Virgil Samms, grandson of Mr. and Mrs. W. P. Samms, of this city, Brief News Items has been awarded a four years' scholarship in Whitman college for the best standing in the Pocatello high school where he was graduated this spring. Virgil is a son of W. A. Samms, well known here, and who is a civil engineer and U. S. leputy mineral surveyor located at Pacatello. The relatives and many friends here are justly proud at the

The article was not noticed by the memers of the fraternal organizations mtil they held a meeting later, It is probable that the hat belongs to some one of the ladies who aided in the exercises of the day or at the dinner served atthat time.

HAS A GOOD WORD FOR OUR PITCHER BILYEU.

The La Grande Observer, in its Friday issue of last week, commenting on the Enterprise baseball team said: "Enterprise is an exceptionally strong team and Bllyeu, the big pitcher, will be on the firing line in it least one of the games.'

Bilyeu is probably the strongest atcher in this section of Oregon. What is the beautiful thing about he Enterprise team is, that every nan in it is an Enterprise man who and his home here before the team was organized, and makes the team a strictly home team.
