MAKES BIG ORDER OF NEW SIDEWALKS

TWELVE OWNERS NOTIFIED TO BUILD AND THIRTY-ONE TO REPAIR.

Miles of new sidewalks were ordered built or old ones repaired within 30 days, by the city council in regular monthly session, Monday night. The recorder was directed to notify 12 property owners to build new walks, and 31 owners to repair old walks with new sills and replacing of all damaged boards.

The majority of the notices call for new walks of a block in length from each owner. The new walks must be six feet in width, of good lumber, surfaced on one side.

Five new cross walks and two alley walks were also ordered put in.

Mayor Burleigh, Councilmen Ashley, Hockett and Keltner were present.

City Recorder C. M. Lockwood's written resignation of his office was accepted, and Charles Thomas, who was acting recorder pro tem, was elected to fill the position made vacant by Lockwood's resignation.

The bond of W. F. Savage as city treasurer in the sum of \$500, signed by C. E. Funk and S. D. Keltner, was accepted. The city attorney was directed to prepare an ordinance increasing the amount of the bond required of the treasurer to \$2000.

The city marshal was instructed to cut all thistles on streets and alleys, and to notify all property owners to cut the same on their lots within 10 days from this date (August 1). The council also directed the mayor to have the marshal notify all persons to remove manure from streets and alleys.

A rule was adopted requiring all water users to pay rates monthly in advance, on or before the 10th day of each month, and the marshal instructed to cut the water off from all delinquents.

New water rates were established as follows: For hotel kitchens \$2 a month; barber shop bath tubs first tub \$2; each additional tub \$1; hotels \$10. (this includes the rate for kitchen.)

The dedication of C. H. Zurecher on Depot street was accepted and Councilman Hockett appointed to accept deed for same. Following are the

Osteopathy for Consumption.

Medical Talk, which is decidedly not an Osteopathic publication, devotes some space to the case of

Miss Munson, of Winfield, Kansas, who was cured of consumption by Osteopathy. The editor states that he wishes the people "to know that Osteopathic physicians are not necessarily bone-doctors, but that they successfully treat many diseases which the drug doctors admit that they are unable to cure." Such evidences of liberality and appreciation are very pleasing.

SUNDAY SERVICES.

Better Register Early Than Late

Less Than One-Sixth of Voters Reported—Can't Sign Candidate's Petition.

Registration is proceeding very slowly, only 358 of the 2000 and over voters of Wallowa county having given their name, age, birthplace and political affiliation to County Clerk boatman or the deputized notaries up to Tuesday morning, August 2. Following is the registration by precincts:

Joseph 9, Enterprise 59, Lostine 6, Wallowa 110, Powwaka 1, Promise 9, Grouse 0, Lost Prairie 36, Flora 3, Paradise 29, Mud Creek 10, Loop 1, Trout Creek 4, Pine Creek 2, Butte 7, Pittsburg 0, Innaha 7, Park 1, Divide 1, Prairie Creek 1. Total 158.

The remoteness of Grouse and Pittsburg precincts probably accounts for no reports from there.

It is important to the individual voter not only to register so he can vote without trouble at the primary and general election, but it is equally important that he register early so he will receive the pamphlet sent by the secretary of state. Clerk boatman reports weekly to the secretary of state the names of voters registered.

Remember also you cannot legally sign a candidate's petition unless you are registered.

A GRANDE DRUGGIST IS GUILTY OF SELLING LIQUOR

After being out 24 hours, the jury in the case of Newlin, druggist, charged with selling liquor, returned a verdict of guilty. Sentence will be passed next Monday.

The verdict was a surprise as nearly everybody thought a disagreement would result because the jury was out so long.

The sensation of the hour in La Grande is the handing of a picked list of jurymen to Sheriff Childers by Ben Morgan, the "detective" who worked up the cases in both Union and Wallowa counties for the Anti-Saloon league. The list was made out by Morgan, Rev. Gray and W. A. Worsell. All profess that they were ignorant that they were violating the law. There is some talk of prosecution.

Both La Grande papers have come out boldly against the prohibition law as a result of the late events.

Gardens in the Ice.

A glacier when it dislodges itself and sails away over the Arctic ocean never travels alone. In the wake of every large one floats a line of smaller companions. The Eskimos call this phenomenon "the duck and ducklings," and any one who has watched the progress of the wild duck followed by her brood will appreciate the aptitude of the name. Strange as it may seem, plants grow and blossom upon these great ice mountains. When a glacier is at rest moss attaches itself to it, protecting the ice beneath. Just as seaweed does. After a time the moss decays and forms a soil, in which the seeds of buttercups and dandelions, brought by the wind, take root and flourish. Those who have traveled much in arctic lands say the poppy does not bloom during the brief northern summer.

COUNTY TICKET OF SOCIALIST PARTY

CONVENTION HELD IN ENTERPRISE, MONDAY, NOMINATES CANDIDATES.

The Socialist party held its county convention in the Enterprise local headquarters Sunday and Monday, nominating a full county ticket except for the office of surveyor. The meeting of Sunday was mainly advisory, the nominations being made on Monday. There was a fairly good representation of the party present, though most of the delegates were from nearby towns and Enterprise.

The convention was held because of the law excluding parties from the general primary that cast less than 25 per cent of the total vote at the last general election.

Frank Hamblen of Enterprise was elected permanent county chairman, W. T. Mahan of Joseph and H. E. Oakes of Enterprise, state delegates.

Following is the county ticket: For county commissioner, L. J. Coverstone of Wallowa.

For sheriff, H. E. Barton of Joseph.

For county clerk, E. A. Fosner of Enterprise.

For county treasurer, J. W. Caspell of Mud Creek.

The following precinct nominations were made:

Justice of the peace, Enterprise precinct, H. E. Oakes.

Justice of the peace, Joseph precinct, John Winston.

Except for conference and plans to further the work no other business was transacted.

One of the delegates said it was a clean ticket, that "no man on it paid \$20,000 for his nomination."

The greatly enlarged, strengthened and in every way improved Lowe Stock company gave a fine presentation of that sterling old Southern melodrama, The Moonshiner's Daughter, to an audience that completely filled the opera house, Saturday night. The old favorite, Mr. Frank Weeks, who was here two years ago for the summer season with the Streeter-Bryan company, was given an enthusiastic greeting by his many friends. The other new members of the company, Miss Godfrey and Messrs. Hunt and Bross, were also cordially received and they as well as the old members performed their parts admirably. Mr. Lowe has now built up a fine strong company and deserves for his efforts the most liberal patronage. The next performance will be given Saturday night, August 6.

Mr. and Mrs. Leonard Hinshaw, formerly of Iowa, but recently residents of Kent, Wash., arrived Thursday to visit Mr. Hinshaw's aunt, Mrs. R. W. Bloom, and family. They may conclude to locate here.

Niece of Doctor and Mrs. F. E. Moore

Accepts Engagement to Sing With Hammers' Grand Opera Company.

The La Grande Observer prints an account of the engagement of Miss Felice Lyne, a niece of Dr. and Mrs. F. E. Moore, the latter former resident of Enterprise, the engagement being with the Hammerstein Grand Opera company in New York. Miss Lyne has many personal friends here who will be glad to know of her acceptance which is given in a clipping from the Kansas City Star:

"For some, the path to fame and success in the musical world is a long, weary climb. Few have their talent recognized immediately by the critics and operatic managers. One of the few is Felice Lyne, a young Kansas City woman who at 22 has achieved the rank of prima donna.

"Just three years ago in August, Miss Lyne sailed for Paris to study under Mme. Marchesi. She will return to America next month, to begin her operatic career, having accepted a contract with Oscar Hammerstein who will have a company in London next season and later will tour the United States.

"After hearing Miss Lyne sing the impresario said: 'I believe I have found another Terzani!'

"Miss Lyne is a daughter of Dr. Sanford T. Lyne of the Virginia hotel. She was graduated from Central high school five years ago."
