## TO SEND BUILDING MATERIAL

### Roosevelt's Plan to Aid Sufferers by Recent Earthquake in Italy.

Washington, Jan. 18.—An innovation in international relief measures so far as Europe is concerned will be undertaken by the government in expending the \$500,000 appropriated by congress for the Italian earthquake sufferers. Realizing that a great need among the sufferers will be shelter, President Roosevelt has decided to send to Italy material for the construction of 2500 or 3000 substantial but modest frame houses. Verbal instructions were given by the President to Secretary Newberry to enlist the machinery of the navy department. Mr. Newberry has already been able to make partial arrangements for carrying out the orders of the President.

The bodies of the American Consul, Arthur S. Cheney and Mrs. Cheney have been found in the ruins of the American consulate at Messina by the sailors of the American battleship Illinois. Arrangements are being made for the shipment of the bodies to the United States.

An estimate of the dead in Messina as a result of the catastrophe of December 28, made by Stuart K. Lupton, the American vice-consul, on behalf of the American embassy at Rome, places the number at 90,000.

## SENATORS ELECTED

### Ellhu Root Chosen to Succeed Platt by New York Legislators.

Albany, N. Y., Jan. 18.—As required by the federal law, the two houses of the legislature of the state of New York met here today in separate session to vote for a successor to Thomas C. Platt, United States senator from this state. The votes today were merely confirmatory of the choice of the caucuses of the republicans of the two houses, Ellhu Root, secretary of state.

### Penrose Re-Elected.

Harrisburg, Pa., Jan. 19.—Boies Penrose will again represent the state of Pennsylvania in the United States senate, according to the votes of the two houses of the state legislature, cast here today. He is a resident of Philadelphia. This will be his third term in the senate.

## BARBER IS VERY EXPENSIVE

### Man Who Shaves Presidential Beard Paid \$1600 Yearly.

Washington, Jan. 18.—The recommendation of the auditor for the navy department that congress provide more clerks for his office has raised some question concerning the employment of William B. Dulany. Dulany for several years has been President Roosevelt's negro barber. Last March he was appointed a "special accountant" in the navy auditor's office at a salary of \$1600 a year, but continued to serve as the Presidential tonsorial artist. It is reported the appropriation committee of the house, at the instance of several members who want to "get even" with the President, will investigate the matter and ask why the navy auditor's office should pay for his daily shave.

Roof Paint for your old roofs. It stops the leaks. For sale at Keltner's hardware store.

### Cured of a Severe Attack of Bronchitis by Chamberlain's Cough Remedy.

"On October 18th, last, my little three year old daughter contracted a severe cold which resulted in a bad case of bronchitis," says Mrs. W. G. Gibson, Lexington, Ky. "She lost the power of speech completely and was a very sick child. Fortunately we had a bottle of Chamberlain's Cough Remedy in the house and gave it to her according to the printed directions. On the second day she was a great deal better, and on the fifth day, October 23rd, she was entirely well of her cold and bronchitis, which I attribute to this splendid medicine. I recommend Chamberlain's Cough Remedy unreservedly as I have found it the surest, safest and quickest cure for colds, both for children and adults, of any I have ever used." For sale by Burnaugh & Mayfield.

## WHOLE FAMILY SLAIN

### W. L. Seeley, Wife and Daughter, of Seattle, Killed---No Weapon Found.

## WOMEN'S HEADS BATTERED

### Ladies Are in Nightrobes, Man Partially Clothed---Murder Occurs Thursday Night.

Seattle, Jan. 18.—W. L. Seeley, an attorney and ex-national bank examiner for Illinois; his wife, a member of the National Society of Daughters of the American Revolution, and his daughter, Miss Rene Seeley, a student at the University of Washington, were found dead in a bathroom of their home in the fashionable Capitol Hill district at 1 o'clock Sunday afternoon. They had been dead since the previous Thursday.

The women, each of whom was clad in nightrobes, had been murdered by being struck in the head, evidently with a hammer. There was no mark of violence on Seeley. He is believed to have been partially chloroformed and then drowned in the bathtub with their heads submerged in the water.

The bodies were found Sunday by Guy M. Smelzer, affianced husband of Miss Seeley, and E. R. Zibbell, a friend of the family. The police detectives searched the house for the weapon with which the murders had been committed, but were unable to find any bloodstained implement. No jewelry or other article of value was taken from the house.

Late developments are taken as strengthening the theory that the man killed the two women and then committed suicide. He had recently received \$8000 as his share of his father's estate, but within the past few days he had borrowed money to pay his last month's house rent, indicating that he was in financial straits.

Seeley is an uncle of M. F. Gose, of Pomeroy, recently appointed by the governor to the Washington supreme bench. He has a brother, Charles, at Pomeroy, and another, Frank, at Hood River, Oregon.

## SEATTLE MAN GETS BRIDE

### Charts Special Train to Get Over Boundary.

Portland, Or., Jan. 18.—Denied a license to marry in Oregon because of the non-residence laws of this state, H. R. Rood, vice-president of the Pacific Crocking Company, of Seattle, chartered a special train Saturday afternoon and went to Vancouver, Wash., where he and Mrs. Edward G. Stoiber, of Denver and Paris, widow of the late E. G. Stoiber, were married.

The bride is said to be the wealthiest woman in the American colony in Paris, where she has spent the greater part of the time since her husband's death.

## MOYER LOSES SUIT

### Sued Colorado Executive for Damages as Result of Imprisonment.

Washington, Jan. 18.—The supreme court of the United States today decided against former President Moyer of the Western Federation of Miners, in the damage suit brought by him against former Governor Peabody, of Colorado, on account of Moyer's imprisonment on

the governor's orders, because of his alleged connection with riots at Telluride, Colo., in 1904.

## Notorious Woman Jailed.

## REFUSES INVITATION TO CONVENTION AT POCAHELLO, IDAHO.

Pocatello, Idaho, Jan. 18.—Chief Forester Pinchot turned down two invitations to attend the convention of National Woolgrowers' Association, which adjourned in this city Saturday night. Mr. Pinchot's refusals were based on what he termed the selfish and narrow policy of the

association toward the government forestry work. Pinchot's invitations and his replies were made public here.

On a final showdown on the Chicago wool storage proposition it was found that the signatures to the Chicago contract were 4,500,000 pounds short of the required 25,000,000 pounds necessary to insure the Chicago market.

Methodists Celebrate Birth of Church Missions at Washington, D. C.

Washington, Jan. 18.—In the Metropolitan Methodist Episcopal church in this city Methodist Episcopalians celebrated with prayer and music and addresses the diamond jubilee of the beginning of the missionary movement of the church. Seventy-five years ago the church sent out its first missionary in the person of Melville B. Cox, who landed on the west coast of Africa in Liberia, and began the work that has now spread to all parts of the civilized and uncivilized world.

President Roosevelt and Vice-President Fairbanks spoke at the celebration tonight. Other speakers were Earl Cranston, Methodist Episcopal bishop of Washington, and Joseph C. Hartzell, missionary bishop to Africa since 1896.

One purpose of the celebration is the starting of a fund to equip in better manner the stations of the Methodist Episcopal church in Africa. There are six of these in different parts of the continent, and the sum of \$300,000 is needed to aid in the spreading of their work. Members of the church were asked tonight to contribute that sum in commemoration of the diamond jubilee, in addition to their regular offering.

## CUBA TO GOVERN HERSELF

### Gomez to Be Inaugurated January 28 and Americans Will Withdraw.

Havana, Jan. 18.—On January 28 at noon the Cuban people will come into their own for the second time at the hands of the American government. It was on May 20, 1902, that the American flag, hoisted after the war with Spain, was hauled down in favor of the blue-striped, single-starred ensign of Cuba.

The inauguration of Jose Miguel Gomez, the new president, on January 28, will take place at the palace at noon. Several American warships will fire a national salute, but neither United States sailors nor soldiers re-

maining on the islands will participate in the inaugural parade, as their presence might detract from the pride of the people in the return of native sovereignty.
