PARTICIPANTS IN DOUBLE WEDDING HERE.

The participants in a double wedding Wednesday, will be here, or are expected here, by Sunday. The names of the happy young people are as follows: Edward Berland, the well known harness dealer in Joseph, and Miss Hazel Kelsey of Portland; Bert Berland, a harness dealer at Uniontown, Wash., and Miss Mildred Shoemaker of Neenah, Wisconsin.

The four were married, the former couple in Portland and the latter couple in Wisconsin, Wednesday of this week, and both couples will start for Enterprise to visit with Mrs. R. L. Day sister to both grooms, and with the parents of both grooms, Mr. and Mrs. L. Berland.

OREGON UNIVERSITY INVITATIONS ARE OUT

Invitations to attend the thirty-fourth annual commencement exercises at the University of Oregon, have been sent out by the board of regents and faculty of that institution. The commencement exercises begin June 19 and continue through June 22. Rev. L. R. Dyett, D. D., of the First Congregational church of Portland, will deliver the baccalaureate sermon the first day of the commencement.

G. C. Bolding and A. B. Davies, accompanied Mrs. M. A. Field and Mrs. A. Shipman to Enterprise, Wednesday, from Troy, the ladies taking the train here on their return to their homes in Spokane. Mrs. Field and Mrs. Shipman have been visiting the family of Mr. Davies for upwards of a month.

TOMORROW IS THE HEAP BIG TIME

ELGIN COMING WITH AN EXCURSION AND A BRASS BAND FOR KEEPS.

Tomorrow will be the most interesting and exciting game of ball played here or in the league thus far during the season. Elgin meets Enterprise for keeps. Elgin now is the top-notch and Enterprise is the close second in the standing of the clubs. To keep Elgin from too strong a lead, Enterprise will battle to a finish to defeat the top-notchers tomorrow.

Band is Coming.

Elgin never does anything by halves. She goes in full tilt and stays there until she makes a stir at least. It will be so tomorrow, when she will come down with an excursion headed by a brass band and followed by as husky a lot of fans as ever came over the pike. They are the right sort of fans, too—orderly, gentlemanly, bringing their wives, mothers and sisters with them for a season of legitimate pastime where ribaldry is not heard and is not tolerated.

But Enterprise will not be a whit behind her friendly rival. Practically everybody here and around here will be at the game to welcome Elgin, and to hope for the victory of Enterprise over Elgin in the game.

Enterprise stoutly maintains that she will make Elgin play the ball of her life and take defeat. Elgin just as stoutly says that she will do the same thing to Enterprise. And whoop! That's the way the "furse" began.

The game will be called at 3 o'clock sharp. No disorderly conduct will be tolerated by Manager Blyden, and none is at all anticipated. The ladies of Elgin and Enterprise and the surrounding country will be able to witness a splendid game without hearing a disorderly sound.

Large shipment of new potatoes just arrived at W. J. Funk & Co's. Four pounds for 25 cents.

HEARS OF BROTHER'S DEATH IN BAKER CITY

Mrs. Fred S. Ashley Friday received a telegram announcing the death of her brother, Ridley Davis, in Baker City. No details accompanied the sad announcement. The word simply stated that the deceased had died Thursday and would be buried Saturday. He had been a resident of Baker City for years.

Description of Land Released

203,635 Acres Thrown Open From Former Wallowa National Forest.

The president has signed a proclamation eliminating 203,635 acres from the National Forest, Oregon. The elimination is the result of a careful examination made by the U. S. Department of Agriculture during the past summer, which disclosed the fact that the areas now eliminated were either open grass land with very little timber or timbered areas so largely alienated that farther administration by the Forest Service was considered impracticable. The lands released are not needed for watershed protection, and are not considered to be chiefly valuable for National Forest purposes.

The principal eliminations occur in T. 1 and 2 S., R. 47 E., T. 1 and 2 N., R. 45, 46, 47 and 48 E., T. 3 N., R. 42 E., T. 4 N., R. 42 and 43 E., T. 5 and 6 N., R. 46 E., and T. 6 N., R. 47 E. In addition, a strip from one-half to three miles wide is eliminated along the southern boundary of the Forest, in R. 42 to 47 E. Section 6 and the west half of Section 5, T. 4 N., R. 42 E., is transferred from the Wallowa to the Wenaha Forest, the area being isolated from the Wallowa by the large eliminations.

The unappropriated portions of the areas eliminated by this proclamation will be restored to settlement and entry after having been advertised in the local papers by the Secretary of the Interior.

43 CARS WALLOWA COUNTY SHEEP

TWO BIG TRAINLOADS SOLD BY LOCAL MEN TO MONTANA BUYERS.

Yesterday began the shipment of forty-three cars of Wallowa county sheep. Two hundred sheep to the deck and each car a doubledeck aggregates 18,400 head of sheep in the two trainloads. It is estimated that 400 sheep to the car went out, but it is hardly likely that the number for the entire two-trainloads would average that. At a conservative estimate, however, the number must have been at least 16,000 head.

The shipments went to Wyoming, to a ranch point just west of Cheyenne where they will be put on the range. Irving Dill and Walter Sheets accompanied the first trainload, in the employ of the Montana capital which made the purchase. Ivan Jackson accompanied the second trainload. Those from Enterprise who, among others outside, sold sheep were Litch and Funk, Dobbin, Falconer, Graves and Rogdale.

The Montana capital purchasing this lot of sheep, according to report, has purchased in the past nine months 500,000 head the Wallowa county bunch completing that number. Eight thousand head were trailed out of here, making, at a conservative estimate 24,000 head of Wallowa county sheep that changed hands Thursday and Friday. The two trainloads from here were shipped to Rock River, Wyoming. It is believed that they will be trailed from there into Montana, when range in that state has been secured for the total bunch.

POSTMASTER WEATHERS GETS INCREASED SALARY.

Postmaster Ben Weathers was treated to a happy surprise by Uncle Sam the other day, when Uncle Sam kindly informed him that, beginning with July 1, the postmaster's

salary at Enterprise would be \$1500 instead of \$1400 a year—an increase of \$100 annually. This increase is a reason for just pride on the part of everybody here, in that it is based on the increase in the Enterprise mail. The mail volume, it may be safe to say, has increased fully 20 per cent within the past year. All Mr. Weathers' friends will rejoice with him both in the increase of salary and over the fact that we are growing so rapidly into a city.

Joseph secured an increase this year also, making the postmaster's salary there now on \$1400 instead of \$1200 a year. Wallowa also secured an increase of \$100, making the salary of that office \$1300 instead of \$1200.

RUNAWAY RESULTS IN BROKEN LEG

U. S. PHILLIPS THROWN FROM VEHICLE SUNDAY SUFFERING FRACTURE.

U. B. Phillips, recently engaged up on the former Watson place on Alder Slope, met with a serious accident last Sunday, in which he sustained a bad fracture of the bone of the left leg, below the knee. Dr. Ault was called to attend him, and although the patient is doing as well as could be expected, the fracture is both a painful and a serious one.

Mr. Phillips and his son were driving from the slope into town, according to the report of the accident, when the horses took fright near the William Makin place below the railroad, the frightened animals ran and collided with a vehicle in which were Mrs. Daisley and some friends. Mr. Phillips and his son were thrown from the vehicle, and in the rapid pick-up Mr. Phillips' leg probably caught in a wheel. The bone was broken immediately below the knee, inflicting a dangerous injury. He was taken in an automobile, and brought to Enterprise where medical attention was given as soon as possible. The limb is still so swollen that the full nature of the injury can not be ascertained at once.

LARSON-MIDDLEBROOK NUPTIALS AT JOSEPH

The Mitchell hotel was the scene of a pretty wedding Wednesday evening, when Miss Pansy Fra Middlebrook, daughter of Mr. and Mrs. E. N. Middlebrook, present proprietors of the hotel, was united in marriage to Mr. Fred C. Larson, recently of Spokane. Just before 8 o'clock Miss LaVera Middlebrook sang "Wedding Bells," the accompaniment being played by Miss Lake Fleener, and to the strains of a wedding march, the couple entered the parlor, where in the presence of relatives and a few invited guests Rev. A. L. Howarth, pastor of the First Methodist church, pronounced the ceremony. The attendants were Mr. and Mrs. Kligore of Joseph; Miss LaVera Middlebrook was maid of honor, and Miss Iris Middlebrook flower girl. The bride was charmingly gowned in white taffeta silk and carried carnations and roses.

A delicious wedding supper was served after the ceremony. The guests were: Ed Leach and daughters Edna and Hazel, Mr. and Mrs. Kligore, Miss Lake Fleener, E. H. Jones, Ed Green, Mr. and Mrs. Richardson and Mrs. Maggie Owens. Mr. and Mrs. Larson will at once begin housekeeping in rooms already furnished at the hotel. Both have made many friends during their short residence here, and all unite in best wishes for their future happiness.

We start our sale Saturday because we want the people in the country to have an equal break with the town folks. Bring your butter and eggs along. W. J. Funk & Co.
