lies in a keen, clear brain, backed by indomitable will and resistless energy. Such power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, Lizenore, W. Va., writes: "They are the best pills I ever used." 25c at Burnaugh & Mayfield's.

**Told the Truth.**  
Excited Fisherman (to country hotel keeper)—There isn't a bit of fishing about here! Every brook has a sign warning people off. What do you mean by luring anglers here with the promise of fine fishing?  
Hotel Keeper—I didn't say anything about fine fishing. If you read my advertisement carefully you will see that what I said was "Fishing unapproachable."—London Telegraph.

**C. R. Kluger, the Jeweler**, 1060 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." For sale by Burnaugh & Mayfield.

**Realistic.**  
"You call him a powerful orator? Why, when he spoke of the abyss that confronts our nation the people actually weaned!"  
"Certainly. He made the people actually see the abyss yawn, and you know how infectious yawning is."

**For Chapped Skin.**  
Chapped skin whether on the hands or face may be cured in one night by applying Chamberlain's Salve. It is always unequalled for sore nipples, burns and scalds. For sale by Burnaugh & Mayfield.

**OF BENEFIT TO ALL**  
Kasparilla is the name of a new remedy most successfully prescribed for a "work of troubles." For derangements of the digestive organs it is a natural corrective operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthy activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of trouble directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value. If it fails to satisfy we authorize our dealers to refund the purchase price.

**A Jowett Story.**  
In spite of the reputation for latitudinarianism he gained from his early trial for heresy, the late Professor Jowett of Oxford was intolerant of pretentiousness and shallow conceit. One self-satisfied undergraduate met the master one day. "Master," he said, "I have searched everywhere in all philosophies, ancient and modern, and nowhere do I find the evidence of a God."  
"Mr. —," replied the master after a shorter pause than usual, "if you don't find a God by 5 o'clock this afternoon you must leave this college."

**Whirlwind Tablets** cure rheumatism in this climate. They have relieved hundreds and cured scores of cases in Union and Wallowa counties, positive proof, names, etc., furnished on application. For sale by Jackson & Weaver, Enterprise. 20ct

**Locust Plagues.**  
History mentions many pestilences caused by the decaying bodies of dead locusts. On one occasion so many locusts perished off the coast of Africa that a bank four or five feet high and fifty miles long was formed on the shore by their dead bodies, and the stench of them reached inland for 150 miles. In another part of Africa early in the Christian era a plague of locusts is said to have caused the death of 800,000 persons, and in 591 nearly as bad a plague occurred in Italy.—New York American.

**Its A Top Notch Doer.**  
Great deeds compel regard. The crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every atom is a health force. It kills germs and colds and la grippe vanishes. It heals cough-racked membranes and coughing stops. Sore inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. George More, Black Jack, N. C., writes "It cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by Burnaugh & Mayfield.

**Very Obliging.**  
"Although he overcharged me terribly," says the returned traveler, "the cab driver who took me over Paris was most polite."  
"All Frenchmen are," we observe.  
"Yes, but this one got off his box and helped me find the necessary profanity in my French-English dictionary, so that I might say what I thought of him."—Life.

**The Best Plaster.**  
A piece of flannel dampened with Chamberlain's Liniment and bound on the afflicted part is superior to any plaster. When troubled with lame back or pains in the side or chest: give it a trial and you are certain to be more than pleased with the prompt relief which it affords. This liniment also relieves rheumatic pains and is certain to please anyone suffering from that disease. Sold by Burnaugh & Mayfield.

**Measquitoes Common to All Lands.**  
Every climate is the mosquito's choice. In the remote tropics the explorer who disturbs for the first time with the prow of his adventuring canoe the surface of a winding river finds a cloud of microscopic spearsmen waiting his arrival. In the great North woods, says a writer in the Technical World Magazine, the mosquitoes drive the deer into deep water, and the growl of their baffled buzzing about the ear of the sleeping woodsman is almost terrifying. The prospector, toiling under his pack in leeward Alaska, knows no respite from their stings.

**Foley's Honey and Tar** clears the air passages, stops the irritation in the throat, soothes the inflamed membranes, and the most obstinate cough disappears. Sore and inflamed lungs are healed and strengthened, and the cold is expelled from the system. Refuse any but the genuine in the yellow package. For sale by Burnaugh & Mayfield.

**There Only by Inference.**  
An Englishman coming by train to Glasgow for the first time and passing Motherwell Junction said to a gentleman opposite, with whom he had been chatting:  
"Queer name, 'Motherwell.' Is there a 'Fatherwell' next?"  
"No," was the reply, "but we come immediately to 'Bothwell.'"—London Tit-Bits.

**Money Comes in Bunches**  
to A. A. Chisholm, of Treadwell, N. Y., now. His reason is well worth reading: "For a long time I suffered from indigestion, torpid liver, constipation, nervousness and general debility," he writes. "I couldn't sleep, had no appetite, nor ambition, grew weaker every day in spite of medical treatment. Then used Electric Bitters. Twelve bottles restored all my old-time health and vigor. Now I can attend to business every day. It's a wonderful medicine." Infallible for Stomach, Liver, Kidneys, Blood and Nerves. 50c. at Burnaugh & Mayfield's.

**Wills in Ancient Greece.**  
Wills were introduced into Athens by Solon, though in many other parts of Greece they were discountenanced. Diogenes Laertius gives copies of the wills of several celebrated men, such as Plato, Aristotle and others. Before Solon's law no man was allowed to make a will, the wealth of the deceased befalling in certain proportion to the members of his family, and even after Solon only an Athenian citizen had the privilege of bequest, the estates of both slaves and foreigners being confiscated for the use of the public.

**Rather Crowded.**  
He made the acquaintance of the young woman at the house of a friend and was severely smitten.  
"May I call on you?" he found the courage to ask her.  
The girl looked troubled.  
"I'm afraid not," she replied.  
Then she noticed his look of deep disappointment and hastily added: "We live in a flat, you see, and mamma and sister always sit in the parlor, and papa and the boys play checkers in the dining room, and the kitchen is so awfully small and hot. Would—would you mind sitting on the fire escape?"  
Of course he hurriedly told her he wouldn't mind it at all, and the course of true love ran smooth again.—Cleveland Plain Dealer.

**How to Cure a Cold.**  
Be as careful as you can, you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in factoring the system to a healthy condition. For sale by Burnaugh & Mayfield.

**Air Germs.**  
Ordinary air is by no means air proper. It is proved to contain a number of impurities, and the air of cities always contains a quantity of almost measurable particles of dirt. With this dead dirt it is now known that small particles of living matter are associated. These small bodies, coming into a fluid rich in nutriment (such as the human body, for instance, affords, grow up in it at its expense. Such are the so-called "germs," and such is the origin of many of the most fatal of the diseases that ravage humanity.

Full colds are quickly cured by Foley's Honey and Tar, the great throat and lung remedy. The genuine contains no harmful drugs. For sale by Burnaugh & Mayfield.

**Some Repartee.**  
We heard this one at a garage yesterday:  
"You're a bum driver," says one chauffeur.  
"Say," says the other, "what I know about automobiles would fill a library."  
"Yes, and what you don't know about 'em would fill a morgue."—Cleveland Leader.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorder of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by Burnaugh & Mayfield.

**Rabbits Swimming.**  
Rabbits are not fond of water and do not swim, as a rule, yet they can swim under compulsion. They look very odd when swimming. They keep their heads and tails above the water, while the fore part of their bodies is deeply submerged.

Mr. F. G. Fritz, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is mild, pleasant and effective, and cures habitual constipation. For sale by Burnaugh & Mayfield.
