**DENMARK ABOLISHES POVERTY AMONG THE AGED.**

With old-age relief, Denmark has had a striking experience in proof of the ancient maxim, "The more you do, the more you may do." In 1893, about 43,000 aged persons were enjoying assistance from the community. In 1905 there were nearly 67,000. There has been no increase in poverty or in population, to explain this growth; and it seems that the larger number must be accounted for by the fact that now, as age comes on, the individual begins to arrange his affairs so that he can obtain the government help. Furthermore, the average amount paid out per person has, since 1894, gone up from \$18.30 to something more than \$26. But Denmark is a land of prosperity; the expenditure of the state among all the people would be only about thirty cents for each, and even though the Danish old-age provision is expensive, no one cares.

One advantage of the Danish law over the German plan is that it protects the aged and deserving poor, and not merely the former employees of industry. Except for the demand that the applicant be deserving, no class is selected for protection.—R. W. Child, in Everybody's Magazine.

**The Best Plaster.**

A piece of flannel dampened with Chamberlain's Liniment and bound to the afflicted part is superior to any plaster. When troubled with lame back or pains in the side or chest get a trial and you are certain to be more than pleased with the prompt relief which it affords. This liniment also relieves rheumatic pains and is certain to please anyone suffering from that disease. Sold by Burnaugh & Mayfield.

**PAINTING UP A CONTINENT.**

Whoever heard of E. R. Drew? No one in my acquaintance, while embracing shores of men who are supposed to have heard of everybody worth hearing about from kings down to dog-eaters. It is no first to dilberies you never heard of him. He is the most modest, shrinking little man imaginable.

Yet give heed to what E. R. Drew has accomplished: He has smeared advertisements over sixty thousand miles of our country scenery, covered both banks of the Mississippi from New Orleans to Cairo, both banks of the Ohio from Cairo to Pittsburgh, decorated as much of the Grand Canyon of the Colorado as he could reach with a boat's chair, and painted across the Canadian and Mexican borders, and the Atlantic and Pacific coasts. He was the first

man to paint a bicycle on the craggy steeps of the Green Mountains. He flew the first chewing-gum banner from a balloon.—Parton Wood Currie, in Everybody's Magazine.

**It's A Top Notch Doer.**

Great deeds compel regard. The crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every cold and influenza vanishes. It heals cough-racked membranes and coughing stops. Sore inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. George More, Black Jack, N. C., writes "It cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by Burnaugh & Mayfield.

**Money Comes in Bunches.**

O. A. A. Chisholm, of Treadwell, N. Y., says: "His reason is well worth reading: 'For a long time I suffered from indigestion, torpid liver, constipation, nervousness and general debility,' he writes. 'I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine.' Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c. at Burnaugh & Mayfield's."

Nothing else is as safe and certain in results. For sale by Burnaugh & Mayfield.
