

## Just to Remind You

WHEN MONEY is scarce general stagnation sets in with its resultant disasters to every line of business, to every profession, and every wage-earner. It is therefore to your interest to help to make money plentiful in Oregon by simply keeping it here. The sworn statements of life insurance companies on file with State Insurance Commissioner S. A. Kozer, Salem, Oregon, show that

**10,023,334.00** was sent out of OREGON for life insurance premiums in the past five years.

**3,152,915.00** is the total returned here to pay death losses and dividends in the same five years.

**\$6,870,419.00** is the net amount drained out of Oregon in 5 years for life insurance premiums sent to enrich Wisconsin, New York and other states by making THEIR home companies the custodians of these trust funds from Oregon. Does anyone doubt that the commercial supremacy of New York is due to the centralization of the insurance assets in that market, more than to any other one factor? More money is handled by the insurance companies than all the transportation companies in the country, and it is the centralization of these immense accumulations in one locality that makes that locality the seat of the financial empire.

It is the personal interest of every citizen of Oregon to use his influence that Life insurance be bought of Oregon life and the money kept in Oregon for Oregon's development.

## CATHOLIC SISTER MAKES RIGHT TO SOLICIT AID

There seems to have been a clash of authority in regard to a Catholic sister who is in the valley asking aid for the new hospital at Baker City. Rev. Fr. Whyte of La Grande telegraphed Sheriff Marvin that she was without authority, but the following message in answer to an inquiry by Peter Baudan, settles the matter, and our generous people will be entirely right to give freely, as they are able, to Sister Neri, for the worthy object which she represents:  
Bishops' Home, Baker City, Ore., May 21, 1909.  
To Whom It May Concern:  
The Rev. Sister M. Neri is hereby authorized to receive subscriptions in Wallowa county for the building of the new St. Elizabeth's hospital at Wallowa county for the building of the new St. Elizabeth's hospital at Baker City.
