SUNDAY SCHOOLS TO PARADE THURSDAY

FIRST EVENT OF THE KIND IN OREGON—DINNER IN FRATERNAL HALL.

The first Sunday school parade in Oregon will occur at the County Sunday School convention in Enterprise, Thursday afternoon at 1:30 o'clock. This is on authority of Rev. Charles A. Phipps, state Sunday school worker. Mr. Phipps is here to attend the convention and on Sunday visited the schools in this city, and at that time said he had never heard of a parade in Oregon as proposed here, but had recently seen the great parade at Tacoma when 5000 Sunday school pupils were in line.

The convention holds its first session, this, Wednesday, afternoon at 2 o'clock, and another this evening at 8 o'clock. Thursday is the big day and at least 50 delegates will be present from all parts of the county.

Basket Dinner in Fraternal Hall. The feature of this convention aside from the parade, will be the basket dinner free to all townspeople as well as visitors, in beautiful Fraternal hall at the noon hour.

Immediately after dinner all pupils of local Sunday schools will repair to their respective churches to prepare for the parade that will take place at 1:30 o'clock.

Following this some of the most interesting things on the program

will come at the afternoon and evening sessions, Thursday.

MEMORIAL DAY.

There were no formal memorial day exercises in Enterprise but a number of our people attended the exercises at Lostine Saturday and Wallowa, Monday.

At Lostine a dinner was served, the proceeds of which will be applied in beautifying the cemetery. A feature of the day was that all graves were decorated. Rev. W. S. Crockett, Mrs. Williamson and Mrs. McKenzie made talks in the afternoon.

The K of P's held memorial services at Wallowa, Monday.

Former Resident Drowned In Lake

Scott King Goes To Watery Grave Near His Home In Seattle.

Scott E. King, a former resident of this county and well known to all the older residents, was drowned at Seattle, presumably in Lake Washington, near which his home stood. The accident occurred, Saturday, May 22, the first news reaching here Friday, when S. E. Harris, nephew and namesake of the deceased, came here on a visit. Mr. Harris had received a telegram from his mother telling him of the sad event. No particulars were given and the supposition that he was drowned in Lake Washington is based on the fact of

WILL VANDERBILTS BUILD TO COAST?

FURTHER RUMOR THAT NORTH-WESTERN IS BACKER OF NORTH COAST

Wallowa county is specially interested in the dispatches that state the Vanderbilt system—the Chicago & Northwestern—will extend to the coast. If the extension is made it is quite likely to cross the north end of this county, if, as reports say, the Northwestern is the backer of the mysterious North Coast. Here is the dispatch that has stirred up railroad circles from New York to Seattle:

Vancouver, B. C., May 29.—For the past 20 night prominent officials of the Chicago, St. Paul-Minneapolis and Omaha railway have been looking over Montana, Idaho and Washington.

It is understood to be the intention of the Northwestern to reach Puget sound by an extension of the Chicago-Omaha line which is now at Lander, Wyo., 50 miles from the Idaho boundary. It is reported surveyors are now engaged at location work in Idaho, and that Marvin Hughtitt, chairman of the executive board of the Northwestern, is the real backer of the mysterious North Coast, now building west from Spokane. The Northwestern will make Seattle its chief terminal and extend a branch to Vancouver.

It is known that several crews of

surveyors believed to be working for the Northwestern, have come across Idaho, down the Salmon river to where it flows into the Snake near Eureka in this county. Other surveyors, believed on strong evidence to be employees of the North Coast, have come across the Blue Mountains down the Little Salmon to Troy, and thence down the Grande Ronde to the Snake, just below the mouth of the Idaho Salmon river.

HOGS BRING 7 CENTS.

Game With Cove Dated For June 18

Local Baseball Team Must Seek Opponents Out of County —Fan Notes

The Cove ball team that is running neck and neck with Union for the lead in the Amateur league, will play the Enterprise team on Friday, June 18. Jack O'Brien, who managed the La Grande professional team last summer, is coaching the Cove team.

The Enterprise second nine played the Lostine club at Lostine Sunday and were beaten by a score of 10 to 9.

Colaway pitched good ball in the second Union game, not a good solid crack being made off his delivery in even innings except one to left field that Savage took care of by a phenomenal catch. The side was retired in order in the second, fifth, sixth and seventh innings.

Two omissions were made in the published score in the hurry of setting it up Friday night. Hug should have been given credit for a sacrifice in the second inning of the second game for his long foul fly caught by Sheets, on which Savage scored. Hug was also entitled to an assist in the fourth inning of the same game when "Casey" forgot to touch Davis running to third. The latter slip of memory did not harm any for "Casey" made a fine pickup of Cline's grounder immediately after, and started a pretty double play by a fast and accurate throw to first, Page relaying the ball home and catching Davis who was trying to score.

The Enterprise Concert band added to the enjoyment of the games by playing on Main street at 1:30 o'clock, and also giving short concerts at the grounds, before and after the first game.

Blyeu retired the side on three pitched balls in the eighth inning of the first game. That's some pitching.

STOLEN PROPERTY RECOVERED.

Sheriff Marvin went to Minam Friday and recovered some stolen property two strangers were leaving the county with. They had got the stuff in a trade in the North Country. A North Country 16 year old boy of good family is accused of being accessory to the theft of a team and buggy at Moscow, Ida., which he and another boy brought to Paradise and Flora and disposed of. The boys were arrested and taken to Moscow. The North Country boy protests his innocence.

HAS FINE SUCCESS IN KEEPING BEES

HONEY-MAKERS PROSPER AT S. T. DAGGETT'S APAIRY ON ALDER SLOPE.

Editor News Record: The readers of your paper will remember I reported last spring that I was well pleased with my success with bees at my place on Alder Slope.

The bees did fairly well last year; my best new swarm was hived July 8, and made 33 pounds of section honey besides well filling their hive for winter. The best old swarm made 27 pounds of section honey.

Last year was a cold, dry season, and I consider the bees did extra well for so short a season. They wintered fine and came out in good shape this spring with lots of honey. We hived our first new swarm May 19, which is about two weeks earlier than they usually swarm in Iowa.

I sold three swarms this spring at \$8 per swarm. I had more on hands than I had room for, and if I have as good luck this year, I will have several swarms to sell next spring.

Someone is telling me that most of our bees and were sick of the business and wanted to sell. That is untrue. I wouldn't sell out the business at any price. We invite all those interested in bees to visit our ranch on Alder Slope and get a taste of Wallowa honey.
