"It Beats All"

This is quoted from a letter of M. Stockwell, of Hannibal, Mo. "I recently used Foley's Honey and Tar for the first time. To say I am pleased does not half express my feelings. It beats all the remedies I ever used. I contracted a bad cold and was threatened with pneumonia. The first doses gave great relief and one bottle completely cured me." Contains no opiates. Burnaugh & Mayfield.

BEST LOT OF CATTLE SHIPPED THIS SEASON

McKinnon & Chandler shipped five cars of steers and one of hogs from this station, Saturday, to the Portland market. They were bought from I. S. Hotchkiss, who had got the cattle from Charles Young, Dan and William Warnock and H. N. Vaughn, of Crow Creek and the Innaha, and the hogs from A. R. Murphy of Alder Slope.

It was the finest lot of cattle that has left this station this season, according to a veteran cattleman at the yards Saturday, who had no financial interest in the shipment.
The Warnock steers averaged \$64 a head.
A car of cattle went from Joseph, Saturday.

Vote No On Annexation.

The portion of Washington county proposed to be annexed to Multnomah is seven miles wide, contains 112 of our 730 sections, four and a half of our fifteen millions of taxable property, one-fourth of our voters and population and one-half of our railroad mileage. 500 voters of this strip have signed a remonstrance against annexation—a clear majority, as less than 300 signed the petition and about 900 votes were cast at the last general election. In addition many who first favored annexation now oppose it and say the cut was made too deep. We ask you to vote No on Washington-Multnomah division—W. D. Wood, Chairman Anti-Annexation Committee, Hillsboro, Oregon.—Paid Advertising.

BOGGAN BOUND OVER

(From Astoria Sentinel.)
Norfolk Boggan, who on August 30th is charged with having shot James Appleton at the Claud Talbot farm in the Anasone country, was given his preliminary hearing before Justice D. T. Welch in Astoria, on Monday forenoon last. The state introduced a portion of his evidence, such as was considered necessary to secure the binding over of the defendant. The defendant offered no evidence at this time, and the Court held that there was sufficient reason for binding the defendant over to the Superior Court, and placed his bond at two thousand dollars, which was furnished at once. Mr. Boggan's trial will likely be had at the November term.

Capt. Bogardus Again Hits Bull's Eye

This world famous rifle shot who holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln, Ill. Recently interviewed, he says:—"I suffered a long time with kidney and bladder trouble and used several well known kidney medicines all of which gave me no relief until I started taking Foley Kidney Pills. Before I used Foley Kidney Pills I had severe backaches and pains in my kidneys with suppression and a cloudy voiding. On arising in the morning I would get dull headaches. Now I have taken three bottles of Foley Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and again feel like my own self." Burnaugh & Mayfield.
