COUNTY CONVENTION NOTICE.

The Socialist Party of the county of Wallowa is called to meet in County Convention at Local Enterprise Headquarters, at Enterprise, Oregon, on the 31st day of July and the 1st day of August, 1910, for the purpose of nominating a county ticket for Wallowa county, and electing delegates to the State Convention to be held in Portland on the 7th and 8th day of August, 1910.

(Signed) C. W. BARZEE, State Chairman of the Socialist Party of Oregon.

Comrades are advised to meet at the appointed place on Sunday, July 26, for the purpose of preliminarily their ticket, and the regular County Convention can follow on the 1st day of August, wherein the ticket may be legally confirmed and delegates to the State Convention receive their credentials signed by the chairman and secretary of the convention.

If the county does not wish to make their county nominations on that date, the confirmation of the previously elected Delegates, in accordance with the S. P. Constitution (Art. 14, Secs. 1 and 2), must be made by placing the signature of the convention Chairman and Secretary on their credentials for presentation to the State Convention.

These credentials must also bear the signature of the Chairman and Secretary of the Local at which meeting they had been previously elected.

To explain: The Convention officers legalize the delegates credentials to the State Convention in accordance with the Oregon statutes. The signature of the party, local, officers confirms the election of the Delegates as per S. P. Constitution.

We are advised by Attorney General Crawford that this course of procedure gives us a place on the state ticket without any filing fee. We have the privilege of using one or more pages in the candidates election advertising sheet for the purpose of setting forth our party principles.

FRANK HAMBLEN, County State Committeeman for Wallowa County, Oregon.

PACIFIC FLY REPELLANT Drives away Flies, Mosquitoes and Gnats. It protects horses and cattle from attacks of insects, enabling them to feed and sleep in peace. It prevents loss of weight and strength from worry caused by attacks of insects, and from the irritation of their bites and stings. There is a satisfaction in the relief it affords domestic animals from the scourge of maddening parasites and flies, besides the profit in returns. Horses do more work on less feed and cows yield more and better milk when relieved from the frenzy incited by constantly fighting a swarm of voracious, insatiable insects. Four sizes, 25c, 50c, 75c and \$1.25. Ask your merchant for it. HOYT CHEMICAL CO. Portland, Oregon
