Coast consumers will be able to take advantage of commodities brought directly here from the old world and the vessels will have large loading space available for carrying Coast products back to European markets.

C. R. Kluger, the Jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies had failed." For sale by Burnaugh & Mayfield.

Thousands of new settlers have come to Oregon and Washington during the period that the low one-way colonist rates were in effect and are now building permanent homes here. On the O. R. & N. lines alone, 7,164 homeseekers came to the Northwest between September 15 and October 15. This is a very satisfactory increase over the travel of this kind during the similar period of last fall, and shows that the tide of immigration is steadily growing stronger to this favored section of the country.

Young Girls Are Victims
of headache, as well as older women, but all get relief and prompt cure from Dr. King's New Life Pills, the world's best remedy for sick and nervous headaches. They make pure blood, and strong nerves and build up your health. Try them. 25c at Burnaugh & Mayfield's.

Manchurian larks, entirely new song birds for this country, will be liberated in Oregon next spring, being the first of this species ever brought to America. Mrs. Fred D. Fisher, wife of the American consul at Niu-Chwang, Manchuria, who has returned to America with her husband, brought back 15 of the birds. She will keep them through the winter and liberate them in the spring. The imported songsters are rated as among the best song birds in the world. They are about the size of the native lark but are the color of the wren. The Chinese keep them in cages in their homes.

If people with symptoms of kidney or bladder trouble could realize their danger they would without loss of time commence taking Foley's Kidney Remedy. This great remedy stops the pain and the irregularities, strengthens and builds up these organs and there is no danger of Bright's disease or other serious disorder. Do not disregard the early symptoms. For sale by Burnaugh & Mayfield.

The centenary of the first American settlement on the Pacific coast will be celebrated by Astoria in 1911 and plans for the affair are already being discussed. Descendants of John Jacob Astor will be asked to join in the commemoration of the planting of the first American city on the Pacific coast by the founder of that famous family. The story of the founding of Astoria is told in Washington Irving's book of that name.

Group Cured and a Child's Life Saved.

"It affords me great pleasure to add my testimony to that of the thousands who have been benefited by Chamberlain's Cough Remedy. My child, Andrew, when only three years old, was taken with a severe attack of croup, and thanks to the prompt use of Chamberlain's Cough Remedy his life was saved and today he is a robust and healthy boy," says Mrs. A. Coy, Jr., of San Antonio, Texas. His Remedy has been in use for many years. Thousands of mothers keep it at hand, and it has never been known to fail. For sale by Burnaugh & Mayfield.

BOTH BOYS SAVED.
Louis Boom, a leading merchant of Norway, Mich., writes: "Three bottles of Foley's Honey and Tar absolutely cured my boy of a severe cough, and a neighbor's boy, who was so ill with a cold that the doctors gave him up, was cured by taking Foley's Honey and Tar." Nothing else is as safe and certain in results. For sale by Burnaugh & Mayfield.

The State Threshermen's Association has its annual convention in prospect on December 2 and 3 at The Dalles. There is a prize offer of \$200 for the best bushel of wheat grown in the state, offered by Phillip S. Bates, secretary of the association. Judges in this contest have been named as follows: Prof. H. D. Scudder, agronomist at the Oregon Agricultural college, and J. W. Ganong, vice-president of the Portland Flouring mills. Addresses of note are on the program. Prof. Phil S. Rose, Madison, Wis., will lecture on the use of gasoline power on the farm, and Byron Hunter, of the Department of Agriculture, Washington, D. C., will speak on the selection of seed wheat and the organization of seed growers association. A Methodist Minister Recommends Chamberlain's Colic, Cholera and Diarrhoea Remedy.
I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years for diarrhoea. I consider it the best remedy I have ever tried for that trouble. I bought a bottle of it a few days ago from our druggist, Mr. R. R. Brooks. I shall ever be glad to speak a word in its praise when I have the opportunity.—Rev. J. D. Knapp, Pastor M. E. Church, Miles Grove, Pa. Sold by Burnaugh & Mayfield.

Oregon's chief city is going ahead as never before in its history. Portland is growing because the state at large is prosperous and is constantly increasing its wealth. Plans to beautify the city by following a comprehensive scheme of city building are now receiving a great deal of attention. Mayor Simon announces that during the coming year 90 miles of hard surface pavement will be put down, making the streets of the metropolis equal, if not superior, to any other city in the West. At present Portland has a total of 60 miles of hard surface pavements.

Good Cough Medicine for Children and Grown Folks, Too.

"We could hardly do without Chamberlain's Cough Remedy," says Mrs. Flora Despain of Bloyd, Ky. "I found it to be so good for croup and have used it for years. I can heartily recommend it for coughs, colds and croup in children and grown folks, too." The above shows the implicit confidence many mothers place in Chamberlain's Cough Remedy, a confidence based on many years' experience in the use of it. No one need hesitate to use this remedy for it contains no chloroform, opium or other narcotics and may be given to child as confidently as to an adult. For sale by Burnaugh & Mayfield.

Apples grown in Oregon and Washington will grace the tables of European royalty this winter, through the plan of James J. Hill, the Great Northern magnate, who has ordered 100 boxes of the best apples displayed at the Spokane apple show. He has wired his Spokane agent to pay \$10 a box if necessary. He says he wants the apples for Christmas presents to the following: "Royal and titled heads of Europe holding stock in the Hill roads, the Queen of Denmark, the King of England, the Emperor of Germany, titled members of the British parliament and German and Swedish personages of royal blood." Apples will be selected from fruit grown along the Hill lines and from the Deschutes Valley.

Oregon has contributed eight millions to the reclamation funds of the general government and gets back but three. The expenditure of the missing five millions in Oregon would create fifty in land values.

Good Company for 1909.
You are careful what choice of friends the young people of your household make. You do not open wide the door to those whose speech and behavior betray ill-breeding and lax morals. Are you as careful to shut it against books and periodicals that present vulgar and demoralizing pictures of life and its purpose? Perhaps you are among those who have found that The Youth's Companion occupies the same place in the family reading that the high-minded young man or woman holds among your associates. The Companion is good without being "goody-goody." It is entertaining, it is informing. In its stories it depicts life truly, but it chooses those phases of life in which duty, honor, loyalty are the guiding motives.

A full description of the current volume will be sent with sample copies of the paper to any address on request. The new subscriber who at once sends \$1.75 for a year's subscription will receive free The Companion's new Calendar for 1909, "In Grandmother's Garden," lithographed in thirteen colors.

Forced into Exile.
Wm. Upchurch of Glen Oak, Okla., was an exile from home. Mountain air, he thought, would cure a frightful lung-racking cough that had defied all remedies for two years. After six months he returned, death dogging his steps. "Then I began to use Dr. King's New Discovery," he writes, "and after taking six bottles I am as well as ever." It saves thousands yearly from desperate lung diseases. Infallible for Coughs and Colds, it dispels Hoarseness and Sore Throat, Cures Grip, Bronchitis, Whooping Cough, 50c and \$1.00, trial bottle free, guaranteed by Burnaugh & Mayfield.

What Would You Do?
In case of a burn or scald what would you do to relieve the pain? Such injuries are liable to occur in any family and everyone should be prepared for them. Chamberlain's Salve applied on a soft cloth will relieve the pain almost instantly, and unless the injury is a very severe one, will cause the parts to heal without leaving a scar. For sale by Burnaugh & Mayfield.

A NINE DAYS' WONDER.
In the Pacific Monthly for December, Frank J. McGittigan narrates in detail the remarkable occurrences at the Sanders-Harps home in Portland, when for four hours of the afternoon of October 28 the entire contents of the house from cellar to garret were turned topsy-turvy by some unknown force. He gives the statements of several among the many scores of witnesses, together with an account of his own observations. In broad daylight, in a very commonplace dwelling, in plain view of hundreds of people, chairs and other articles of furniture, repeatedly tilted or overturned themselves. Crockery and various fragile articles hurled themselves to the floor, causing a heavy loss, by breakage, to the American working family occupying this house. This is probably the most remarkable and best authenticated occurrence of its kind of which there is any record, and great interest has been aroused among scientists everywhere since the Associated Press
