April 30.—After several days of snowy, rainy, disagreeable weather, the sun is shining once more.

The farmers on the lower ridge have in their crops.

Sam Warnock has had Mr. and Mrs. Wm. Eddemon, and Virgil Brines working for him all spring, as he is putting in H. W. Dorsey's and R. E. Betchel's crops.

John Emmons has a crew of men from Enterprise working for him, making the coyote proof fence. It will not be finished for some time. Mr. Murdoch who now owns the Emmons ranch is still very busy putting in his crops. He has Walter Adams and wife working for him.

Some of the ranchers are going to put in a little corn.

H. W. Dorsey of White Rose ranch, has gone to Spokane where he expects to work at his trade of carpenter. His daughter, Miss Susie, took him to Sled Springs.

Albert Shuman of Troy, stopped over night with Richard Myers on his way to Enterprise on business. From there he will go to visit his niece, Mrs. John Crossland.

#### Do it Now.

Now is the time to get rid of your rheumatism. You can do so by applying Chamberlain's Liniment. Nine cases out of ten are simply muscular rheumatism due to cold or damp, or chronic rheumatism, and yield to the vigorous application of this liniment. Try it. You are certain to be delighted with the quick relief which it affords. Sold by Burnaugh & Mayfield.

#### INTEREST TO HOMESTEADERS.

The contest by the government against the homestead title of Levi Wilson, above Troy, heard before U. S. Commissioner Sheahan in this city, was abruptly terminated by the government, the witnesses for the defense not being called.

There is considerable local interest in what land has been placed under the 320 acre homestead act, but it is not thought likely any in this county will be included, as it only arid or semiarid land affected, and here is no sage brush desert in Wallowa.

Hoarseness, bronchitis and other throat troubles are quickly cured by Foley's Honey and Tar as it soothes and heals the inflamed throat and bronchial tubes and the most obstinate cough disappears. Insist upon having the genuine Foley's Honey and Tar. Burnaugh & Mayfield.
