Take any number from 1 to 14 inclusive, and place in the nine squares as above, so that when these are added, either horizontally or perpendicularly, they will total 27. None of the numbers must be used more than twice, but remember in each case, when added upward or across, the sum of the numbers must be 27.

Send your answer on this, or on a separate sheet of paper, but under no circumstances use more than one sheet of paper, nor write on more than one side.

The neatest, correct and artistic answer will receive, absolutely free, a handsome Eilers Upright Piano, in mahogany case. This is the piano that was awarded the Gold Medal at the Seattle Fair last summer. Other prizes enumerated elsewhere.

Only one answer from a family will be allowed. Award of prize will be made strictly according to merit. The contest closes at 6 o'clock on the evening of April 2nd, 1910, and all replies must either be in our store or bear a postmark not later than 6 P. M. on that date.

Winners will be notified by mail as soon as decisions are made. In case of a tie between contestants, prizes identical in character will be awarded to each.

Why We Do It

Our purpose in holding this contest is to acquaint the people of this section with the value of the Pianos we handle. We have convinced the manufacturers of these pianos that this form of advertising is far more effective than spending large amounts in magazine advertising.

We believe the best advertisement for a good Piano is a satisfied customer, and we believe further, that the advertising allowance should go to the person who buys a piano, not to expensive magazines.

We want everyone to know that ours are the only stores in the West that sell New York's Great Art Product—the Weber; the famous Chickering the oldest and most expensive of American Pianos; the beautiful toned Hobart M. Cable; the now celebrated Lester of Philadelphia; the world renowned Kimball, given the Highest Grand Award at the Chicago Exposition, and again at Seattle Exposition last year; the Celebrated Hallet & Davis, and our own Eilers Orchestral piano, which is so rapidly becoming a favorite among musicians, as well as the Claredon, Smith & Barnes, and other equally well known makes. We have arranged with America's foremost manufacturers to join in this great, far-reaching advertising campaign. Send in your answer at once—it costs you nothing to try.

Colonist Rates

To OREGON and the
Great Northwest

The management of the Oregon Railroad & Navigation Co. takes great pleasure in announcing that the low rates from Eastern cities, which have done so much in past seasons to stimulate travel to and settlement in Oregon, will prevail again this Spring DAILY from March 1 to April 15, inclusive.

People of Oregon

The railroads have done their part; now it's up to you. The colonist rate is the greatest of all home-builders. Do all you can to let Eastern people know about it, and encourage them to come here, where land is cheap and home-building easy and attractive.

Fares Can Be Prepaid

At home if desired. Any agent of the road is authorized to receive the required deposit and telegraph ticket to any point in the East

Remember the Rates

From Chicago, \$33; from St. Louis, \$32; from Omaha and Kansas City, \$25. This reduction is proportionate from all other cities.

When California Was Unknown. In an old geography printed in 1815 appears the following: "California is a wild and almost unknown land. Throughout the year it is covered with dense fogs, as damp as unhealthy. In the interior are volcanoes and vast plains of shifting snows, which sometimes shoot columns to great heights. This would seem nearly incredible were it not for the well authenticated accounts of travelers."
