Point of Difference.  
"Yes," said the bride of three short months, "I had made up my mind to remain in the splinter class, then John appeared upon the scene and I accepted him because he was so unlike other men."

"Oh, of course he's different," rejoined the envious lady friend. "He proposed."—Yonkers Statesman.

**Clip This Out.**  
At the first sign of rheumatic pains or backache, or a feeling of being generally run down and weakened, the following simple prescription should be used:

"One ounce compound syrup Sarsaparilla; one ounce Toris compound; half pint high grade whiskey. Mix them and take a tablespoonful before each meal and at bedtime. The bottle must be well shaken each time."

Any druggist has these ingredients or he will get them from his wholesale house.

**German Plan Is To Be Given Trial In America.**

## TWO CONGRESSMEN INTERESTED

**National Anti-Trust League Will Make War on Combinations that Increase Cost of Living.**

Washington, Jan. 1.—Plans for a national boycott of those combinations that increase the cost of living were laid here tonight, when the National Anti-trust League was launched.

Members of congress are interested in the new movement and immediate steps will be taken toward perfecting state organizations.

Then, when prices soar, league members, by stopping the use of such articles or commodities as have gone above a certain level, will try to put them back by refusing to furnish a market.

The plan was tried in Germany a few years ago, and, according to a report, broke up a combine that had raised the price of coffee to an almost prohibitive point.

The meeting was informal, and no final organizations was effected. It was understood, however, that the crusade just begun should go on in the name of the Anti-trust League, and that the organization should be non-political.

As soon as congress reconvenes a permanent organization will be effected. Among the speakers tonight were minority leader Clark and Congressman McKinley, of California.

The women of the United States will be taken into membership on equal terms with men, and will have equal voice in the campaign.

A nominal fee will be charged members to cover the cost of mailing proclamations against articles of food that have been pushed too high in the market.

## DAUGHTER'S PLOT ENRICHES

Witnesses Confirm Story That Girl Stole \$97,820.

Chicago, Jan. 1.—Angelina Schiavone's dramatic story, in which she told how she robbed her father's bank of \$97,820 and gave it to her uncle, Francesco Schiavone, to gain a husband, received strong confirmation from other witnesses today in the trial of Francesco Schiavone and his family before Judge Tuthill.

The original packages of money taken from Pasquale Schiavone's bank were traced to one of the defendants, Mollie Schiavone, daughter of Francesco, and said to have inspired her cousin with the idea that she could buy a husband.

D. Costello, formerly receiving teller from the West Side Trust & Savings bank, testified that Mollie Schiavone had made frequent deposits of \$500 for her father, Francesco Schiavone.

Mollie always made a deposit for her father, Francesco, the witness said, and he did not recall an instance when Francesco had deposited such money himself.

## DAMAGE SUITS THREATENED.

Independent Oil Men to Sue Standard Oil by Thousands.

Springfield, Mass., Jan. 1.—Several thousand damage suits against the Standard Oil company of New Jersey will be instituted by the independent oil refiners if the United States supreme court upholds the decision of the circuit court for the Missouri district ordering the corporation dissolved. Thomas L. Higen, presidential candidate of the Independence party in 1908, who is now president of the Independent Petroleum Marketers' association, today announced that independent refiners would base their proceedings under the section of the Sherman law providing that any person or company injured by a corporation may bring action against it for fourfold damages.

## Third Death in Tong War.

New York, Jan. 1.—Renewal of the tong warfare in New York's Chinatown claimed another victim early this morning, when a Chinese actor was shot and killed in the hallway of a tenement house, just before daybreak. Ah Hung, who was a prominent member of one of the Chinese secret organizations, was in his room when a voice demanded admission. Ah Hung opened the door an inch or two and peeped out. There was a shot and then a scamp of feet down the stairs. Neighbors found Ah Hung lying dead. A bullet had penetrated the body.

## Zelaya Regarded as Martyr.

Mexico City, Jan. 1.—Dr. Groesbeck Walsh, formerly acting United States consul at Corinto, passed through here today. He said Zelaya was looked upon as a martyr by the people of Central America. Dr. Walsh said that he knew that when Zelaya was in power he had caused consular reports to be intercepted and had muzzled the press. Papers of Costa Rica are bristling with paragraphs such as "Down with the Yankees," "We must stand together," and "Zelaya is a martyr."

## Lampere Dies in Prison.

La Porte, Ind.—Jan. 1.—Ray Lampere, convicted slayer of Mrs. Belle Guinness, of "murder farm" fame, and her children, died tonight of tuberculosis in the Michigan City penitentiary, where he was serving an indeterminate term for arson.

**A Miracle of Science.**  
Aeroplane is another miracle of practical science—another impossibility shown to be possible—another dream of centuries realized, but realized in a manner which none but this generation could have understood. Will the history of the steam locomotive speed on railroads is no higher to-day than it was sixty years ago, though, of course, the train loads are very different. Will it be so with the aeroplane?

**What's in a Name?**  
An amusing story has been told concerning Mr. Phillips' classic drama, "Ulysses." When it was being played in America, two young girls were sitting together in the stalls at a matinee performance, and before the curtain rose the following conversation was heard: "Say, Maude, I know this play is going to be funny." "What makes you think so?" asked Maude. "Why, anybody could tell that from the name!" was the reply.—M. A. P.

Willie, a little country boy, 6 years of age, was taken one Sunday night to a large city church, where he saw for the first time a vested choir. To his mother's surprise and gratification, he not only kept wide awake, but seemed greatly interested in every part of the service. At its close he turned to her and said, "I like this church, it is so nice to watch the preacher when he comes out with all his wives in their nightgowns."—Harper's Magazine.
