MARVIN BRINGS HUNTER**FROM WALLA WALLA**

Sheriff Marvin returned from Walla Walla, Saturday, bringing Wm. Hunter, charged with complicity in the horsetealing of Arthur Hultz. Hunter like Hultz waived the preliminary examination and was bound over to circuit court by Justice Smith in the sum of \$2000. Hultz' bail is \$500, and he is still in jail, but Hunter was released Tuesday, 10 Lostine men and one from Enterprise signing his bond.

Hunter was at Walla Walla selling a bunch of horses and when arrested protested vehemently that the horses were his own or some that he could prove authority to sell. However the charge does not concern any of the horses Hunter had at Walla Walla, but refers to the three stolen horses found in Hultz' possession at Asotin.

One of the horses belongs to John Cramer of Wallowa, and the other two are owned by James Henderson of Wallowa.

**LA BELLE MARIE
IS OPENING PLAY****ETHEL TUCKER COMPANY WILL
PRESENT FAVORITE DRAMA
THURSDAY NIGHT.**

The opening bill of the Ethel Tucker Stock company, at the opera house on Thursday evening, will be the stirring drama, "La Belle Marie," in which Miss Tucker appears in the dual role of "Jean Ingleside" and "La Belle Marie." Miss Tucker starred for two seasons throughout the East in this popular play and was pronounced by the critics of the leading eastern papers to be the greatest hit of those years. In Miss Tucker's supporting company are a number of the leading artists of the coast.

Inasmuch as "La Belle Marie" was presented in this city by the Curtiss Comedy company, it is a very happy choice on the part of Miss Tucker, as it will afford the people an excellent chance to make comparisons.

Included in the company are a number of exceedingly clever specialty people. Interspersed between acts on Thursday evening will be dancing and singing specialties by Miss Marjorie Mandeville and a monologue stunt by Mr. Lynton Athey.

The company was billed for a performance on Friday evening but it has been decided to defer that performance until Saturday evening, when the scorchingly funny farce comedy, "Lend Me Your Wife," will be presented. Nothing funnier has ever been seen on the American stage.

**Section Houses
Nearly Finished**

Well Made Structures Being Erected by Joseph Contractor For O. R. & N.

Three buildings are being put up here for section houses, besides out-houses, for the O. R. & N. The largest is the foreman's home and is a structure 24 x 32 feet in size and contains four rooms besides pantry and closets. The bunk house is 16 x 26 in size and will contain two double and four single bunks or accommodations for eight men. The tool house is near the track and will be large enough for a hand car and the many tools used by the men.

The buildings are well constructed throughout of the best fir lumber, and the foreman's house is nicely finished inside. The buildings rest on concrete foundations.

I. H. Robinson of Joseph is the contractor and he is putting up similar groups of buildings at Wallowa and Elgin.

**ENTERPRISE LOSES
GAME TO JOSEPH****CARELESS BASERUNNING MAIN-
LY RESPONSIBLE—NEW STAR
THIRD BASEMAN.**

Enterprise lost a close, interesting and, on the whole, well played game of baseball to Joseph, Sunday afternoon, by careless baserunning and inability to hit when hits meant runs. Swell fielding by Joseph's new third baseman, a son of Editor Shutt, had a great deal to do with Joseph's victory, for by fine stops and accurate, hard throws he turned several incipient basehits into outs.

Tommy Mil'n covered several acres of tangled weeds out in right pasture and made several catches that stopped scoring by Enterprise. Milan was also strong with the stick, getting a homer and a one-base hit. His otherwise good record was marred by letting a ground hit get by him on which W. Pidecock reached second when perfect fielding would have held him at first.

Pace pitched six innings for Enterprise, his first essay at the job, and was found for one or more hits in every inning, including two two-baggers, one three-baser and two homers. Bilyeu pitched the last two innings and fanned five out of six men who faced him, the sixth tapping an easy grounder into Bilyeu's hands.

Hallgarth was hit hard enough to win any ordinary game but the hits were inopportune. Two good chances to score were lost by dokey baserunning.

The umpiring was poor but both sides suffered, Enterprise, however, getting much the worst of it. Perfect umpiring would not have won the

game for Enterprise, its loss being chiefly due, as above stated, to careless work on the bases.

Bauer was the bright, particular star for Enterprise both in fielding, batting and baserunning. If two or three others had been as alive to advance a base on the slightest chance as was Bauer, the result would have been different.

Enterprise made one in the first inning on Akins muff of Shutt's good pickup and throw of Savage's hot grounder, the latter's steal of second, sift of third by virtue of a short passed ball by the catcher, and home on R. Pidecock's sacrifice fly. Score two was made in the second. Billy Bauer knocking a clean home run

**Want to Combine
Two County Fairs****Commercial Club Asks Joseph To
Place Wallowa Exhibit In
La Grande.**

John Collier, president of La Grande Commercial club, W. B. Sargent, member of same and F. B. Carrey, publicity manager, were at Joseph Monday night consulting with the business men and endeavoring to secure their consent to combine the two county fairs in one district fair to be held in La Grande the first week in October. They say La Grande is going to make a big success of the fair, which will be held on vacant ground in the heart of the city big tents and the skating rink housing the exhibits. Horse racing will be cut out, and \$2500 given in prizes for exhibits. The Wallowa county exhibit would be kept together and they argue that it would be seen by 10 cent people to where one would see it if held at Joseph or elsewhere in this valley.

The gentlemen came to Enterprise Tuesday and endeavored to interest the citizens in the same proposition, but of course it is not our say. The fair was voted to Joseph this year by the court and that town has the say whether to combine with Union county or not.

Mac Wood, chairman of the La Grande club fair committee, joined his co-workers here, Tuesday afternoon.

**Springdale Mill
Started Monday**

Will Cut Twenty Thousand Feet Per Day in M. P. Miller Woods.

W. E. Lewis was in from the M. P. Miller timber, Saturday, buying supplies for the big, new lumber camp out there. The Springdale Lumber company started up Monday of this week with a full force of men, there being a dozen men employed in the mill and twice that many in the woods and yard and hauling.

Mr. Lewis says they will cut the nicest lumber he has seen in this county. The trees are extra large and the lumber clear and comparatively free from knots.

The capacity of the mill is 20,000 feet per day. Most of the lumber will be shipped from Wallowa but some will be marketed in Enterprise.

**LARGE SHEEP DEAL
ABOUT COMPLETED****G. S. CRAIG AND J. A. FUNK BUY
OUT FRANK KERNAN
FOR \$30,000.**

George S. Craig of this city and James A. Funk of Turlock, Cal., have about completed a deal by which they will go into the sheep business on a large scale, buying 4780 ewes and lambs and 1280 acres of land of Frank Kernan. The deal also includes fine winter range on the Imada and tributaries.

The land is on the Cheanimus. Messrs Craig and Funk went out to see the sheep today, Tuesday, and if they find things as represented will close the deal, which involves close to \$30,000. The price paid for the sheep is not given out.

Emmons Sells Out.

J. W. Emmons, the pioneer wool grower of the Day Ridge country, reports a splendid year for the sheep and wool in that section. Mr. Emmons had a bunch of yearlings that sheared over 12 pounds and his entire band of 1070 sheep sheared a total of 9870 pounds. Mr. Emmons is retiring from the business, having sold his big ranch to Mr. Mardock of Clarkston last spring, and has now sold his sheep to R. F. Stubbiefield of this city.

**BUYERS CONTRACTING
WALLOWA COUNTY CROP**

"W. J. Townley, one of the well-known and wealthy citizens of the Grande Ronde valley, returned home from the Wallowa valley Friday," says the La Grande Star, "after buying up 3000 tons of hay from the Wallowa valley farmers. This large quantity of hay will be shipped out and held for the market. The buy represents several hundred carloads of finest timothy."

Several other outside parties have been in this vicinity endeavoring to contract for hay and it is reported have offered prices ranging from \$8 to \$10 per ton delivered on board cars at Enterprise.

**WILL PLAY TWO GAMES
HERE SUNDAY AFTERNOON**

Two games will be played in this city next Sunday afternoon, the local team hooking it up with Wallowa at 2 p. m. and with Joseph at 4 p. m. They are advertised as the last games of the season, and if the weather is fair no doubt the largest crowd ever on the grounds will watch the play.
