

The Jeweler's Watch

JEWELERS carry South Bend Watches. That ought to be good enough evidence that they are best for you. We know and we will prove to you for the asking that no other watch you can buy will give you such complete satisfaction. We will show you why they stand tests that other watches cannot, and how you can save money in buying a South Bend Watch now. Just ask us and see. No obligation to purchase.

AFTER MANY YEARS

From La Grande Observer.

Wallowa county has never owned its own court house, having been a tenant all of these years. This evidently will not always be the case. County Judge-elect Olmstead and Commissioner Sam Litch are in the city today looking over our court house building with a view of securing pointers. The building used as a court house in La Grande is considered one of the most modern, up-to-date buildings in the state and cost many thousands of dollars less than many no more pretentious buildings. Both gentlemen were surprised after looking over our structure to note the thorough workmanship and the low price, including furniture and a l.

Former Enterpriser Weds.

Scott Z. Henderson, editor of the Kennewick Reporter and former resident of Enterprise, was married on June 17 at Spokane, Wash. to Miss Harriet A. Mulkey, daughter of Mrs. Thomas Mulkey of that city. The wedding was a quiet one, only their relatives being present but on their arrival at Kennewick a splendid welcome awaited them in their new home from the many friends Mr. Henderson has won since he started his up-to-date paper in that progressive town a few months ago. Friends of Mr. Henderson in this city extend their congratulations.

CLOSE LAND OFFICE SATURDAY AFTERNOONS

The La Grande land office will close at 1 p. m. Saturdays, during July, August and September. No business can be transacted after that hour on Saturdays. This order is effective on the first day of July, and throughout the whole country. The officials in the office have nothing to say about the matter and can act only according to instructions. Mr. Roberts, the receiver, desires that all the publicity possible be given the matter, so that anyone having business in the La Grande office will not be disappointed by expecting the office to be open all of Saturday as usual.

La Grande Observer: A. P. Collins, representing the Mergenthaler Linotype company's branch office at San Francisco, was in the city this morning, en route to Enterprise where he will have charge of the erection of a Junior linotype on the enterprising News Record of that prosperous little city.

The Woman's Union Missionary society will meet at the home of Mrs. P. A. Clark, Tuesday, June 30, at 3 p. m.

Elgin-Wallowa Break Even.

Two of the best games ever played on an eastern Oregon diamond were witnessed by the fans here Sunday, says an Elgin dispatch in the Observer. The forenoon game was a plain hummer. Up to the last half of the ninth the score stood 2 to 1 in Wallowa's favor. Each inning was just simply one, two, three and out to the field. In the last half of the ninth, when Elgin was a bat, two men down and a runner on second, a drive was sent out straight over second, seemingly too high for any one to stop, but Marvin, playing the base for Wallowa, brought it down and prevented a tie.

The afternoon game belonged to Elgin from the start, but Wallowa rooters could not believe it, and backed their faith in the boys from home to the extent of about \$300. The afternoon score was 5 to 1.
