DELINQUENTS MUST PAY.

Under the above caption the Sedalia, Mo., Democrat, editorially says: "Editor Fays of Lyons, Iowa, has been called to Washington city because his subscription list is not paid up as well as the law requires. "He will have to explain to government officials why he has not compelled his subscribers to pay up according to postal rules. "An inspector had visited him two months previously, and his subscription list was said to be pretty thoroughly paid up, but evidently it was not sufficiently so. "It seems a little tough that a newspaper owner has to be hauled up before the government on the charge of having violated federal laws just because he does not keep eternally dunning his subscribers for the small sums they owe him on subscription; but it is like the end of the world—no man knows when it cometh; and no editor knows what day an inspector may pop in and ask to see the lists."

Sears, Roebuck & Co. have come in to collision with the national pure food authorities, through the seizure of a quantity of the Garland brand of New Orleans molasses at Tucson, Arizona, which is pronounced adulterated and misbranded. These mail order concerns have a distinct advantage in the enforcement of the pure food laws, in that their products are sent direct to the consumer, and seldom come under the observation of the officials, who visit retail and jobbing establishments, in making up their samples for analysis, and merchants might perform a public service by securing samples in sections where their distribution of food products is of consequence—New West Trade.

OSWALD WEST AND PARTY HERE TODAY

WILL TOUR ALL VALLEY TOWNS AND SPEAK IN ENTERPRISE TONIGHT.

Oswald West, Democratic candidate for governor; Hugh McLain of Coos county, candidate for state railroad commissioner, and State Senator Turner Oliver of La Grande, candidate for secretary of state, will make a tour of the valley today, Wednesday, in an auto. They are scheduled to leave La Grande this morning, and will probably stop at Island City, Imbler and Elgin, reaching Wallowa about noon, where the party will have lunch, and meet the people until 2 o'clock.

The next stop will be Lostine and an hour or more will be spent here, and then a quick run will be made through to Joseph, where a day will be made until 7 o'clock.

From Joseph Mr. West and party will come to Enterprise where at 7:30 o'clock the candidate for governor will deliver an address, which everybody is cordially invited to hear.

Mr. West is a comparatively young man but he has a record in Oregon administrative affairs of which he is justly proud. He has earned the gratitude of all classes by his business-like handling of the state land office, saving thousands of dollars and adding it to the irreducible school fund. As railroad commissioner he has been fearless in fair, and certainly this county has no kick coming on his decisions.

Mr. West has the respect of all, and true to the well known Wallowa county reputation for hospitality the people will give him an earnest welcome.

SURVEYOR RUDD LUCKY; GETS BOTH NOMINATIONS

A. H. Rudd of Joseph and H. E. Merryman of Enterprise, who tied for both the Republican and Democratic nominations for county surveyor, arbitrated the matter by letting the flip of a coin decide, Mr. Rudd winning both times.

Rudd and Merryman each received 13 votes on Republican ballots and 9 on Democratic. County Clerk Boatman tossed the coin Tuesday morning, Mr. Rudd calling tails both times and winning both times. His name, therefore, will appear on the election ballot as both the Republican and Democratic nominee.

CALDWELL CHARGED \$3 PER NIGHT FOR SINGLE BED

G. Thompson, who wired the fair grounds here and was also connected with an amusement enterprise, returned to Enterprise last week, and will probably go into business here.

Mr. Thompson says the amusement people fell into hard lines after leaving here. They went to Caldwell, and found prices boosted "out of sight." Space on the fair grounds cost \$2 a foot front, and beds in town were \$3 a night—"take it or leave it." To add to the general discomfort the first two days were spoiled by rain, so there wasn't much in sight for the shows.

ATTACH PLANING MILL.

The City planing mill, W. F. Rankin proprietor, has been attached, together with the logs, saw mills, etc., operated by him, on debts. The sheriff has possession of the property and has placed C. S. Haney, one of the principal creditors, temporarily in charge of the planer. A petition in bankruptcy has been filed and Attorney J. A. Burleigh has gone to Portland on that business before the federal court.

New Suits Filed.

Oct. 8—J. D. Halsey vs. W. F. Rankin et al.
Oct. 8—C. A. Ray vs. B. T. Ham-mack et al.
Oct. 11—J. T. Clemens vs. E. T. Manchester.

LOTS OF WEALTH COMES FROM OREGON'S FARMS.

Portland, Oct. 10—Oregon's agricultural products this year will amount to no less than \$115,000,000, according to the estimate of Dr. James Withycombe, director of the government experiment station at Corvallis. Add to this figure the many millions derived from its timber manufactures, mining and commerce, and it is not surprising that Oregon is such a prosperous state.

Dr. Withycombe's estimate of the year's crops and their values follows: Livestock.....\$25,000,000 Dairy products.....14,000,000 Wheat, 17,000,000 bu.....13,750,000 Hay, 900,000 tons.....10,000,000 Oats, 11,000,000 bu.....6,000,000 Potatoes, 6,000,000 bu.....5,000,000 Fruit.....6,000,000 Poultry products.....5,000,000 Wool, 20,000,000 lbs.....4,000,000 Hops, 90,000 bales.....3,000,000 Miscellaneous products.. 23,250,000

Total.....\$115,000,000

New Presbyterian Church Dedicated

Wallowa Thronged With Visitors and Nearly \$5000 Raised at Services.

Wallowa, Oct. 10—The dedication of the new Presbyterian church was attended by an immense throng here yesterday, the spacious and handsome auditorium being crowded to the doors at each service.

The sum of \$4953.46 was raised, leaving the new church entirely free of debt.

The dedication sermon was preached by Dr. S. W. Holt of Portland, and Dr. M. N. Mignin preached at the evening service.

Today and tomorrow the Grande Ronde presbytery will hold its annual sessions. The town is crowded with ministers and laymen who are in attendance.

The new church is 40x70 in size, with a high basement containing the furnace room, kitchen, toilets and assembly hall. The main auditorium is 40x40, with a Sunday school room 10x10 separated by sliding doors from the main room. The total cost of the edifice was \$8000.

CHURCH SERVICES.

Methodist: Rev. G. G. Kaley, the newly appointed district superintendent of the La Grande district, will preach in the Methodist church Sunday morning, and administer the Sacrament of the Lord's Supper. The first quarterly conference will be held on Saturday evening. Services for Sunday are as follows: Sunday school 10 a. m.; preaching 11 a. m. and 8 p. m.; Epworth League 7 p. m. A hearty welcome to all.

FROM GEORGIA.

Mrs. Mary Harris Armor will be in Enterprise November 4 to address a union mass meeting in the interest of temperance. Mrs. Harris is thoroughly conversant with the working of prohibition in Georgia and will have something interesting to say on that subject.

HIGH SCHOOL NOTES.

The total enrollment is now 73. Wilbur Brines of Flora, Lizzie Boesen of Moro and Myrtle McEachern of Trout Creek are new pupils entered last week.

The first monthly test of the year was held Monday, October 3. The new chemical laboratory and equipment was installed last week. The school is growing so rapidly that another teacher will probably be engaged.

C. E. Funk and family are moving this week to their old home on River street. The house vacated on Residence street will be occupied by Fred Fitzpatrick and family of Lostine, who will make this city their home.

ENTERPRISE SOME SHIPPING POINT

TEN CAR LOADS OF FREIGHT SENT OUT TUESDAY MORNING.

Fifteen cars were billed out of Enterprise station, Tuesday, including, however, seven O. R. & N. cars.

There were ten car load lots of locally loaded freight, including one car of hides, one of hay, four of beets, three of hogs, and one of empty bottles.

North End Porkers.

The hogs, 250 head, came from the north end, 30 wagons being required to haul them out. They had been sold to M. E. Hotchkiss at 9 cents, but he wasn't here to receive them, so W. B. Fordice of Lost Prairie and D. W. Kuhn of Paradise took them over at 8 1/2, and took them to Portland. They are a fine lot and will probably bring the top of the market, 10 cents, which will net Messrs. Fordice and Kuhn out whole.

The hogs were owned by the following farmers: D. W. Kuhn, O. L. Berland, O. E. Bodmer and W. C. Mine of Paradise; W. W. Harris, Flora; Abe Carter, J. M. and W. B. Fordice, Janes, Jack and Al Cole of Lost Prairie.

LA GRANDE FAIR.

Many from this county attended the La Grande fair. They report good exhibits and big crowds. The public wedding on the opening day was an attractive feature and was made as pretty as possible. Rev. W. H. Gibson, pastor of the Baptist church of this city, performed the ceremony.

Capt. Bogardus Again Hits Bull's Eye

This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says: "I suffered a long time with kidney and bladder trouble and used several well known kidney medicines all of which gave me no relief until I started taking Foley Kidney Pills. Before I used Foley Kidney Pills I had severe backaches and pains in my kidneys with suppression and a cloudy voiding. On arising in the morning I would get dull headaches. Now I have taken three bottles of Foley Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and again feel like my own self." Burnaugh & Mayfield.
