

Won't Need a Crutch.
When Editor J. P. Sossman, of Cornelius, N. C., bruised his leg badly, it started an ugly sore. Many salves and ointments proved worthless. Then Bucklen's Arnica Salve healed it thoroughly. Nothing is so prompt and sure for ulcers, boils, burns, bruises, cuts, corns, sores, pimples, eczema or piles. 25c at all druggists.

The Social Botanist.
Jones—He seems a very nice young man. What's his profession?
Brown—He's a social botanist.
Jones—And what is that, pray?
Brown—Oh, we invite him especially to give attention to our wallflowers!—Illustrated Bits.

Took All His Money.
Often all a man earns goes to doctors or for medicines, to cure a stomach, liver or kidney trouble that Dr. King's New Life Pills would quickly cure at slight cost. Best for dyspepsia, indigestion, biliousness, constipation, jaundice, malaria and debility. 25c at all druggists.

The Fault of Ridicule.
There is no character, howsoever good and fine, but it can be destroyed by ridicule, howsoever poor and witless. Observe the ass, for instance. His character is about perfect, he is the choicest spirit among all the humbler animals, yet see what ridicule has brought him to. Instead of feeling complimented when we are called an ass we are left in doubt.—Mark Twain.

Saved From Awful Peril.
"I never felt so near my grave," writes Lewis Chamblin, of Manchester, Ohio, R. R. No. 3, "as when a

frightful cough and lung trouble pulled me down to 115 pounds in spite of many remedies and the best doctors. And that I am alive today is due solely to Dr. King's New Discovery, which completely cured me. Now I weigh 160 pounds and can work hard. It also cured my four children of croup." Infalible for coughs and colds, its the most certain remedy for la grippe, asthma, desperate lung trouble and all bronchial affections, 50c and \$1.00. A trial bottle free. Guaranteed by all druggists.

They Have a Definite Purpose.
Foley Kidney Pills give quick relief in cases of kidney and bladder ailments. Mrs. Rosa Glaser, Terre Haute, Ind., tells the result in her case. "After suffering for many years from a serious case of kidney trouble and spending much money for so called cures, I found Foley Kidney Pills the only medicine that gave me a permanent cure. I am again able to be up and attend to my work. I shall never hesitate to recommend them." Burnaugh & Mayfield.

Our Trials.
"You know, my dear boy," said a sympathizing friend to a man in trouble, "that we really gain by our trials in life."

"That depends altogether on the kind of lawyer you get to conduct them," replied the sufferer.

Hardened English Tourist—Oh, no fear of that. I have given him to understand we have left our money at the hotel and will pay him when we get back.—London Mail.

Drives away Flies, Mosquitoes and Gnats. It protects horses and cattle from attacks of insects, enabling them to feed and sleep in peace. It prevents loss of weight and strength from worry caused by attacks of insects, and from the irritation of their bites and stings. There is a satisfaction in the relief it affords domestic animals from the scourge of maddening parasites and flies, besides the profit in returns. Horses do more work on less feed and cows yield more and better milk when relieved from the frenzy incited by constantly fighting a swarm of voracious, insatiable insects. NEWS PARAGRAPHS FROM OTHER CITIES IN OREGON

The annual run of tom-cod has started in Necanicum river and the fish are to be had in any quantity.

Five hundred more troops have been called for by the forestry service to fight the forest fires now spreading in southern Oregon.

Hugh McClain of Coos Bay has filed his declaration of intention to become a candidate for railroad commissioner on the democratic ticket.

The annual encampment of the G. A. R. Veterans' Association of Lane County, will be held in Cottage Grove, September 15, 16 and 17.

The twentieth annual convention of the Women's Christian Temperance Union of Linn County will be held in Brownsville Thursday and Friday, August 25 and 26.

Competition between mills and exporters resulted in sale of more than 30,000 sacks of Weston wheat at 80 cents for No. 1 club.

Accused of assault with a dangerous weapon, Thomas Hart, of Willbur, is hiding in the woods somewhere in the vicinity of Oakland, and all efforts to capture him have proved futile.

A stay of execution of the death sentence imposed on Ike Harrell for the murder of Herbert and Walter Newell last June has been denied by the State Supreme Court, and Harrell will pay the penalty for his crime on September 9.

Astoria's fifteenth annual regatta, scheduled for the last three days of this month, promises to eclipse any event of the kind ever before held at the "City by the Sea." In years past this fête has been the occasion for the gathering of thousands of Oregon and Northwestern people at Astoria.

The forest fire situation in the Crater National forest grows steadily worse. Numbers of the present inadequate force of fire fighters are nearly exhausted, many have had no sleep for hours, men have fallen asleep on the fire lines and only saved by friends from death in the flames.

Felix Curran, a farmer residing four miles from Cottage Grove, who has conducted an individual experiment station on his farm for many years, has nearly 50 varieties of wheat and many kinds of vegetables. The Lane County Fair Association has promised to give Mr. Curran a special space for his exhibit. In his space will be shown about 150 varieties of squashes.

At the Springfield carnival, the big hot-air balloon burst at a height of 200 feet and Aeronaut Cobe had a narrow escape from death. As soon as the big bag burst he cut loose with his parachute, but it failed to spread until within a few feet of the ground. Had it delayed a few seconds longer the man would have been dashed to death.

An average income last year of \$20 per acre was earned by all lands irrigated under the Klamath government reclamation project. Such is the estimate made by conservative experts. This includes all of the 27,000 acres that have received water, a part of the land being new. Also a great many of the more than 300 new families that have settled on the project since it was opened knew nothing about irrigation before coming, hence the first two years must be considered as largely experimental.

Owing to the fact that it has been repeatedly said that the average voter is uninformed on initiative petitions in general, and in order to get before the people the merits of their measure, H. O. Thompson and O. M. Kern, prominent citizens of Cottage Grove, who have long been earnest county division advocates, are beginning an educational campaign in the interests of the proposed Nesmith County and are now covering the state in automobiles.

That foreign life insurance companies draw greater profits from the state of Oregon than any other class of business and invest less of their capital or utilize less of it towards contributing to the state's welfare or industrial prosperity is evidenced by the fact that during the 11 year period, 1899 to 1909 inclusive, 35 life insurance companies collected approximately \$17,000,000 from policy holders in the state while the total combined capital which all of them invested in Oregon securities was less than one-third of the immense amount.

Saxton of district No. 2 will begin holding hearings for the purpose of taking testimony for the adjudication of the water rights along Willow creek in Malheur County at Ironsides next Thursday, August 25. He will take testimony for the adjudication of the rights along Cottonwood creek also at Vale, Wednesday, Aug. 31. In October testimony will be taken in the matter of the adjudication of the rights to water along Crooked river in Crook County.
