ELKS PLAN EXCURSION TO WALLOWA LAKE

A proposition is under way for an excursion to the head of Wallowa Lake and the same is to be run under the joint auspices of the Baker City and La Grande lodges of Elks, says the La Grande Star. Local members of the order are at work on the preliminary arrangements. If the plans as at present proposed mature the excursion will be run the latter part of this month and it will be arranged so that a whole day may be spent at the head of the lake.

The arrangements in view are for an excursion that will eclipse anything in this line that has ever before been attempted in the eastern part of the state, and the full details of the same are to be announced at an early date

Georgia Minstrels Here August 25th

Has Band of 25 Pieces and Travels in Their Own Private Car—Car of Special Scenery.

The management of the opera house have been fortunate enough to secure, for the evening of Thursday, August 25, the famous Richards and Pringle's Georgia Minstrels, conceded to be the leading negro minstrel organization of the world. This sterling company is now in its 30th year, and each year it has grown stronger and better. It carries a band of 25 pieces, said to be one of the very best bands in the country. It travels in its own special Pullman and carries an entire carload of special scenery. Ordinarily it plays only the leading cities and only the leading theatres of those cities.

It was possible to secure the company for Enterprise only because of the fact that it had an open date on its hands, and then only because the management of the house was willing to give up practically the entire receipts of the evening.

The band will give a free concert on the street immediately after the arrival of the train, also at 7:30 in the evening in front of the opera house. To these concerts the public is invited.

NOTICE.
Notice is hereby given that the regular Eighth Grade Examination for Wallowa County, Oregon, will be held in the several school districts September 8 and 9, 1910.
Teachers having pupils for this examination should report names of applicants to this office at once.
Respectfully,
J. C. CONLEY,
Superintendent of Schools.

LEAGUE WILL PROVIDE REST ROOM AT FAIR

The attendance at the called meeting of the Enterprise Improvement League Monday evening was so small that it was decided by those present to let the matter of having a booth at the coming Fair rest until the regular meeting, the first Monday evening in September. At that time the matter will be taken up again.
The matter of providing a free rest room on the Fair grounds was discussed and the ladies present agreed that the League should provide such a room whether they arrange to have the refreshment booth or not.

The Ladies Aid of the Presbyterian church will meet with Mrs. C. T. Hockett, Friday afternoon, August 13. A good attendance is requested.
