

**THE SECOND ANNUAL  
Portland Fair  
Oregon's Biggest Show!**

**Sept. 20-25  
1909  
Admission 50 cts**

**6 Horse Races Daily  
National Live Stock Exhibits  
Balloon Racing  
Chariot Racing  
Fascinating Midway Attractions**

**FIREWORKS will be the most gorgeous and magnificent pyrotechnic display ever seen on this Coast. This will interest the whole family. Reduced Rates On All Roads**

**A Hurry Up Call.**  
Quick! Mr. Druggist—Quick!—A box of Bucklen's Arnica Salve—Here's a quarter—For the love of Moses, hurry! Baby's burned himself, terribly—Johnnie cut his foot with the ax—Mamie's scalded—Pa can't walk from piles—Billie has boils—and my corns ache. She got it and soon cured all the family. It's the greatest healer on earth. Sold by Burnaugh & Mayfield.

If we had never had a postoffice and our mail was in the hands of a monopoly, as are our telegraphs, our express and our railroads, we would be called impractical theorists and gone-to-seed fadists. If we so much as suggested that the monopoly could carry an ounce letter to New York at the same price as to the next town in Oregon, and that the price should not be over 2 cents.

**Best Treatment for a Burn.**  
If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It allays the pain almost instantly, and unless the injury is a severe one, heals the part without leaving a scar. This salve is also unequalled for chapped hands, sore nipples and diseases of the skin. Price, 25 cents. For sale by Burnaugh & Mayfield.

Echo, Oreg., has an alfalfa meal mill capable of turning out 50 tons of meal a day. Owing to questions of title to water this mill has been idle for some weeks. Would it not be better for all Oregon if titles to water could be speedily settled so that manufacturing enterprises would not be hampered?

**The Road To Success**  
has many obstructions, but none so desperate as poor health. Success to-day demands health, but Electric Bitters is the greatest health builder the world has ever known. It compels perfect action of stomach, liver, kidneys, bowels, purifies and enriches the blood, and tones and invigorates the whole system. Vigorous body and keen brain follow their use. You can't afford to slight Electric Bitters if weak, run-down or sickly. Only 50c. Guaranteed by Burnaugh & Mayfield.

Headquarters for school supplies, Jackson & Weaver's drug store.

**Night On Bald Mountain.**  
On a lonely night Alex. Benton of Fort Edward, N. Y., climbed Bald Mountain to the home of a neighbor, tortured with asthma, bent on curing him with Dr. King's New Discovery, that had cured himself of asthma. This wonderful medicine soon relieved and quickly cured his neighbor. Later it cured his son's wife of a severe lung trouble. Millions believe its the greatest Throat and Lung cure on Earth. Coughs, Colds, Croup, Hemorrhages and Sore Lungs are surely cured by it. Best for Hay Fever, Grip and Whooping Cough. 50c and \$1.00. Trial bottle free. Guaranteed by Burnaugh & Mayfield.

In the dedication of the home of ohn McLoughlin at Oregon City on the fifth instant honor was done to a great man tardily, as is the way so often with mankind. During his life and for years after his death he was bitterly hated by men who knew him in his long active life. Possibly we have today among us men who have enemies, and reviling, and bitterness of soul. The honoring of John McLoughlin should teach us to be more considerate in our condemnations.

**HEALTH AND BEAUTY AID**  
Cosmetics and lotions will not clear our complexion of pimples and blotches like Foley's Orino Laxative. Or indigestion, stomach and liver trouble and habitual constipation. Cleanses the system and is pleasant to take. Burnaugh & Mayfield.

Owing to the efficiency of the fire wardens Lane county has been freer from forest fires than ever before, notwithstanding the dry season. Yet some timber land owners do not want to pay any taxes whatever, though they like to have their timber kept green.

**RESTIFIES AFTER FOUR YEARS.**

Carlisle Center, N. Y., G. B. Burians, writes: "About four years ago I wrote you that I had been entirely cured of kidney trouble by taking two bottles of Foley's Kidney Remedy, and after four years I am again pleased to state that I have never had any of those symptoms, and I am evidently cured to stay cured." Foley's Kidney Remedy will do the same for you. Burnaugh & Mayfield.

**A NARROW ESCAPE.**  
Edgar N. Bayliss, a merchant of Robinsonville, Del., wrote: "About two years ago I was thin and sick, and coughed all the time and if I did not have consumption, it was near to it. I commenced using Foley's Honey and Tar, and it stopped my cough, and I am now entirely well, and have gained twenty-eight pounds, all due to the good result from taking Foley's Honey and Tar." Burnaugh & Mayfield.

In Eastern Oregon the Farmers' Union has succeeded in obtaining reductions for grain sacks amounting in some localities to as much as from 4 to 6 cents each. The farmers by studying their own interests in a business way can reduce both public and private impositions on themselves. That they are inclined to quietly and unitedly do away with unnecessary charges on other things, including public service, is by many considered to the advantage of all Oregon.

**Why?**  
From a small beginning the sale and use of Chamberlain's Cough Remedy has extended to all parts of the United States and to many foreign countries. Why? Because it has proved especially valuable for coughs and colds. For sale by Burnaugh & Mayfield.

"We have enough men who have come to Echo and purchased lots for speculation," says the Register. Every town in Oregon that is trying to get ahead is held back by the speculator, who contributes nothing but tin cans and old mattresses to the improvement of it.

**Go With A Rush.**  
The demand for the wonderful Stomach, Liver and Kidney cure, Dr. King's New Life Pills—is astounding. Burnaugh & Mayfield say they never saw the like. Its because they never fail to cure Sour Stomach, Constipation, Indigestion, Biliousness, Jaundice, Sick Headache, Chills and Malaria. Only 25c. Burnaugh & Mayfield.

In bonding their property for \$700,000 with which to improve their harbor the people of Coos Bay have made no mistake. The intrinsic value of the land thus bonded will be increased by several millions when by the time the money is thus expended.

**Good for Biliousness.**  
"I took two of Chamberlain's Stomach and Liver Tablets last night, and I feel fifty per cent better than I have for weeks. Says J. J. Firestone of Allegan, Mich. "They are certainly a fine article for biliousness." For sale by Burnaugh & Mayfield. Samples free.

In demanding better looking schoolhouses and grounds surrounding them he grangers are carrying on a most excellent work. Good schools and surroundings make for better citizenship and attract newcomers.

**Household Hints.**  
The quickest cleaner for a sticky bread or cake pan is a crust of stale bread.

A dish of water kept on the radiator will improve the air of a steam heated room.

A scratch on polished furniture can be almost obliterated by rubbing vigorously with linseed oil.

Fringed dollies are kept in better condition if the fringe is brushed with a small nail brush rather than with a comb.

The darkest stain on mirror or window pane can generally be routed with a flannel dipped in spirits of camphor. Rub until dry.

A good silence cloth for the dining table can be made with a double thickness of white flannel laid with the soft side on the inside and quilted on the machine. Edge with a binding of white tape.

**Facts From France.**

France has more than 217 miles of pneumatic tubes for conveying the mail, divided between Paris, Lyons and Marseilles.

There are 85,840 trees in Paris, and each tree has its number, age, history and condition recorded in the books at the Hotel de Ville. The appropriation for this department is 480,000 francs a year.

Two French army dogs have drawn light ambulances, the invention of a lieutenant, with a load of 180 pounds each, for some 375 miles without a breakdown, showing how they can be used in war.
