Lostine's First Stock Shipment

Temporary Yards Put Up—Flour Mill Rushed With Orders—
Local News.

Lostine, Dec. 1—The first shipment of stock from this station was made Tuesday by Frank Graham who sent out two car loads of hogs. A temporary stockyard was put up a couple of days ago by Mr. Graham, and a number of volunteer assistants. He says there will be lots of stock shipped from Lostine, for it does not pay to drive stock farther than is absolutely necessary. This he proved by spending over \$30 to put up the temporary yards to ship two car loads rather than drive a few miles to another station.

The Lostine Flouring mill is doing a rushing business, turning out 150 barrels of flour per day, yet is behind on orders. J. Rohrman, Joseph merchant, was here Monday and contracted for a carload.

The school gave a basket social Wednesday evening of last week with a program and sale of baskets, proceeds amounting to \$67 going to furnish new lights for the school building.

W. Eugene Knox, impersonator and reader, is billed for December 24 for the benefit of the school.

Mrs. Charles Fitzpatrick gave a card party last Tuesday evening to a number of her friends.

Miss Zelma Ogbourn, primary teacher in our schools, spent Sunday with her parents on Alder Slope.

GARDEN OF EDEN.

(By Mrs. Adah L. Downing of Wild Rose Home Farm, Troy P. O.)

Mr. Palmer of La Grande has returned to spend the winter on his "Eden" ranch.

Chief Ranger Eaker resigned his position with the government to reside on his farm at Sommerville, Ore. Before his departure he persuaded Miss Lola Richman, of the Grouse country, eldest daughter of Mr. and Mrs. Ebert Richman, to go as a life partner in the said farm.

While everyone demurred at such a proceeding, as it was taking two social favorites from our community, everyone joined in wishing them the best of success and happiness. The happy couple were joined in holy wedlock at the home of the bride's parents on November 15. The groom gave an infair party at Pickett's hall on the 18th, which was a most enjoyable affair and lasted until dawn began to break. Messrs. Courtney and Fleming furnished good music.

Mr. and Mrs. Charles Williams gave a card party at their home, "Eik Horn Springs," Eden, on the evening of November 28th. After Pedro and bridge had held sway for a couple of hours and sweet enlivening music by the graphophone was rendered, everyone concluded to dance, instead of trying to keep their feet still. Waltzes, two-steps, quad-

rilles and other dances were stepped off to the exhilarating quick-step time of Prof. George Courtney and Charles Fleming, accompanied by Mr. Williams on a large French harp which chimed in harmoniously with violin and guitar. Mrs. Williams passed delicious cake, pie and coffee around, which just "filled the bill," after which all sat around the fire and told "yarns" until morning. Those present were Mr. and Mrs. George Courtney, Miss Wilmer and Master Arthur, and little Miss Eunice and Baby Courtney Mr. and Mrs. James Downing, Charles Fleming, Ed Wilcox, Charles Haroldson, Mr. and Mrs. Williams, two daughters, Miss Grace and little Lorine.

County School Superintendent Conley and wife visited the school and friends at Troy one day last week. A Mr. Foster has charge of the school at Troy. A new schoolhouse is about completed.

Save Money Over Mail Order Houses

Comparison of Prices of Clocks Results in Favor of Home Dealer.

"Yes; it pays to advertise, if you can deliver the goods at the right price," said E. B. Wheat, the jeweler, when seen in his new store, one door south of the Fraternal building, "and the people are learning that they can get watches, clocks and jewelry here as cheap, and in a great many cases much cheaper than to send away for them.

"Since sending out letters a short time ago to my friends and patrons announcing my removal to my own building and that I would be able to save them money I have had very flattering returns. Last week I sold two fine clocks to substantial Prairie Creek farmers and three lovely Mantel clocks to as many successful farmers of Alder Slope. One of these men had already made out his order to send to one of the mail order houses for a clock, but after seeing my goods and prices was very sure he could do better here.

"I have sold besides these, several watches and a great many rings and chains and silverware. Quite a lot of things being purchased for Christmas presents. Yes, it pays to advertise."

BEEF MEN RETURN.

From La Grande Observer. Encouraged at the liberal response and the bright outlook for new beef fields in Wallowa county, Manager Fred G. Taylor of the Amalgamated Sugar company and F. S. Bramwell, formerly with the company, returned last evening from Wallowa county, where, with Salt Lake officials of the company, they held meetings at Joseph, Enterprise and Lostine.

The response for acreage was liberal. Some of the influential men of Lostine and Enterprise have signified their intention of setting aside tracts of land for sugar beet purposes and many others have agreed to plant smaller tracts to beets. Conditions are so favorable, says Mr. Taylor, that it is more than likely that the company will soon make sugar beets an important industry in Wallowa county, especially about Lostine and Enterprise.

For a Lame Back.

When you have pains or lameness in the back bathe the parts with Chamberlain's Liniment twice a day, massaging with the palm of the hand for five minutes at each application. Then dampen a piece of flannel slightly with this liniment and bind it on over the seat of pain, and you may be surprised to see how quickly the lameness disappears. For sale by Burnaugh & Mayfield.
