### City Leases Lot For Stock Pound

Offer by W. H. Graves Accepted—Water Pipe Connection Supplies Ordered.

The city council, Monday night accepted the offer of W. H. Graves of his lot just north of the creamery for a pound. The city is to have the use of the lot six months for fencing same with wire, and after that the rent is \$2.50 a month.  
The city ordered 4000 feet of 3/4 inch galvanized iron pipe at \$6.10 a hundred feet, 100 3/4-inch corporation cocks at \$1.50 each and 100 shut off cocks at 90 cents each. This is the pipe, etc., for making connections between the houses and water mains. The marshal was authorized to order the necessary equipment for cutting pipe and making connections.  
The council will make a rearrangement of the fire hydrants, scattering them more over town.  
A New York bank to which a draft for \$712.50 was sent, interest payment on \$19,000 worth of water works bonds, had the nerve to ask the city to pay a commission of 1/4 of one per cent for receiving the money. The matter was referred to the owners of the bonds, the American Light and Power company. It is one of the city's affair if the New York bank won't accept the Am. L. & P. company's money. Bills of Fred Holmes for \$19.50 and C. S. Taney for \$250 were allowed, the former for building sidewalk bridge over flume and the latter part payment for sidewalk lumber. The bill of S. R. Haworth for \$47.50 was laid over until Mr. Haworth's return so it can be explained to the greater satisfaction and enlightenment of council. It is for dirt hauled on the street from the Litch building excavation. The claim of J. J. Weaver for \$15 damage to his growing crop on the McCormack land by putting in the water pipe across the same was disallowed, the council holding it was a matter between Messrs. Weaver and McCormack.

### ENTERPRISE LOSES GAME TO JOSEPH

(Continued from first page.)  
after two were out. Billy Pidecock followed with a single, reaching second when Milan failed to stop the ball. French ended the inning with a fly to Milan.  
Savage made a hit in the third, there was a short passed ball, R. Pidecock reached first on Hobbs' fumble and Marvin made a hit and stole second. Now with all those innings there should have been at least two scores, but nary a one was tallied, bad baserunning spoiling the chances. In the next Billy Bauer made a two bagger and stole third with only one out, but neither W. Pidecock or French could bring him in. Enterprise's last run was made in the sixth by Marvin on his own hit and steal of second and a wild heave by Akins. Bauer made a two base hit in that inning also but was left on the bag when W. Pidecock

ground out, Shutt to Akins, French and Hug made hits in ninth but the former ended the game by attempting to score from second on Hug's hit when there wasn't the least chance of making it.  
Joseph made a run in the first on Fogleman's hit and steal, and Hallgarth's three bagger. Milan's home run added another in third, Erwin's two base in the fourth, and W. Pidecock's miff of May's easy fly and subsequent wild heave over third, scoring Erwin, gave Joseph its third score. Hallgarth's home run in the sixth made the total four.
