"Is that so?" asked the surprised journalist. "It is," assured the driver, "except in, av course, thim in furrin parts."

C. R. Kluger, the Jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." For sale by Burnaugh & Mayfield.

OF BENEFIT TO ALL

Kasparilla is the name of a new remedy most successfully prescribed for a "world of troubles." For derangements of the digestive organs it is a natural corrective, operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthy activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value. If it fails to satisfy we authorize all dealers to refund the purchase price. HOVY CHEMICAL CO. Portland, Oregon.

A Discourager. "I don't believe in feeding tramps at the door," said Mrs. West. "You feed them once and they are sure to come back." "Well, I don't know. I always give them bread when they come to my door, and I can't say I ever knew a tramp to come a second time." "Oh, well, Mrs. West, you make your own bread, do you not?" "That was all that was said, and yet Mrs. West went down the street like a straw hat on a windy day.—Pearson's Weekly.

If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities, strengthens and builds up these organs and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. For sale by Burnaugh & Mayfield.

The Fighting Parson. When the zent-grandfather of the Duke of Norfolk was engaged in any of his electioneering contests he was always attended by his chaplain, an athletic man, one who had made such good use of his hands on several occasions that he acquired the name of "the fighting parson." Mr. Dauncey, an eminent counsel, having once to examine him as a witness during a trial, asked whether he was not the gentleman called "the fighting parson." "I believe I am, sir," the divine replied, "but if you require any more positive proof and will do me the favor to step out of court I will give it to you under my own hand." No further evidence was taken.—Baily's Magazine.

Croup Cured and a Child's Life Saved. "It affords me great pleasure to add my testimony to that of the thousands who have been benefited by Chamberlain's Cough Remedy. My child, Andrew, when only three years old, was taken with a severe attack of croup, and thanks to the prompt use of Chamberlain's Cough Remedy his life was saved and today he is a robust and healthy boy," says Mrs. A. Coy, Jr., of San Antonio, Texas. "This Remedy has been in use for many years. Thousands of mothers keep it at hand, and it has never been known to fail. For sale by Burnaugh & Mayfield.

Marvelous! An idea of the lightning-like speed attained in some parts of South America by telegrams may be obtained from this one, sent by a Colombian husband to his wife: "When you receive this I shall be in your arms."—New York Times.

BOTH BOYS SAVED. Louis Boon, a leading merchant of Norway, Mich., writes: "Three bottles of Foley's Honey and Tar absolutely cured my boy of a severe cough, and a neighbor's boy, who was so ill with a cold that the doctors gave him up, was cured by taking Foley's Honey and Tar." Nothing else is as safe and certain in results. For sale by Burnaugh & Mayfield.

Innocence. "Have you an antler from a buck?" asked the man in evening clothes as he entered the dusty little shop of the taxidermist. "Er—yes," responded the proprietor, "but we usually sell the antlers in sets. Isn't it rather unusual to ask for one antler?" "It is, old man, but I'll make a condition of you. Early in the evening I told my wife I was going to a stag supper down at the club, and she made me promise that I would bring her a horn from the stag, so I'll have to keep my promise."—Chicago News.

A Methodist Minister Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years for diarrhoea. I consider it the best remedy I have ever tried for that trouble. I bought a bottle of it a few days ago from our druggist, Mr. R. R. Brooks. I shall ever be glad to speak a word in its praise when I have the opportunity.—Rev. J. D. Knapp, Pastor M. E. Church, Miles Grove, Pa. Sold by Burnaugh & Mayfield.

Greatest Cavalry Fight. The most tremendous cavalry fight, perhaps, that the world has ever seen took place at Dorys, Syria, during the first of the crusades between the mailed chivalry of Christian Europe and the Saracens. The cavalry of the crusaders numbered 110,000, while that of the Saracens reached the prodigious figure of 300,000. Completely surprised by the enemy, the Christians recovered themselves and won the day. It is said that 50,000 of the Turkish horse were left dead upon the field.—New York American.

Whirlwind Tablets cure rheumatism in this climate. They have relieved hundreds and cured scores of cases in Union and Wallowa counties, positive proof, names, etc., furnished on application. For sale by Jackson & Weaver, Enterprise, 20bt

Quite Informal. When Mark Twain lived in Buffalo he made the acquaintance of some neighbors under peculiar circumstances. Emerging from his house one morning, he saw something which made him run across the street and remark to the people who were gathered on the veranda: "My name is Clemens. My wife and I have been intending to call on you and make your acquaintance. We owe you an apology for not doing it before now. I beg your pardon for intruding on you in this informal manner and at this time of day, but your house is on fire!"

Good Cough Medicine for Children and Grown Folks, Too.

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain of Boyd, Ky. "I found it to be so good for croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks, too." The above shows the implicit confidence many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to child as confidently as to an adult. For sale by Burnaugh & Mayfield.

Earthquakes. It has been ascertained by statisticians that some 60 per cent of the earthquakes recorded all the world over have occurred during the six colder months of the year. In the Mediterranean and many other districts the proportion during the cold weather is even greater. January and February seem to be the two months especially favored in this respect.

Sick Headache. This distressing disease results from a disordered condition of the stomach and can be cured by taking Chamberlain's Stomach and Liver Tablets. Get a free sample at Burnaugh & Mayfield's drug store and try it.

Seventeenth Century Sheep. "The best and biggest sheep," says Fuller in his famous "Worthies of England," published in the year 1602, "are those of the vale of Aylesbury, in Buckinghamshire, where it is nothing to give £10 or more for a breed ram. So that should a foreigner hear of the price thereof he would guess that ram rather to be some Norman engine of battery than the creature commonly so called. Foreigners," he adds, "much admire our English sheep because they do not, as those beyond the seas, follow their shepherds like a pack of dogs, but wander wide abroad."

Foley's Honey and Tar clears the air passages, stops the irritation in the throat, soothes the inflamed membranes, and the most obstinate cough disappears. Sore and inflamed lungs are healed and strengthened, and the cold is expelled from the system. Refuse any but the genuine in the yellow package. For sale by Burnaugh & Mayfield.

Railways in Holland. Of the railways in Holland E. V. Lucas writes: "The trains come in to the minute and go out to the minute. The officials are intelligent and polite. The carriages are good. Every station has its waiting room, where you may sit and read and drink a cup of coffee that is not only hot and fresh, but is recognizably the product of the berry. It is impossible to travel in the wrong train."—Exchange.

The Only Perfect Food.
The Chesapeake bay oyster is the only perfect food known to man. Every molecule of its frame is utilized. There are no feathers to blow away in picking; there are no bones to be heaved to the house dog under the table; there are no hoofs, horns, fur, down, gristles or soup meat to be wasted. It is more valuable than the hog, for it has no squeal to lose. The only sound it makes in dying is a satisfied kerrump. It seems to enjoy being eaten, and if not, it is at least polite enough to refrain from spoiling the feast with disgusting protests.
In a word, it has delicacy of feeling as well as delicacy of flavor.—Baltimore Sun.

Forced into Exile.
Wm. Upchurch of Glen Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infallible for Coughs and Colds, it dispels Hoarseness and Sore Throat, Cures Grip, Bronchitis, Whooping Cough, 50c and \$1.00, trial bottle free, guaranteed by Burnaugh & Mayfield.

The Weight of Crowds.
In the building of theater galleries and grand stands the supporting strength of the structure has to be carefully worked out. This is done by multiplying the area in square feet by the pressure which it is estimated a crowd exerts per square foot and making the supports proportionately strong. At one time the weight of a crowd was determined at between 82 and 102 pounds per square foot, but experiments have shown this to be a great underestimation and that the weight exerted is now calculated at from 123 to 133 pounds.—Exchange.

Fall colds are quickly cured by Foley's Honey and Tar, the great throat and lung remedy. The genuine contains no harmful drugs. For sale by Burnaugh & Mayfield.

Distance of the Pleiades.
It was calculated some years ago by the leading astronomers of Europe that Alcyone, the star in the Pleiades around which the sun and the whole solar system are thought to be revolving, was about 944,000,000,000,000 miles from us, a distance that it would take light about 163 years to travel, going at the rate of 186 miles a second.

What Would You Do?
In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar. For sale by Burnaugh & Mayfield.

Mr. F. G. Fritz, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is mild, pleasant and effective, and cures habitual constipation. For sale by Burnaugh & Mayfield.

Harold—What did she say when you turned out the gas and kissed her?
Rupert—Said she felt as if she never wanted to see my face again.—Philadelphia Record.
