G. I. Ratcliff has just received one of the new Edison Amberola Phonographs. This is Thomas A. Edison's latest achievement and one of which he is justly proud. It is the best phonograph on earth. It has a cabinet that is an ornament to the finest home. It has no unsightly horn. Its horn is inside the cabinet. No records all over the room, they are in the cabinet. The compartments in the machine hold 100 records. Customers entering the store have asked, "Who is that singing?" Its voice is so natural that it might fool YOU. No scrape, no rattle, no metallic sound. Price \$200.00, cash or bankable note. Write Montgomery Ward for their prices. Call at Ratcliff's Furniture Store any day or evening and he will cheerfully entertain you.

DEMONSTRATION TRAIN FOR EASTERN OREGON

(Continued from First page.)

Lectures and demonstrations will be given in each. The best farming apparatus and methods will be taught by demonstration as well as in theoretical lectures.

Forest supervisors of Oregon, Washington and Alaska will meet in Portland, March 21-26. The program includes many subjects of great importance in the administration of forest affairs and the gathering will have much to do in shaping policies to be followed in future. L. F. Kneipp, Assistant Forester, will attend the conference as the representative of the Washington office, it being impossible for Forester H. S. Graves, who succeeded Gifford Pinchot as the head of the bureau, to come. The supervisors will discuss methods to be followed in meeting common problems and successful experiments in meeting difficulties will be told for the benefit of all. In the interchange of experiences and new ideas the supervisors hope to profit largely at the coming session.

Traffic arrangements are being completed between the Hill railroads, the Great Northern, the Northern Pacific and the Spokane, Portland & Seattle, and the Oregon Electric Railway whereby a traffic interchange will be established that will give the Willamette Valley a competing line with the Southern Pacific on transcontinental freight. This arrangement is bound to prove an advantage to the people of the whole valley for competition in transportation, as in everything else, is helpful.

Hogs broke all former records in the Portland market late last week when the remarkable price of \$11 a hundred pounds, live weight, was paid by local packers for the best Eastern Oregon porkers. This price was not only the highest ever paid here in the memory of packers but leads the whole United States for the last half century at least. For about a week Portland has had the distinction of leading the whole United States in being the highest priced hog market. When hogs went to \$10.10 and \$10.25 last week, it was thought the limit had been reached but the jump to \$11 shows the scant supply of high class porkers in this market and the strong demand.

Hodgins and Sarah Vise, Hodgins, or either of them, and all persons claiming under them subsequent to the 12th day of December, 1907, had, since acquired, or now have, in, of and to said real property hereinafter mentioned, described in said execution as follows, to-wit:

Might Be Worse.
Of the members of a certain Chicago club there is one, a good fellow, but a hypochondriac, who is a great trial to his friends by reason of his tendency to dilate tediously upon his bodily ailments.

It Saved His Leg.
"All thought I'd lose my leg," writes J. A. Swensen, of Watertown, Wis. "Ten years of eczema, that 15 doctors could not cure, had at last laid me up. Then Bucklen's Arnica Salve cured it, soand and well." Infallible for skin eruptions, eczema, salt rheum, boils, fever sores, burns, scalds, cuts and piles. 25c at all druggists.

France increased in wealth over \$1,000,000,000 during last year. Perhaps this is due in part to the fact that the republic is entertaining no great war scare.

Superstitions About Sneezing.
Zenophon, Prometheus, Themistocles and Cleero regarded a sneeze as a favorable omen. Among the Hindus and Persians, however, sneezing and yawning were ascribed to demoniacal possession. The Hindu snaps his thumb and finger and repeats the name of one of his gods. The Moslems believe that the devil may leap into a gaping mouth, and hence when he yawns he draws the back of his hand over his mouth and mutters this prayer: "I seek refuge with Allah from Satan, the accursed."
