CHARTER AMENDMENT

SPECIAL ELECTION

The city election, Saturday, was an
expression of the determination of
the citizens of Enterprise to have a
first-class water system. While the
majority in favor of the charter
amendment was large, it will be ad-
mitted that even that majority is no
as large as the sentiment for good
water, as no doubt a number voted
no who are in favor of municipa-
l water works but believe only taxpay-
ers should vote on bond propositions.
That question, however, is settled
and all should now lay aside par-
tisan differences and advise together
in the work of getting the best water
system for the least cost.

Contrary to an oft repeated asser-
tion, the water works question is no
a personal fight. Every partisan of
a city plant, as far as we have
knowledge, is sincere in his belief
that plan is for the best interest of
the town, and of himself, it is a
matter of not only general welfare
but of individual well-being.

The council has ordered the bond
election for September 12. In the
meantime, a waterworks committee
or commission composed of the coun-
cil and prominent citizens, aided and
advised by two or more experts from
the outside, such as the Elgin
city engineer and La Grande water-
works superintendent, could investi-
gate and report on the various
sources of supply, their purity and
sufficiency. The best one, within
the cost limit, could be selected, thus
giving the voters a clear understand-
ing of the proposed use of the money
for which they are asked to author-
ize the sale of bonds.

SUN TRIES TO STIR UP TROUBLE

Every paper in the county has
refrained from adding to the perplex-
ities and burdens of the county court
in its endeavor to carry out the will
of the people in regard to the build-
ing of a courthouse—except the Wal-
lowa Sun. Everyone who has a grain
of sense realizes that the court has
troubles of its own—everybody ex-
cept the Wallowa Sun. People who
haven't a mania for butting in, know
the commissioners and judge were
elected to attend to that business
as in their judgment seems best for
the people of the county, and every-
body except the Wallowa Sun is
right content to let them attend to
it.

Threats and intimidation don't go
well with the people of this county
who know the court will do the very
best it can on all matters, including
site. There is vastly more pressure
for a policy that is distasteful to the
Wallowa Sun than for its wishes.
It will be sad indeed if the Sun can't
change the law or bullrag or terror-
ize somebody into a cheap attempt
to evade the law. The court is mak-
ing every effort to find out its ex-
act rights in the matter; the men
who offered to buy the square stand
ready to make their offer good. The
matter will be settled legally and
rightfully in due time by the court.

The street fair and carnival given
by the Enterprise Concert band last
week, was very successful in both
attendance and enjoyment. The ar-
rangement and decorations of the
grounds were fine, and the good or-
der that prevailed was a credit to
both the management and the
crowds. The "sideshow" were not
much of course but at that they
were superior to the traveling car-
nival companies, while the free
shows, balloon ascensions, sports and
races, were away ahead of any-
thing usually offered by professional
troupes. Taken all in all, the affair
was a credit to the band and to the
town.

The Stroeter-Bryan company will
break camp next Wednesday and
start for California where they will

play this coming season in a circuit
of seven cities, extending from Fres-
no to San Diego. The people of En-
terprise and vicinity will be sorry to
see them depart, for aside from the
pleasure of witnessing their perform-
ances, personal friendships have been
formed that make the members of
the company a part of our commu-
nity—a part indeed of our own peo-
ple, whom we are all loath to see
leave us. Wherever they go the
best wishes of Enterprise people will
go with them, and all hope they will
enjoy the success that such sterling
actors and big-hearted ladies and
gentlemen deserve. They will not
be forgotten here and a warm wel-
come will greet them on their return
next summer.

SPECIAL ELECTION NOTICE.

Notice is hereby given that on Sat-
urday, the 12th day of September
1908, at the office of W. E. Taggart
in the city of Enterprise, in Wallowa
County, Oregon, a special election of
the legal voters of said city of En-
terprise will be held in said city of
Enterprise, for the purpose of de-
termining whether the city council
of said city of Enterprise, Oregon,
shall be authorized and empowered
to borrow on the faith and credit of
said city of Enterprise, Oregon, a
sum of money not to exceed \$30,000
for the purpose of supplying sal-
tivity of Enterprise, Oregon, with a
system of waterworks, and the sum
so borrowed to draw interest at the
rate of not to exceed 5 per cent per
annum, which said special election
will be held at one o'clock in the
afternoon, and will continue until
seven o'clock in the afternoon of
said day.

Dated this 17th day of August
1908.

Date of first publication, August
20, 1908.

W. E. TAGGART,
City Recorder of the City of Enter-
prise, Oregon.

**RECEIPTS OF STATES
FROM NATIONAL FORESTS**

Announcement has just been made
of the amounts which each state con-
taining national forests will receive
under the new law giving 25 per cent
of the gross receipts from forests to
these states. The total amount to
go to the states, from the receipts of
the fiscal year which ended June
30, is \$447,063.79.

The amounts to go to each state
or territory are: Alaska, \$2,684.78;
Arizona, \$42,810.44; Arkansas, \$313.
68; California, \$52,437.78; Colorado
\$50,955.67; Idaho, \$56,307.84; Kansas
\$943.55; Montana, \$75,807.41; Nebras-
ka, \$2,349.77; Nevada, \$4,577.95; New
Mexico, \$25,464.12; Oklahoma, \$554.
48; Oregon, \$32, 313.52; South Da-
kota, \$8,456.60; Utah, \$32,151.02 (in-
cluding Uinta Indian refund of \$5,348.
07); Washington, \$18,032.79, and Wy-
oming, \$41,492.38.

The law requires that this money
be expended upon public roads and
schools by the counties which contain
national forest land. In this way the
counties are compensated for the re-
duction of taxable area brought
about by the existence of the forests.
Before this year the states have re-
ceived 10 per cent of the gross re-
ceipts, but congress voted last win-
ter to increase the amount to 25 per
cent.

Found That it Paid.

A country merchant of Iowa de-
cided to break away from the old
foggy spirit which had affected him
and his fellows for some time. Dar-
ingly he spent \$100 in advertising a
special sale. The first day of the
sale the store took in almost \$1,000;
the next six days averaged over \$400
each. His advertising bill amounted
to 3 per cent of the business he did.
He found it paid.—Oregon Trades-
man.
