearing In Full Swing.

Shearing is in full blast in Wallowa  
county and great loads of wool is pas-  
sing out to Elgin in a continuous  
stream of freight wagons. Fully 140,  
000 fleeces will be sent out. At the E.  
O. Makin plant, six miles east of En-  
terprise over 10,000 sheep had been  
shorn up to Tuesday afternoon. Mr.

Makin says his plant will handle over  
50,000 this season. Fifteen experts  
guide the shears that are worked by  
power. The wool is heavier than for  
years and if the price was only equal to  
last year's would mean a big profit to  
stockmasters.

C. M. Lockwood and family have  
moved into their new home, the J. F.  
Cook place on Residence street, that he  
recently bought.

## Kerns Principal Of High School

At a meeting of the county high  
school board, Tuesday, J. W. Kerns  
was elected principal of the high school  
at a salary of \$125 a month, beginning  
August 1. This completes the high  
school faculty for the coming year un-  
less a special commercial teacher is em-  
ployed. The other teachers engaged  
are G. W. Hall and Miss Kathryn  
DeFur.

The board considers itself lucky in  
securing the services of Mr. Kerns, who  
has already demonstrated in the office  
of county superintendent, that he is an  
excellent organizer and builder of  
schools. He has the magnetic qualities  
that infuse life and energy into others.  
He knows the pupils who are entitled  
to admission to the high school, and  
they know him better than any other  
man that could be named.

## School Meeting and Election.

The annual school meetings in all  
districts will be held Monday, June 15.  
The meeting in Enterprise will be held  
at 2 p. m., and one director for three  
years to succeed E. J. Forsythe and  
the clerk for one year to succeed C. M.  
Lockwood, will be chosen.

A special school election will be held  
in Enterprise district June 27, to vote  
on selling bonds for \$2500 to pay for the  
land recently purchased from Mrs. R.  
M. Fay and for building an addition to  
the school house. The polls will be  
open from 1 to 4 p. m.

## Band Will Go To Lake.

The Enterprise band has accepted  
the invitation to play for the fourth of  
July celebration at the head of the lake.  
Last year the Joseph bandmen helped  
out the locals at the Enterprise cele-  
bration and at that time the promise  
was made to return the favor this year.

Rev. Seldon C. Adams, the new pastor  
of the Presbyterian church, is expected  
here from Kalia, Ohio, in time to  
preach next Sunday morning.

## ENTERPRISE WINS CLOSE BALL GAME

Defeats Strong Wallowa Team by  
Score of 5 to 4 Before Large  
Crowd.

Enterprise defeated Wallowa in a close  
and exciting game before a large crowd  
on the Enterprise grounds Sunday after-  
noon. Wallowa made three runs in  
the third inning and as Hayes was  
seemingly pitching better ball every  
round, that three looked large. The  
home team never faltered and with  
admirable ginger went to work to even  
things up, making one score in the  
fourth and two in the fifth inning.  
This tied the game up, and as each  
scored one in the sixth it was anybody's  
game until the end. The crowd was on  
tiptoe. Wallowa was awful dangerous  
in the seventh. Doris and Maxwell  
made clean base hits, then Blyen  
stepped and gave a grand exhibition of  
skill and brains. He fielded Edgar Mar-  
vin's easy one to Clark, putting out  
Doris. Schilke struck out and Hug  
went out on a pop up to short. Wal-  
lowa threatened again in the ninth.  
After Johnson went out, Doris made  
another basehit, and galloped to third  
on Willett's miff of Edgar Marvin's  
easy fly, after Maxwell's foul had been  
caught by Hammack. Schilke, how-  
ever, tried Willett with another fly and  
was the third out, leaving Doris and  
Marvin perched on third and second.  
Hayes was putting on more steam as  
the game progressed. He struck out  
two in the seventh inning and two in  
the eighth. Fleener opened the ninth  
with an easy grounder to Hayes, but  
Clark was there with a base hit, then  
stole second. Clemens won the game  
then and there with a nice little hit,  
Clark scoring from second, Maxwell's  
miff aiding him, however, and the  
game was over. The score:

and interesting game at Joseph Sat-  
urday afternoon, Wallowa winning by 6  
to 4. Both clubs played fast ball. Fol-  
lowing is the score by innings:

ranch near Wallowa.

## Court House Notes

County court was in session the first  
of the week, auditing and allowing bills  
for the recent term of the circuit court  
and June election expenses. Several  
thousand dollars in cash will be dis-  
tributed out over the county.

In accordance with the result of the  
referendum on prohibiting the running  
at large of swine, the court passed an  
order by which the running at large of  
swine in Wallowa county is absolutely  
forbidden and prohibited. The order  
goes into effect 60 days after its publi-  
cation. It appears in this issue of the  
News Record and is effective therefore  
on and after August 11.

The order made on May 8, to open a

trail through the farm of Mrs. Louise  
E. Scott, between the Sheep, was re-  
voked.

The sum of \$75 was appropriated for  
road district No. 7, the money to be  
expended by Supervisor S. C. Himel-  
wright. The money will be used in  
clearing out the road along the upper  
Innana, damaged by recent storms.

## Doings In Probate.

Edward M. Heplburn appointed ad-  
ministrator of the estate of Charles  
Heplburn.

## Work Starts On Depot Grounds

Contractor J. E. Patterson started  
pitching tents and making other pre-  
parations for camp and resuming work  
on the Enterprise depot grounds and  
completion of grade for which he has  
the contract. They will begin to throw  
dirt in a few days. Mr. Patterson will  
employ 18 men.

Workmen are being rushed to the  
front through Elgin in squads of 25  
and 50 almost daily. Material is being  
hurried forward also, and track laying  
in the canyon will begin as soon as the  
temporary bridge over the Grande  
Ronde is completed.

## A Court Correction.

H. B. Davidhizer wishes it stated  
that the court records do not show that  
he pleaded guilty to a charge of opening  
a marked ballot. Mr. Davidhizer says  
there was no such charge and further-  
more he committed no such act.

## PETITIONS ASK FOR CHARTER ELECTION

Want Bond Provision Amended So Ma-  
jority Will Rule—Steps For Water  
Works.

The new council and mayor evidently  
believe in bringing the question of an  
adequate and satisfactory water works  
system to an issue. At an adjourned  
meeting Monday night, an ordinance to  
provide for the holding of special elec-  
tions was passed and ordered published.  
It appears in this issue of the News  
Record.

Initiative petitions are being circu-  
lated and very generally signed demand-  
ing that the council call a special elec-  
tion amending the charter so that a  
majority vote of the citizens will au-  
thorize the council to sell bonds to the  
amount of \$30,000 for water works.  
These petitions will probably be pre-  
sented to the council Friday night.

At Monday night's meeting, organiza-  
tion of the new council was completed  
by the election of W. H. Graves, chair-  
man, to preside in the absence of the  
mayor, and fixing the first and third  
Monday nights of each month as dates  
for regular meetings.

Ross Falconer and D. F. Steel were  
employed to finish cleaning out the  
city ditch, and also to put in all cross  
walks recently ordered.

## Charged With Assault.

A warrant is out for the arrest of a  
young man from Joseph, charging him  
with assault. It is said that he entered  
the home of a woman in Enterprise  
Friday night and brutally knocked her  
down. He was accompanied by another  
man. The one who is alleged to have  
made the assault has left for parts  
unknown.

## DEATH RECORD.

Mrs. C. H. Oghorn, nee Emma  
Homan, was born in Adams county  
Iowa, March 10, 1833, died near En-  
terprise, June 14, 1908, aged 75 years 2  
months and 24 days. At the age of 13  
she united with the Missionary Baptist  
church and ever thereafter honoring  
the profession she had made. Jan. 3,  
1884 she was married to C. H. Oghorn,  
with whom she came to Oregon in  
1890 and this was her home until called  
away. There remains to mourn her  
death, father, husband and seven chil-  
dren, four daughters and three sons,  
three brothers, two sisters and a large  
circle of friends.

The sufferings of her last illness were  
intense, but the calm fortitude with  
which they were borne was character-  
istic of her heroic life.

Her own life is known to her friends  
is the highest tribute of praise to her  
memory. As life companion she was  
truly devoted, as a mother, kind, com-  
passionate, indulgent, dutiful, as a  
christian faithful to convictions of duty.  
The family have the deepest sympathy  
of the friends, neighbors and brethren  
and sisters in christian fellowship.
