Dante's Fierce Retort. The secret of Dante's struggle through life was in the reckless sarcasm of his answer to the Prince of Verona, who asked him how he could account for the fact that in the household of princes the court fool was in greater favor than the philosopher. "Similarity of mind," said the fierce genius, "is all the world over the source of friendship."

Have you a weak throat? If so, you cannot be too careful. You cannot begin treatment too early. Each cold makes you more liable to another and the last is always the hardest to cure. If you will take Chamberlain's Cough Remedy at the outset you will be saved much trouble. Sold by all dealers.

A Conundrum. Why is a silly song like a false argument? Because it is an absurdity.—London Fun.

Modus Vivendi. The term modus vivendi is a mutual arrangement whereby persons not at the time being on friendly terms can be induced to live together in harmony. The term may be applied to individuals, to societies or to peoples. It signifies a mode of living.

The busiest and mightiest little thing that ever was made is Chamberlain's Stomach and Liver Tablets. They do the work whenever you require their aid. These tablets change weakness into strength, listlessness into energy, gloominess into joyousness. Their action is so gentle one don't realize they have taken a purgative. Sold by all dealers.

Revising an Old One. Miss Prim—When I marry I am determined that my husband shall dress in good taste. Miss Cayenne—But you must remember, my dear Miss Prim, the recipe on "how to dress a husband." It begins like this: "First catch him."—Cleveland Plain Dealer.
